# SPECIALITY FOR FIRST-CLASS MILITARY BAND INSTRUMENTS.

## S. ARTHUR CHAPPELL,

Sole Agent for

Antoine Courtois and Mille's Brass Instruments,

Eugene Albert's Clarionets, and

### MUSICAL INSTRUMENT MAKER AND IMPORTER

To Her Majesty's Household Troops, The Royal Artillery,  
The Cavalry and Infantry of the Line, Militia, Volunteers, &c., &c., and

The Royal Military School, Chelsea,

Her Majesty's Navy and Royal Marines, The Military School of Music,

AND THE

Principal Solo and Orchestral Performers of Europe, America, and Australia

The especial recommendation of the Antoine Courtois and Mille's Brass Instruments does not alone consist of their superiority of tone, intonation and workmanship, but the metal used in their manufacture prepared under the immediate superintendence of the Manufacturers, who have discovered a means whereby it is not only rendered more durable, but retains its quality of tone till the instrument is worn out. It is also an important fact that the Soloists and principal performers of Bands using instruments of other makers, always purchase for their own special use (professional or otherwise) those by

### ANTOINE COURTOIS AND MILLE.

## NEW PATENT INDESTRUCTIBLE CLARIONETS,

Manufactured by **EUGENE ALBERT**. Invented by **JACQUES ALBERT**,  
and secured by Letters Patent, March 19th, 1883.

These Instruments are made of metal, covered with vulcanite, which is indestructible.

The Metal Tube—silver, German silver, or brass, drawn on a polished steel mandril—is more perfect than the wooden one, and the vulcanite covering resembling wood, cannot be affected by sudden changes in the temperature or damp, and is capable of standing 170 degrees of heat (Fahrenheit) without the slightest injury to the Instrument. The sockets, made of metal, cannot break, and by means of a slide the Instrument can be tuned as easily as the Flute.

The tone is quite equal to that of the wooden Instruments, with perhaps a little more carrying quality, consequently eminently adapted to performances in the open air.

The celebrated Clarionets by Eugene Albert, of Brussels, are admitted by the Musical Profession to be superior in tone and high finish to any hitherto manufactured. They are adopted by the most eminent Clarionetists of the day, including M.M. Lazarus, Clinton, Tregon, Snelling, Angarde, &c., &c.

R.—All Clarionets manufactured by Eugene Albert are marked "E. Albert, approved by Mr. Lazarus."

MANUFACTURER OF THE

### PATENT SICCAMAS, CYLINDER SICCAMAS, and CLINTON FLUTES, the SAVARY MODEL BASSOONS, &c.

S. ARTHUR CHAPPELL strongly recommends Brass Instruments of his own make for the use of all Bands, being much lower in price, made on the Courtois Model, guaranteed perfectly in tune, and sold only to those made by Courtois and Mille.

"**THE ARMY JOURNAL**" contains Selections from the most popular Operas, Overtures, and Music by the most esteemed Authors, arranged for full Military Band. Subscription, 3 Guineas per year for six numbers.

Some of them, indeed—notably the 'Handbook of India,' published in 1859—read in many parts like dashing narratives of adventure."—*Athenæum*.

# SARSAPARILLA.

## WILKINSON'S

**Essence of Fluid Extract of Red Jamaica Sarsaparilla**

**Is the only Preparation recognized by the Faculty of this**

**WONDERFUL PURIFIER OF THE HUMAN BLOOD.**

It is not too much to say that those suffering from the effects of Tropical Climates, such as Torpid Liver, Attenuation of Body, Eruptions, Debility, Lassitude, &c., &c., will, by taking a course of this extraordinary **ESSENCE OF RED JAMAICA SARSAPARILLA** soon find relief and ultimately a cure.

It is asserted, on *reliable* authority, that by taking a little daily the system becomes less liable to attacks of illness.

"We cannot speak too highly of it."—**LANCET.**

"We recommend your **RED JAMAICA SARSAPARILLA**."—**MEDICAL REVIEW.**

"The only preparation for removing what may be called the sequelæ of a mercurial course."—**SIR R. MARTIN.**

The late Lord Clyde, writing for a further supply of **WILKINSON'S SARSAPARILLA**, says, "I am never without it, for, when feeling depressed or out of sorts from anxiety or fatigue a dose or two animates me."

"Your **ESSENCE OF RED JAMAICA SARSAPARILLA** cured me of a Torpid Liver after all other remedies failed."—**EARL OF ALDBOROUGH.**

"When newcomers are found in every branch of business to push aside rivals of older standing, it is very satisfactory to see that the Original old-established **RED JAMAICA SARSAPARILLA**, prepared by **THOMAS WILKINSON, 270, REGENT STREET, LONDON**, holds its place pre-eminently. This is doubtless owing to its unsurpassable merits."—**CALOUTTA ENGLISHMAN, July 30th, 1880.**

**CAUTION.**—Many spurious, worthless, and injurious preparations are offered to the public. See that both Bottle and Label have the name and address, also

**TRADE MARK**  **IN A DIAMOND AT THE BOTTOM OF THE BOTTLE.**

## FURTHER IMPORTANT CAUTION.

I understand a Firm in India, envious of the great success of my Original Preparation of **RED JAMAICA SARSAPARILLA**, are endeavouring to mislead the Public, by advertising an article under much the same title.—See that you have none but **WILKINSON'S**; all others are inferior, and some positively injurious.

Peruse the Medical and other Testimonials on the Bills enclosed with each bottle.

## **BROWN & POLSON'S CORN FLOUR**

### **FOR THE FAMILY TABLE.**

In the hands of an accomplished cook there is no known limit to the variety of delicate and palatable dishes which may be produced from BROWN and POLSON'S CORN FLOUR.

It is equally susceptible of plain and simple treatment for ordinary domestic purposes, and one of its chief recommendations is the facility with which it may be prepared.

Boiled with milk, and with or without the addition of sugar and flavouring, it may be ready for the table within fifteen minutes; or, poured into a mould and cooled, it becomes in the course of an hour a Blanc-mange, which, served with fresh or preserved fruit, will be acceptable at any meal.

Add sultanas, raisins, marmalade, or jam of any kind, and in about the same time it is made into an excellent Baked Pudding. To which may be added:—Take care to boil the milk, when so required, for *not less than eight minutes.*

**SOLDIERS' FRIEND SOCIETY,**

---

**President—General Sir A. J. Lawrence, K.C.B.**

---

**SPECIAL APPEAL.**—The Friends of the Soldier are earnestly appealed to for funds for the continued support of the Society. Ninety Scripture Readers are now actively employed in the Army at home and abroad.

With such unquestionable testimony on all sides to the beneficial influence of the Reader in Camp, in Barrack, and in Hospital, we cannot come to any other conclusion than that the Lord's blessing is resting in no small degree upon this Institution; and with this conviction deeply impressed upon our hearts, we lay this matter before all who can feel for a soldier's trials, a soldier's temptations, a soldier's devotion to his Queen and country, but, above all, for a soldier's everlasting welfare, confident—nay, more than confident, assured—that He will cause unknown supporters to spring up upon the right hand and upon the left, and stimulate old friends to fresh exertions.

Contributions will be thankfully received by the Treasurer, V. G. M. Holt, Esq., 17, Whitehall Place; at the Bankers, National Provincial Bank of England, 212, Piccadilly; by the Secretary, Mr. William A. Blake; or by the Honorary Secretary, Col. J. W. F. Sandwith.

*From "WILDFOWLER," of "The Field," May 22, 1884.*

"Messrs. Tolley have made me this season a double hammerless 12-bore short barrelled, for rabbit shooting in thick covert, and this gun has given me the utmost satisfaction. It is one of the smartest guns I have ever used, and I have shot admirably well with it."

*From "THE BRITISH COLONIAL WORLD," February 15, 1884.*

"This gun, to our mind, not only meets the objections raised by some sportsmen to hammerless guns, but provides, in a greater degree than any other gun we have yet seen, means to prevent an accidental discharge. With this gun perfect safety is attained, together with simplicity of mechanism and ease of manipulation."

## REGULATIONS FOR THE OPEN COMPETITION OF JUNE, 1884.

*N.B.—The Regulations are liable to be altered in future years.*

1. On June 3rd, 1884, and following days, an Examination, open to all qualified persons, will be held in London (a). Not fewer than persons will be selected, if so many shall be found duly qualified; viz., for the Lower Provinces of Bengal (including Assam); for the Upper Provinces of Bengal (including the Panjab and Oudh); for Burma; for Madras, and for Bombay (b).

2. No person will be deemed qualified who shall not satisfy the Civil Service Commissioners:—

(i.) That he is a natural-born subject of Her Majesty.

(ii.) That his age will be above seventeen years and under nineteen years on the 1st of January, 1884. [*N.B.—In the case of Natives of India this must be certified by the Government of India or of the Presidency or Province in which the Candidate may have resided.*]

(iii.) That he has no disease, constitutional affection, or bodily infirmity unfitting him, or likely to unfit him, for the Civil Service of India.

(iv.) That he is of good moral character.

3. Should the evidence upon the above points be *prima facie* satisfactory to the Civil Service Commissioners, the Candidate, on payment of the prescribed fee (c), will be admitted to the Examination. The Commissioners may, however, in their discretion, at any time prior to the grant of the Certificate of Qualification hereinafter referred to, institute such further inquiries as they may deem necessary; and if the result of such inquiries in the case of any Candidate should be unsatisfactory to them in any of the above respects, he will be ineligible for admission to the Civil Service of India; and if already selected, will be removed from the position of a Probationer.

4. The Examination will take place only in the following branches of knowledge:—

Candidates are at liberty to name any or all of these branches of knowledge. No subjects are obligatory.

5. The merit of the persons examined will be estimated by marks; and the number set opposite to each branch in the preceding regulation denotes the greatest number of marks that can be obtained in respect of it.

6. The marks assigned to Candidates in each branch will be subject to such deduction as the Civil Service Commissioners may deem necessary (g), in order to secure that "a Candidate be allowed no credit at all for taking up a subject in which he is a mere smatterer."

7. The Examination will be conducted on paper and *vide voce*, as may be deemed necessary.

8. The marks obtained by each Candidate, in respect of each of the subjects in which he shall have been examined, will be added up, and the names of the several Candidates who shall have obtained, after the deduction above mentioned, a greater aggregate number of marks than any of the remaining Candidates will be set forth in order of merit, and such Candidates shall be deemed to be Selected Candidates for the Civil Service of India, provided they appear to be in other respects duly qualified. Should any of the Selected Candidates become disqualified, the Secretary of State for India will determine whether the vacancy thus created shall be filled up or not. In the former case, the Candidate next in order of merit, and in other respects duly qualified, shall be deemed to be a Selected Candidate. A Selected Candidate declining to accept the appointment which may be offered to him will be disqualified for any subsequent competition.

9. Selected Candidates, before proceeding to India, will be on probation for two years, during which time they will be examined periodically, with a view of testing their progress in the following subjects:—(h)

(d) A considerable portion of the marks for English History and Literature will be allotted to the work selected by the Candidate. (See Notice on p. x.). In awarding marks for this, regard will be had partly to the extent and importance of the periods or books selected, but chiefly to the thoroughness with which they have been studied.

(e) The Examination will range from Arithmetic, Algebra, and Elementary Geometry, up to the elements of the differential and integral calculus, including the lower portions of applied Mathematics.

**SPECIAL APPEAL.**—The Friends of the Soldier are earnestly appealed to for funds for the continued support of the Society. Ninety Scripture Readers are now actively employed in the Army at home and abroad.

With such unquestionable testimony on all sides to the beneficial influence of the Reader in Camp, in Barrack, and in Hospital, we cannot come to any other conclusion than that the Lord's blessing is resting in no small degree upon this Institution; and with this conviction deeply impressed upon our hearts, we lay this matter before all who can feel for a soldier's trials, a soldier's temptations, a soldier's devotion to his Queen and country, but, above all, for a soldier's everlasting welfare, confident—nay, more than confident, assured—that He will cause unknown supporters to spring up upon the right hand and upon the left, and stimulate old friends to fresh exertions.

Contributions will be thankfully received by the Treasurer, V. G. M. Holt, Esq., 17, Whitehall Place; at the Bankers, National Provincial Bank of England, 212, Piccadilly; by the Secretary, Mr. William A. Blake; or by the Honorary Secretary, J. W. F. Sandwith.

# SARSAPARILLA.

## WILKINSON'S

**Essence of Fluid Extract of Red Jamaica Sarsaparilla**

Is the only Preparation recognized by the Faculty of this

**WONDERFUL PURIFIER OF THE HUMAN BLOOD.**

It is not too much to say that those suffering from the effects of Tropical Climates, such as Torpid Liver, Attenuation of Body, Eruptions, Debility, Lassitude, &c., &c., will, by taking a course of this extraordinary ESSENCE OF RED JAMAICA SARSAPARILLA soon find relief and ultimately a cure.

It is asserted, on *reliable* authority, that by taking a little daily the system becomes less liable to attacks of illness.

"We cannot speak too highly of it."—LANCET.

"We recommend your RED JAMAICA SARSAPARILLA."—MEDICAL REVIEW.

"The only preparation for removing what may be called the sequelæ of a mercurial course."—SIR R. MARTIN.

The late Lord Clyde, writing for a further supply of WILKINSON'S SARSAPARILLA, says, "I am never without it, for, when feeling depressed or out of sorts from anxiety or fatigue a dose or two animates me."

"Your Essence of RED JAMAICA SARSAPARILLA cured me of a Torpid Liver after all other remedies failed."—EARL OF ALDBOROUGH.

"When newcomers are found in every branch of business to push aside rivals of older standing, it is very satisfactory to see that the Original old-established RED JAMAICA SARSAPARILLA, prepared by THOMAS WILKINSON, 270, REGENT STREET, LONDON, holds its place pre-eminently. This is doubtless owing to its unsurpassable merits."—CALCUTTA ENGLISHMAN, July 30th, 1880.

**CAUTION.**—Many spurious, worthless, and injurious preparations are offered to the public. See that both Bottle and Label have the name and address, also

TRADE MARK  IN A DIAMOND AT THE BOTTOM OF THE BOTTLE.

## FURTHER IMPORTANT CAUTION.

I understand a Firm in India, envious of the great success of my Original Preparation of RED JAMAICA SARSAPARILLA, are endeavouring to mislead the Public, by advertising an article under much the same title.—See that you have none but WILKINSON'S; all others are inferior, and some positively injurious.

Peruse the Medical and other Testimonials on the Bills enclosed with each bottle.

## **BROWN & POLSON'S CORN FLOUR**

### **FOR THE FAMILY TABLE.**

In the hands of an accomplished cook there is no known limit to the variety of delicate and palatable dishes which may be produced from BROWN and POLSON'S CORN FLOUR.

It is equally susceptible of plain and simple treatment for ordinary domestic purposes, and one of its chief recommendations is the facility with which it may be prepared.

Boiled with milk, and with or without the addition of sugar and flavouring, it may be ready for the table within fifteen minutes; or, poured into a mould and cooled, it becomes in the course of an hour a Blanc-mange, which, served with fresh or preserved fruit, will be acceptable at any meal.

Add sultanas, raisins, marmalade, or jam of any kind, and in about the same time it is made into an excellent Baked Pudding. To which may be added:—Take care to boil the milk, when so required, for *not less than eight minutes.*

 "Messrs. Tolley have made me this season a double hammerless 12-bore short barrelled, for rabbit shooting in thick covert, and this gun has given me the utmost satisfaction. It is one of the smartest guns I have ever used, and I have shot admirably well with it."

From "THE BRITISH COLONIAL WORLD," February 15, 1884.  
 "This gun, to our mind, not only meets the objections raised by some sportsmen to hammerless guns, but provides, in a greater degree than any other gun we have yet seen, means to prevent an accidental discharge. With this gun perfect safety is attained, together with simplicity of mechanism and ease of manipulation."

Not fewer than persons will be selected, if so many shall be found duly qualified; viz., for the Lower Provinces of Bengal (including Assam); for the Upper Provinces of Bengal (including the Punjab and Oudh); for Burma; for Madras, and for Bombay (b).

2. No person will be deemed qualified who shall not satisfy the Civil Service Commissioners:—

(i.) That he is a natural-born subject of Her Majesty.

(ii.) That his age will be above seventeen years and under nineteen years on the 1st of January, 1884. [*N.B.—In the case of Natives of India this must be certified by the Government of India or of the Presidency or Province in which the Candidate may have resided.*]

(iii.) That he has no disease, constitutional affection, or bodily infirmity unfitting him, or likely to unfit him, for the Civil Service of India.

(iv.) That he is of good moral character.

3. Should the evidence upon the above points be *prima facie* satisfactory to the Civil Service Commissioners, the Candidate, on payment of the prescribed fee (c), will be admitted to the Examination. The Commissioners may, however, in their discretion, at any time prior to the grant of the Certificate of Qualification hereinafter referred to, institute such further inquiries as they may deem necessary; and if the result of such inquiries in the case of any Candidate should be unsatisfactory to them in any of the above respects, he will be ineligible for admission to the Civil Service of India; and if already selected, will be removed from the position of a Probationer.

4. The Examination will take place only in the following branches of knowledge:—

A Selected Candidate declining to accept the appointment which may be offered to him will be disqualified for any subsequent competition.

In awarding marks for this, regard will be had partly to the extent and importance of the periods or books selected, but chiefly to the thoroughness with which they have been studied.

(e) The Examination will range from Arithmetic, Algebra, and Elementary Geometry, up to the elements of the differential and integral calculus, including the lower portions of applied Mathematics.

(f) The standard of marking in Sanskrit and Arabic will be determined with reference to a high degree of proficiency, such as may be expected to be reached by a Native of good education.

(g) Marks assigned in English Composition and Mathematics will be subject to no deduction.

(h) Full instructions as to the course of study to be pursued will be issued to the successful Candidates as

### REGULATIONS FOR ADMISSION TO THE ROYAL INDIAN ENGINEERING COLLEGE, COOPER'S HILL, (NEAR STAINES).

*[The arrangements hereinafter described are subject to revision under the orders of the Secretary of State.]*

The Royal Indian Engineering College has been established under the orders of the Secretary of State for India in Council, in view to the education of Civil Engineers for the service of Government in the Indian Public Works Department; but it is open, to the extent of the accommodation available, to all persons desirous of following the course of study pursued there.

2. Sixty students will be admitted yearly to the College. Candidates for admission must be between the ages of seventeen and twenty-one years on the 1st day of July of the year of admission, and of good moral character; they must have had a good general education, and have attained to a sufficient degree of proficiency in elementary mathematics to enable them to follow the College course with advantage.

3. In the event of there being more candidates for admission than the College can receive, the preference will be given to qualified candidates according to dates of application for admission.

4. Applications for admission, supported by certificates of character and evidence of age, should be addressed to the Secretary to the College, not later than the last week of June in each year.\*

5. Candidates whose applications are found satisfactory as to age and character will be required to undergo an examination, to be held at the College, about the end of June, in the following subjects:—(1.) English Composition, to the extent of being able to write grammatically, and with correct spelling, in a neat and legible hand. (2.) 7. A fee of £2 will be payable in advance by each candidate accepted for examination, and will not under any circumstances be returnable.

8. The course in Engineering extends over three years; that in Telegraphy over two years. The appointments in the Indian Public Works Department offered for competition by the Secretary of State for India are awarded at the end of the three years' course (see art. 19); those offered in the Indian Telegraph Department are awarded at the end of two years. (See art. 29.)

Receivable orders with full directions as to the mode of payment will be forwarded from the India Office, shortly before the fees fall due, to the parents or guardians of the students.

11. A deposit of £5 is required to be paid by each student on admission to the College, as caution money, to cover charges incurred by him for damage to books, instruments, &c., or any College bills out-standing on leaving the College, when the balance standing at his credit will be repaid. This deposit is to be paid with the fee for the first term, making the total payment on that occasion £65.

12. The College fees include all charges for tuition, board, according to the College tariff, and lodging, with washing, but not for medical attendance. Students are required to provide their own class books and drawing instruments. Drawing paper, drawing boards, and surveying instruments, are provided by the College.

15. A certain minimum of qualification is required in each branch of study, as well as a certain minimum of average proficiency in all the branches taken together, as tested by the aggregate marks gained, in order to obtain the ordinary College diploma (see art. 18); but students are encouraged to pursue more particularly those branches of study beyond the limits of the obligatory course for which they may show special aptitude. Superior attainments will be recognised by special diplomas.

16. Every student will be required to conform to the College rules, to exhibit due diligence in his studies throughout his course, and to give evidence of satisfactory progress at the different examinations, failing which, or in the event of serious personal misconduct, he will not be allowed to remain at the College.

17. A final examination will be held during the last year, with the assistance of special examiners not connected with the College. This final examination, in addition to paper work and viva voce questioning, will

18. Students who pass out of the College with special distinction will be appointed Honorary Fellows of the College. The Diploma of Associate will be bestowed on all others who pass out in Honours. All others who come up to the prescribed standard of qualification will receive the ordinary College diploma of Graduate.

#### INDIAN PUBLIC WORKS APPOINTMENTS.

19. Appointments in the Indian Public Works Department will be available yearly for the passed students of the College, to the extent of the vacancies in that branch of the service. The minimum number of the appointments to be so given will be notified in each case, if possible, three years beforehand, at the time of the admission to the College of the students concerned.

20. The passed students, being British subjects, of sound constitution, and free from any serious physical defects which would render them unfit for employment in the Public Works Department of India, the final decision on which point will rest with the Secretary of State for India, will be eligible for these appointments in their order of standing at the final examination.

21. The passed students thus selected will be appointed Assistant Engineers, Second Grade, from the 1st October in the year of their passing out of the College, from which date also their service for pension will count. They will be provided with free passages to India, either on leaving the College or after the completion of a course of practical engineering in England, as may be arranged. (See art. 24.)

22. They will be allowed before leaving for India to choose the province and branch of the profession in which they desire to be first employed, according to their standing and within the limit of the available vacancies in the different branches, on the understanding, however, that they will be at all times liable to transfer from one province or branch to another at the pleasure of the Government of India, and according to the exigencies of the public service.

23. The prescribed departmental and language examinations have to be passed in India, according to the regulations of the service, as a necessary condition for obtaining promotion to a higher grade.

24. Every Assistant Engineer may be required to go through a course of practical engineering, under a civil or mechanical engineer, before proceeding to India. While so employed he will receive pay at the rate of £150 a year, to commence from the date of entering on the practical course, and in addition will be eligible to receive a premium of from £10 to £25 in each half-year during the course, according to the degree of proficiency and diligence shown. The practical course will commonly last for a year, at the expiration of which the Assistant Engineer, if reported qualified, will be provided with a free passage to India, and will be entitled to receive his salary at the Indian rate, which is at present Rs. 4,200 per annum from the date of embarkation, unless from any cause he fails to arrive in India within two months from the date appointed for his embarkation, in which case his salary at Indian rates will begin from the date of his arrival in India.

25. The fees to the Engineers under whom the practical course is passed will be paid by the Secretary of State for India, unless the Assistant Engineer voluntarily relinquishes his appointment, in which case they will have to be refunded.

26. An Assistant Engineer not making a sufficiently good use of the time passed on the practical course may be liable to be required to go through a further course, without pay, before proceeding to India, or in extreme cases his appointment may be cancelled.

27. The time spent on the practical course will count as service towards pension.

28. If the practical course in England should be dispensed with, the young Engineers will proceed direct

to India, and their salaries, at Indian rates, will commence from the date of embarkation, unless from any cause they fail to arrive in India within two months from the date appointed for their embarkation, in which case their salary will commence from the date of their landing in India, as well as their service for pension instead of from the date mentioned in Clause 21.

#### INDIAN TELEGRAPH APPOINTMENTS.

29. Nominations to the Indian Telegraph Department will also be made from the College, previous notice of the number available being given as early as practicable. Students, being British subjects, and considered fit for employment in the Indian Telegraph Department under the general conditions stated in art. 20, will be eligible for these appointments to the extent of the available vacancies, in their order of standing at the end of the first year's course.

30. The students thus selected will go through a second year's course of special training at the College, on the satisfactory completion of which they will be appointed to the public service as Assistant Superintendents, Telegraph Department, the commencing salary of which grade is at present Rs. 3,040 a year, with effect from the 1st October in the year of their passing out of the College, from which date also their services for pension will count. They will be provided with free passages to India, and their salaries will commence from the date of embarkation, unless from any cause they fail to arrive in India within two months from the date appointed for their embarkation, in which case both salary and service for pension will count from the date of their landing in India.

31. A student selected for the Indian Telegraph Department under art. 29, who during his year's course of special training does not attain to the prescribed standard of qualification, will be liable to have his appointment cancelled.

#### GENERAL RULES.

32. The College authorities, on application from the students, will endeavour to arrange for placing those students who pass out of the College according to the prescribed standard of qualification, but do not enter the Indian service, as pupils for one or two years with Civil or Mechanical Engineers of standing, at moderate rates of premium.

33. Chemical, physical, and mechanical laboratories, a library, gymnasium, and workshop are attached to the College. Means are also provided for the practice of photography. Students making use of the laboratories are supplied with the needful apparatus. They are required to provide their own hand tools in the workshop.

34. The responsibility for the discipline and management of the College and for the superintendence of the studies is vested in the President, under the general control of the Secretary of State for India, acting with the advice of the Board of Visitors.

35. The students are distributed in sections, under personal charge of one of the Professors or Instructors selected as tutor by the President, to whom the tutor is responsible for exercising the proper degree of personal supervision over each student in his division, and for conducting necessary correspondence with the student's friends.

36. Each student is provided with a separate room furnished, and with fuel and light, also with the necessary attendance. He is required to supply his own towels and bed linen. Meals are taken in hall. Wine and beer are not included in the ordinary fare, but can be obtained from the College cellar.

37. A chapel is attached to the College.

38. Every student will be required to go through a course of exercise in the gymnasium, and of military exercises, including the use of the rifle.

39. Students are required to wear academical dress under such regulations as may be prescribed from time to time.

## AN ABSTRACT OF THE SIXTH EDITION OF THE CIVIL PENSION AND LEAVE CODES.

### PRELIMINARY.

1. No standing order not contained in these Codes should be quoted or trusted in deciding, or submitting for orders, any question affecting Pensions, Leave, or Acting Allowances to Officers engaged in the Civil Administration. If any Officer thinks that any order not embodied in these Codes ought to be revived, he should refer the question, through the proper channel, to the Government of India. Without the special authority of the Government of India, no such order is valid.

### DEFINITIONS.

2. In these Codes, unless there be something repugnant in the subject or context—

**ABSENTEE** means an Officer absent, whether on leave, under suspension, or on duty, from an appointment on which he has a lien.

**ACCOUNTANT GENERAL** includes "Comptroller General" and "Comptroller." When used in reference to a Public Servant applying for leave, or on leave, "Accountant General" means the Officer who audits the pay and allowances of such Public Servant.

**ACTIVE SERVICE** includes, besides time spent on duty in India—

- (a) Privilege Leave of Absence.
- (b) Subsidiary Leave of Absence.
- (c) Time spent on the voyage to India by an Officer who is recalled to duty before the expiry of any recognized leave out of India, and (if within a year from the date on which he can be spared, the officer takes the unexpired portion of the leave from which he was recalled) the time spent on the return voyage to Europe.
- (d) And, for purposes of Pension, period of absence from India on duty of an Officer deputed or detained out of India on duty.

In the case of a Chaplain, Active Service includes also—

- (e) Time passed in India out of employ, but not on leave.

In the case of a Covenanted Civil Servant, not being a Native Civil Servant, Active Service includes also—

- (f) The interval between the date of an officer's first arrival in India, and the date on which he joins his first appointment.
- (g) Time passed, out of employ, on Subsistence Allowance, but not on Furlough.
- (h) Leave of Absence within the limits of the East India Company's Charter, which counted as Service and Residence under the Covenanted Service Leave Rules in force before the 8th June, 1855.
- (i) Leave of Absence on Urgent Private Affairs granted before the 3rd January, 1863.

1. Examination Leave of Absence is also Active Service; provided that not more than twelve months of such Leave can be so reckoned to any Officer, and that leave granted under Clauses (c) and (d) of Rule 1 under Section 76 of the Civil Leave Code is not reckoned as Active Service, unless the Officer passes the Examination for which the Leave is granted.

2. One year of Leave of Absence on Medical Certificate was reckoned as "Residence" under the Covenanted Service Leave Rules in force before the 1st July, 1863. This is not reckoned as Active Service.

In the case of a Native Civil Servant, Active Service means Active Service in the Covenanted Civil Service, and includes also any period, not exceeding two years, spent on probation in India.

In the case of a Military Officer subject to Civil Rules Active Service includes also—

- (1) The time spent on duty in India between the date on which he became subject to the Military Furlough and Leave Rules of 1875, and the date on which he joined his first substantive Civil appointment.

(2) Leave granted under Rule 10 of the Military Furlough and Leave Rules of 1875.

(3) Time passed in India out of employ on Civil Subsistence Allowance, but not on Furlough.

(1) Rule 1, under Clause (i) above, applies also to Military Officers subject to Civil Rules.

In the case of Engineers appointed from the Royal Indian Engineering College at Cooper's Hill who passed out of the College from the years 1878 to 1886, inclusive, Active Service includes also the whole period from date of appointment to the Service to date of joining their appointments in India, provided they fulfil the conditions in regard to date of landing in India specified in Section 68 (a) of the Civil Pension Code.

**APPOINTMENTS** are said to be in the same "Class" when they are in the same Department, and bear the same designation, or have been declared by the Government of India to be in the same Class. Appointments in the same Class are sometimes divided into Grades, according to pay.

**AVERAGE EMOLUMENTS** for the purposes of pension means the average calculated upon the last five years of service.

1. If, during the last five years of his service, an Officer has been absent from duty on Leave Without Allowances, or, having been suspended, has been, under Section 95 of the Civil Pension Code, reinstated without forfeiture of service, his Emoluments, for the purpose of ascertaining the Average, should be taken at what they would have been had he not been absent from duty or suspended: Provided always that his pension must not be increased on account of increase in pay not actually drawn. But if his leave is reckoned as service under Section 93, Rule 2 of the Civil Pension Code, only the allowances actually received during the Leave should be taken into account.

2. If, during the last five years of his service, an Officer has been absent from duty on Leave Without Allowances, not counting for Pension, or in Inferior Service, or suspended under such circumstances that the period of suspension does not count as service, the periods so passed should be disregarded in the calculation of the Average, an equal period before the five years being included.

3. Excepting as provided in Rules 1 and 2, only Emoluments actually received can be included in the calculation. For example, when an Officer is allowed to count time retrospectively towards increase of pay, but does not receive retrospectively the intermediate periodical increments, these intermediate increments are not reckoned in the calculation.

**AVERAGE SALARY.**—(I.) For the purposes of Chapter V. of the Civil Leave Code,

means the salary which an Officer has earned during so much of his continuous Active Service as is within the three years preceding the day on which he gives up office: Provided that neither Subsidiary leave, nor any period during which an Officer has been out of employ in India otherwise than as a penalty for misconduct, shall be included in Active Service for the purposes of such calculation; and provided also that the Leave Allowances of an Uncovenanted Officer shall in no case exceed his actual salary when he takes Leave.

(II.) For the purposes of Chapter VI. of the Civil Leave Code,

means the Average Salary for a month, calculated for so much of the three years immediately preceding the day on which a Native Civil Servant gives up Office as he has passed on duty, or on Privilege or Examination Leave. Average Salary in excess of Rs. 1,400 a month is not reckoned.

DEFINITIONS—*continued.*

(III.) For the purposes of Chapter X. of the Civil Leave Code,

means the Average Salary for a month, calculated for so much of the three years immediately preceding the day on which the Officer gives up Office as he has passed on Duty, or on Privilege Leave. But whenever an Officer whose appointment is not gazetted takes Leave for not more than one month, or whenever such an Officer's salary is less than Rs. 300, his pay (not salary) when he gives up Office is to be taken in lieu of "Average Salary." "Half Average Salary" is always subject to a maximum of Rs. 500 a month if paid in India, and £150 a quarter if paid at the Home Treasury of the Government of India. "One Quarter Average Salary" is always subject to a maximum of Rs. 400 a month if paid in India, and £120 a quarter if paid at the Home Treasury. For non-gazetted Officers whose salary is not less than Rs. 300, the minimum of "Half Average Salary" is Rs. 150, and of "One Quarter Average Salary," Rs. 75 a month.

Provided always that the Allowances of an Officer during Leave shall in no case exceed his actual salary when he takes Leave.

**BARRISTER** means a practising Barrister of England or Ireland, and a practising Member of the Faculty of Advocates of the Court of Session of Scotland. It does not include a person who, though a Barrister, has never practised the profession of Barrister.

**CALENDAR MONTH.**—Whenever it is necessary to calculate a period in "Calendar Months" the period ends either on the day of the month corresponding with the day before the day on which it begins, or, if there is no such corresponding day in that month, then on the last day of the month.

*Examples.*

**A period of six Calendar Months beginning on the—**

|                              |     |                       |

| 28th February...             | ... | 27th August.          |
| 31st March or 1st April      | ... | 30th September.       |
| 29th August                  | ... | 28th February         |
| 30th August to 1st September | ... | last day of February. |

**A period of three Calendar Months beginning on the—**

|                       |     |                       |

| 29th November         | ... | 28th February.        |
| 30th Nov. or 1st Dec. | ... | last day of February. |

*Note.*—See Civil Leave Code, Section 13, and Section 162, Rules 12 and 14. The first day of an Officer's leave is the first day on which he has not charge of his office after noon, and the last day of his leave is the last day on which he has not charge before noon.

No leave may be included in Continuous Service, except Privilege Leave and Special Leave.

*Note.*—See Civil Leave Code, Section 162, Rule 10. 1.—Examination Leave may also be included, unless the officer have already had twelve months such Leave, or in the case of Leave granted under Clauses (c) and (d) of Rule 1 under Section 76 of the Civil Leave Code, unless the officer have failed to pass the Examination for which the Leave was granted.

A Local Allowance is paid in full to the Officer actually present on duty, and is not taken into account in calculating Leave Allowances or Pension. (*But see Section 14 and Rule 10 under Section 75, Civil Leave Code.*)

**LOCAL FUND.**—When revenue derived from special sources is devoted to special objects, and not to the general purposes of the Administration, whether Imperial or Provincial, the revenue so devoted forms a "Local Fund." All Military Officers who were in Civil employ on the 30th December, 1875, and have been since continuously in such employ, are "subject to Military Rules," excepting any who may have elected the Rules of 1875 before the 7th December, 1877.

### CHAPTER I.

#### EXTENT OF APPLICATION.

1. The Rules in this Code apply to all Public Officers as follows, excepting Officers and men in the Army or the Navy (including Covenanted Medical Officers), and Officers of the Military Branch of the Subordinate Medical Department. The Rules relating to Foreign Service contained in Chapter III., however, apply to the officers thus excepted.

- (a) Judges of the High Courts of Judicature (Chapter IV.).
- (b) Covenanted Civil Servants, including Native Civil Servants (Chapters V. and VI.).
- (c) Chaplains (Chapter VII.).
- (d) Members of the Bengal Covenanted Pilot Service and their families (Chapter VIII.).
- (e) Uncovenanted Officers (Chapter IX.).

### CHAPTER II.

#### GENERAL RULES.

2. The Government reserves to itself the right of changing the Rules in this Code from time to time at its discretion and of interpreting their meaning. An Officer's claim to pension is governed by the Rules in force at the time when he resigns or is discharged from the service of Government: he is not entitled to concessions withdrawn before, or made after, his resignation or discharge. The general purport of this Rule is inserted by the Secretary of State in all Covenants for Service in India to which he is a party, which contain a promise of pension under the Uncovenanted Service Pension Rules.

3. An Officer may be admitted to pension while absent on leave, whether in or out of India.

4. Fractions of a year are not to be taken into account in calculating any pension admissible to an Officer under any Rule in this Code.

5. A Covenanted Civil Servant is not entitled to any special privileges by reason of his being a Barrister, and an Uncovenanted Officer is not entitled to any special privileges by reason of his being a Barrister,

unless, on his first admission to the Service, he is appointed to some office in which the Local Government, with the sanction of the Government of India, has declared it to be necessary to employ a Barrister.

6. A period not exceeding one year of pensionable service is added to the service of any specially deserving Officer who, during employment on Famine Duty in Madras in 1877-78, received no extra allowance for such duty, and whose total salary during such duty did not exceed Rs. 600.

7. An Officer who was employed under the Military Department in Afghanistan, and who was obliged to take furlough or leave in or out of India in consequence of illness contracted on service, is entitled to reckon as pensionable service the period of his furlough, to the extent of his employment under the Military Department, but not exceeding a maximum of one year. Provided always that no application for this concession shall be entertained unless the sickness was such as to render the absence of the Officer on medical certificate immediately necessary.

### CHAPTER III.

#### FOREIGN SERVICE.

*Note.*—The Rules in this Chapter apply to all Officers the service of the British Government.

8. The Rules in Sections 8 and 9 apply to Officers transferred on or after the 14th October, 1871, from qualifying service to Foreign Service, and, as regards the rates of contribution, have effect from the 10th June, 1882. Provided—

- (1) That the transfer is made on public grounds, and not only in the private interest of the Officer transferred;
- (2) That the Officer is transferred with the consent of the Local Government; and
- (3) If he is transferred for service under a Native State upon a salary exceeding Rs. 250, with the consent also of the Government of India in the Foreign Department.

9. (a) From every Officer transferred in the manner specified in Section 7, who does not wholly resign the service of the British Government, or who is not, for recorded special and public reasons, exempted from the operation of the Rules in this Chapter, a contribution is levied as follows:—

- (A) In the case of a Covenanted Civil Servant:—at the rate of 16 $\frac{2}{3}$  per cent. (one-sixth) on the gross salary which he receives from his Foreign employers;
  - (B) In the case of any other Officer:—at the rate of 14 $\frac{2}{3}$  per cent. (one-seventh) on the gross salary which he receives from his Foreign employers: provided always that the contribution from an Uncovenanted Officer shall in no case exceed Rs. 166 $\frac{2}{3}$  a month,
- that is to say, the Officer receives from his Foreign employers salary fixed in accordance with the Rules of

the Public Service for the appointment which he holds or in which he officiates, and, retaining five-sixths or six-sevenths accordingly as he is an Officer of Class (A) or (B), pays one-sixth or one-seventh, as the case may be, to the Government of India.

(b) In return for this contribution, the Government accepts the charge for the Officer's Pension and also that for his Absentee Allowances (except on Privilege Leave, when the Government will pay only its share according to the Rule of Proportions, and during which the contribution must be paid in the same manner as if the Officer were on duty), in the same manner and to the same extent as if he were in the Regular Service of the British Government; saving only that the calculation of Pension or Absentee Allowance is based upon the five-sixths or six-sevenths, as the case may be, pay which he retains, and not upon the full amount which he receives.

1. No contribution is levied from an Officer who is transferred to Foreign Service for a special temporary duty not lasting more than six months.

10. In addition to his contribution under Section 9 (a), a subscriber to the Bengal or Bombay Uncovenanted Service Family Pension Fund must pay to the British Government one-fourth of the premia which he pays to the Fund. This contribution is required to compensate the Public Treasury for the cost of favourable interest paid to the Fund on behalf of the subscriber. In order that he may know and enforce this liability, the Accountant General must ascertain from time to time the premia which are paid to these Funds by each subscriber on Foreign Service.

It should also be stated whether he is on Duty or on Leave, and, if the latter, for what period.

42. A Chaplain who retires on Medical Certificate before completing the periods of Residence and Service required by Section 40 will receive an Invalid Pension according to the following scale:—

|                                                 |                  |

(a) after competitive examination . . . . .

(b) after training at the Royal Engineering College at Coopers' Hill . . . . .

69. The full pension admissible under the Rules is not to be given as a matter of course, or, unless the service rendered has been really approved.

1. If the service has not been thoroughly satisfactory, the Local Government should make such reduction in the amount of pension as it thinks proper.

## QUALIFYING SERVICE.

## FIRST CONDITION.—SERVICE UNDER GOVERNMENT.

70. The service of an Officer does not qualify unless he is appointed, and his duties and pay are regulated by the Government, or under conditions determined by the Government.

## SECOND CONDITION.—PERMANENT AND SUBSTANTIVE EMPLOY.

74. Service does not qualify unless the Officer holds a Substantive Office on a Permanent Establishment but, upon such conditions as it may think fit, in

each case, to impose, the Government of India may allow temporary service to count for pension, if the pension does not exceed ten rupees a month.

2. Service in an office which, although at first created experimentally, or temporarily, eventually becomes permanent, qualifies; but this rule does not apply to the case of an officer who is entertained temporarily in one appointment and afterwards transferred to another substantive appointment.

3. An officer without a substantive appointment officiating in an office which is vacant, or the permanent incumbent of which does not draw any part of the pay or count service, may, if he is confirmed without interruption in his service, count his officiating service.

4. The service of a probationer who holds a substantive office and draws substantive pay qualifies. So does that of an Officer who is on probation for a substantive office, if he is employed in a vacancy reserved for him, pending probation, and in which no other Officer simultaneously counts service; but the service of an Officer in the Traffic Department of a State Railway before he passes the test examination does not qualify.

## THIRD CONDITION.—SOURCE OF REMUNERATION.

80. Service qualifies, or does not qualify, according to the source from which it is paid.

81. Service is paid as follows:—

From the General Revenues.

From Local Funds.

From Funds in respect of which the Government holds the position only of a Trustee.

By Fees levied by Law, or under the authority of the Government.

By Commission.

By the grant, in accordance with Law or Custom of a tenure in land, or of any other source of income, or right to collect money.

82. Service paid from the General Revenues qualifies.

83. Pensions for service paid, wholly or partly, from the Revenues of Herar, and, in certain cases, of Mysore—except in these cases, service in Mysore is "Foreign Service"—are charged to those Provinces wholly, or according to the Rule of Proportions, as the case may be.

*Note.*—Pensions granted to Officers and men of the Hyderabad Contingent under Military Rules, are charged to the Revenues of Herar by the same Rules.

84. The service of an Officer appointed, controlled, and paid by the Government counts, notwithstanding that the cost of his appointment may be defrayed, wholly or in part, otherwise than from the General Revenues.

85. Service paid from an Excluded Local Fund does not qualify; but this Rule shall not be held to prohibit the grant and payment of pensions under the general Rules of this Code by the authorised administrators of any such Fund. The Government is in no way responsible for the sanction or continuance of such pensions, and no standing order for their payment may be issued to or received by any Government Treasury.

*Exception.*—This Section does not apply to Establishments paid from Port Funds managed by Government; Service in such establishments is treated as qualifying; provided that pens on for service under a Port Fund is paid by the Port Fund, the rule of proportions being applied in the case of service paid partly from the Port Fund and partly from other sources.

86. Subject to any provisions of law applicable to the case, the Local Government may allow the Trustees, Committee, or Managers of an Incorporated Local Fund to treat service paid therefrom as qualifying.

87. Pensions for service paid from an Incorporated Local Fund must be paid from the Local Fund.

88. In certain exceptional cases, service paid from Local Funds qualifies.

89. Service paid from funds which Government holds only as a Trustee, such as under a Court of Wards or in an Attached Estate, does not qualify.

CHAPTER IX—continued.

90. (a) Service in an office paid only by fees whether levied by law or under the authority of Government, or by a commission, does not qualify.

(b) Service in an office paid by fees or by commission, in addition to pay from the General Revenues, qualifies.

91. Service paid by the grant, in accordance with law or custom, of a tenure in land, or of any other source of income, or right to collect money, does not qualify.

SUPERIOR SERVICE.

PERIODS OF LEAVE AND SUSPENSION.

96. An Officer belonging to any of the Classes described in Schedule B, except Class III. (2) counts far enough as service as follows:—

| <i>If the service of the Officer is not less than</i> | <i>He counts as service far enough for</i> |
|-------------------------------------------------------|--------------------------------------------|
| 20 years ... ..                                       | 2 years                                    |
| 25 " ... ..                                           | 3 "                                        |
| 30 " ... ..                                           | 4 "                                        |
| 35 " ... ..                                           | 5 "                                        |

This Section applies specially to Messrs. Schlich and Ribbentrop of the Forest Department.

97. Otherwise time passed on Leave other than Privilege or Subsidiary Leave does not count as Superior Service. Time passed on Leave subsidiary to Leave on Medical Certificate by an Officer who has twice before had Leave on Medical Certificate out of India does not count.

1. This Section applies to Leave on Medical Certificate taken even before 1856, notwithstanding that such Leave was reckoned as Service under the Old Pension Rules of the 4th of January, 1851.

8. The Local Government may commute retrospectively periods of absence without leave into Leave without Allowances.

99. Time passed under Suspension, pending inquiry into conduct, counts, if the suspension is immediately followed by re-instatement. Time passed under suspension adjudged as a specific penalty, does not count.

FORFEITURE OF PAST SERVICE.

100. An interruption in the service of an Officer entails forfeiture of his past service, except in the following cases:—

(a) Authorised Leave of Absence.

(b) Unauthorised absence in continuation of authorised leave of absence, so long as the office of the Absentee is not substantively filled; if his office is substantively filled the past service of the Absentee is forfeited.

Provided that, if the Absentee is subsequently re-instated, the Authority whose duty it is to make the appointment, within three months, or, the Local Government, within one year, from the end of the authorised leave of absence, may declare, in an order to be communicated to the Accountant-General, that his previous service, or any part of it, shall not be forfeited.

(c) Suspension immediately followed by re-instatement, which need not be to the same office.

(d) Abolition of Office.

(e) Transfer to non-qualifying service in an establishment under Government control. The transfer must be made by Competent Authority; an Officer who voluntarily resigns Qualifying Service, cannot claim the benefit of this exception. Transfer to a Grant-in-aid school entails forfeiture.

(f) Transfer to service on the Household Establishment of the Viceroy.

(g) Loss of appointment owing to the Mutiny, provided that the Officer affected cleared his character and was re-appointed as soon as a suitable vacancy was found for him.

(h) Transit from one appointment to another, provided that the Officer is transferred under the orders of Competent Authority, or, if he is a Ministerial Officer with the consent of the Head of his old office.

101. Resignation of the Public Service, or removal from it for misconduct, inefficiency, or failure to pass a prescribed examination, entails forfeiture of past service.

1. Pesignation of an appointment to take up another appointment service in which counts, is not held to be a resignation of the Public Service.

2. Any authority who, on revision or appeal, reverses an order dismissing an Officer, may declare that the past service of the reinstated Officer counts.

3. An Officer who resigned the Public Service before the 8th June, 1863, if he was a Superior Servant, or before 1st September, 1871, if he was an Inferior Servant, and was re-appointed to the Public Service within twelve months from his resignation, counts his service rendered before resignation. This Rule can be applied to only one resignation.

102. Upon such conditions as it may think fit, in each case, to impose:

(a) The Government of India may condone all interruptions in service not exceeding twelve months in all; and the Local Government may condone all interruptions not exceeding three months in all.

(b) If the proposed pension does not exceed fifty rupees a month, the Government of India may condone interruptions in service, whatever their duration; and the Local Government may exercise the same power if the pension is a provincial charge; otherwise it may condone interruptions not exceeding twelve months in all.

CONDITIONS OF AWARD OF PENSION.

103. Pensions are of four classes:

Compensation Pensions.

Invalid Pensions.

Superannuation Pensions.

Retiring Pensions.

A Gratuity is paid in a single sum, and not by instalments.

COMPENSATION PENSIONS.

104. A Compensation Pension is awarded to an Officer discharged from the Public Service, because on a reduction of Establishment his appointment is abolished.

INVALID PENSIONS.

105. An Invalid Pension is awarded, on his retirement from the Public Service, to an Officer who, by bodily or mental infirmity, is permanently incapacitated—

(a) For the Public Service, or

(b) For the particular branch of it to which he belongs.

(1) An Officer discharged on other grounds has no claim under this Section, even although he can produce medical evidence of incapacity for service.

107. If the Officer applying for pension is sixty years old or upwards, no Certificate by a Medical Officer is necessary; it suffices for the Head of the office to certify to the incapacity of the applicant. Otherwise incapacity for service must be established by a Medical Certificate.

109. If the incapacity is the result of irregular or intemperate habits, no pension can be granted. Otherwise, it is for the Local Government to decide whether the Officer's incapacity is such as to render it necessary to admit him to Invalid Pension.

1. An Officer who has submitted a Medical Certificate of incapacity for further service, must not except for special reasons to be reported to the Local Government be retained in active service pending a decision on his application for pension, nor can he obtain leave of absence. Without the further special sanction of the Local Government, service after the date of a Medical Certificate does not count for pension. The object of this Rule is to discourage tentative applications: but an Inferior Servant, or a Police Officer whose

## CHAPTER IX—continued.

pay does not exceed twenty rupees, and who, in the opinion of the Head of his Office, is fit for light work, may be retained in employment till his pension is sanctioned, provided that his place is not filled up till he retires, and that his service counts only to the date of his Medical Certificate.

## SUPERANNUATION PENSIONS.

110. A Superannuation Pension is granted to an Officer entitled or compelled, by Rule, to retire at a particular age.

1. Except as provided in Rules I A and 1 B, an Officer in a Superior Grade who has attained to the age of fifty-five years may be required to retire, unless the Local Government considers him efficient, and permits him to remain in the Service. But, as the premature retirement of an efficient Officer imposes a needless charge on the State, this Rule should be worked with discretion.

2. Officers in the Survey of India, of rank not lower than that of Assistant Surveyor, shall cease to be in employment on attaining the age of fifty-five years, unless specially permitted by the Secretary of State, in the interests of the public service, to remain in the Department for a further definite period.

3. After the age of fifty-five years a Civil Engineer in the Public Works Department, a Civilian in the Accounts Branch of that Department, or an officer in the Superior Branch of the Telegraph Department, shall not be appointed, either substantively or in an officiating capacity, to a grade other than that to which he may be attached at the time, nor permitted to continue in any grade, whether substantively or in an officiating capacity, to which he has been attached for five years and upwards, unless in any special case sanctioned by the Secretary of State. Nor can such an officer claim to retain any office for a longer period than may have been specially fixed by the Government of India (or Madras or Bombay, as the case may be), at the time of his appointment to the office.

*Note.*—The operation of the Rule in respect to Officers in the Superior Branch of the Telegraph Department should be postponed for two years from the 10th August, 1883, and no Officer shall be removed from the office held by him on the 10th August, 1883, by reason of the rule, until five years have expired from his first appointment to such office.

4. The Accountant-General will inform the Local Government whenever any Officer attains the age of fifty-five years, in order that the Local Government, being apprised of the fact, may take such action as it sees fit for the retention or otherwise of the Officer in question.

8. If an Officer, whose age is less than sixty years, is required to retire under Rule I, the head of his Office must certify the cause of the applicant's inefficiency. If the Officer wishes to retire of his own accord under Rule 5, the fact should be stated.

9. An Officer in Superior Service, who has attained the age of fifty-five years, may, at his option, retire from the Service on a Superannuation Pension.

10 (a). After the age of fifty-five years no Military or Naval Officer shall be appointed to a new office in civil employment, whether substantive or officiating; nor, except in special cases sanctioned by the Secretary of State, shall he be permitted to retain any such office which he has held for five years and upwards. Provided that a Military Officer employed in the Public Works Department cannot claim to retain any such office for a longer period than may have been specially fixed by the Government of India (or Madras or Bombay, as the case may be) at the time of his appointment to the office.

[*Note.* This Rule should be strictly enforced, unless the retirement of any officer should be considered by the Government under which he is serving to be injurious to the public interest.]

*Exceptions.* (1).—Medical Officers of the Administrative grades in the Service, namely, Surgeons-General and Deputy Surgeons-General, are not compelled to

retire from the Service until they attain the age of sixty years. A Deputy-Surgeon-General who has not attained the age of sixty years may be appointed to be Surgeon-General either permanently or temporarily.

(2). Medical Officers of the rank of Surgeon-Major or Brigade-Surgeon who entered the Service prior to the 13th January, 1860, may, on attaining the age of fifty-five years, be allowed to retain their appointments in the Civil Department for a period not exceeding three years, if they are permitted to remain in the Medical Service under the provisions of Article 8 of the Royal Warrant of the 16th November, 1860.

(b). The undermentioned officers cease to be in civil employment on attaining the age of fifty-five years:—

(i) Military Officers in the Survey of India, unless specially permitted by the Secretary of State, in the interests of the public service, to remain in the Department for a further definite period;

(ii) Brigade Surgeons or Surgeons-Major, who entered the service on or after the 13th January, 1869; and

(iii) All Warrant Officers, except Warrant Medical Officers, who on being reported to be qualified after examination as to fitness, shall be retained for a further period of three years.

## RETIRING PENSIONS.

111. A Retiring Pension is granted to an Officer who voluntarily retires after completing the requisite period of service.

## AMOUNT OF PENSION.

112. The amount of Pension that may be granted is determined by length of service, as set forth in Sections 113, 114, 115, and 116.

(1) An Officer entitled to Pension may not take a Gratuity instead of Pension.

## FOR SUPERIOR SERVICE.

113. Compensation and Invalid Pension may be granted for Superior Qualifying Service as follows:—

(a) After a service of less than fifteen years:—

A Gratuity not exceeding (except in special cases and under the orders of the Government of India) One Month's Emoluments for each completed year of service or twelve months' Emoluments in all. If the Emoluments of the Officer have been reduced during the last five years of his service, otherwise than as a penalty. Average Emoluments may, at the discretion of the Local Government, be substituted for Emoluments.

(b) After a service of not less than fifteen years, but less than twenty-five years:—

A Pension not exceeding one-third of Average Emoluments; and also, not exceeding Rs. 3,000 a year, or, if the Average Emoluments do not exceed Rs. 12,000 a year, Rs. 2,000 a year.

(c) After a service of not less than twenty-five years:—

A Pension not exceeding one-half of Average Emoluments; and also, not exceeding Rs. 5,000 a year, or, if the Average Emoluments do not exceed Rs. 12,000 a year, Rs. 4,000 a year.

[*Note.*—The Proviso under Section 111 applies to an Officer invalided on account of incapacity for further service, which incapacity is due to old age or natural decay from advancing years. In the case of an Officer whose Qualifying Service began after he attained the age of twenty-five years, the attention of the Examining Medical Officer should always be called to that Proviso, in order that he may adapt his Certificate accordingly.]

114. An Invalid Pension on the following Scale, but not being less than Rs. 1,000 or more than Rs. 2,000 a year, may be granted to an Officer belonging to any of Classes described in Schedule B, except Class III. The Government of India may, on special grounds, recommend for sanction by the Secretary of State the grant of an Invalid Pension on the same scale to an Officer belonging to Class III., provided that if he was not appointed by the Secretary of State, he be not of purely Asiatic descent.

## CHAPTER IX—continued.

| <i>If the qualifying service of the officer be not less than—</i> | <i>Forty-fifth parts of the officer's average emoluments.</i> |
|-------------------------------------------------------------------|---------------------------------------------------------------|
| 10 years ... ..                                                   | 10                                                            |
| 11 " ... ..                                                       | 11                                                            |
| 12 " ... ..                                                       | 12                                                            |
| 13 " ... ..                                                       | 13                                                            |
| 14 " ... ..                                                       | 14                                                            |

115. The amount of Superannuation Pension which may be granted for Superior Qualifying Service is that which would be admissible as an Invalid Pension.

*Proviso.*—If an Officer's Qualifying Service began after the 20th January, 1871, and after he attained the age of 25 years, the pension admissible under this Section is to be multiplied by a fraction, the denominator of which is 30 or, for Officers entitled to the benefit of Section 118 (a), 27, and the numerator the number of years' service completed, not exceeding 30, or, for Officers entitled to the benefits of Section 118 (a), 27, The limit of Rs. 2,000, Rs. 3,000, Rs. 4,000, or Rs. 5,000 is to be applied before, and not after, this multiplication.

116. A Retiring Pension may be granted for Superior Qualifying Service as follows:—

*After a service of not less than thirty years:*

The same in amount as an Invalid Pension admissible after twenty-five years' service.

117. In the following cases the several prescribed maximum limits of Rs. 2,000, Rs. 3,000, Rs. 4,000, and Rs. 5,000 a year may be relaxed.

- (a) For an Officer whose Average Emoluments exceed Rs. 10,000 a year, and who entered the Service before the 19th May, 1855, or whose salary before the 6th August, 1852, exceeded Rs. 10,000 a year the maximum pension is ordinarily Rs. 5,000 a year. But if the service of such an Officer has been of *extraordinary merit*, a pension exceeding Rs. 5,000 a year may be recommended for the sanction of the Secretary of State.
- (b) To an Officer who entered the Service before the 19th May, 1855, but whose Average Emoluments do not exceed Rs. 10,000 a year, the Secretary of State, on the recommendation of the Government of India, sometimes grants a Special Pension in excess of the prescribed maximum, for *unusually meritorious services*.
- (c) For a Native Judge who was in the service on the 29th October, 1866, the limit is ordinarily Rs. 5,000 a year.

[*Note.*—The limits which may be relaxed under the foregoing Rules are the *maximum money limits*, and not the limits of one-third or one-half Average emoluments.]

118. In the following cases, certain privileges exist in respect of the length of service required for pension:—

- (a) To an Officer, not being a native of Asia, whose qualifying service began after twenty-five years of age, and whose whole service for which pension is claimed has been passed in one or other of the following offices, pension is admissible after three years' less service than is required from other Officers:—

Directors of Public Instruction.

Inspectors of Schools.

Principals and Professors of Colleges.

Head-masters of Colleges and High Schools.

Barristers serving in Offices other than those mentioned in Section 115 to which the Local Government has, with the consent of the Government of India, declared it to be necessary to appoint Barristers.

[*Note.*—The only office concerning which this declaration has been made is that of Deputy Superintendent and Remembrancer of Legal Affairs, Bengal.]

- (c) The Government of India may, in special cases, add a period, not exceeding three years, to the

service of any Civil Engineer appointed to the Public Works Department before the 1st November, 1873, with initial rank higher than that of a First Grade Assistant Engineer. This concession will not, however, be granted to any Officer taken over, directly or indirectly, from one of the Guaranteed Railway Companies, who received a bonus on leaving the service of the Company.

119. To the following officers, being Barristers and not being Covenanted Civil Servants, viz.:—

Judges of the Chief Court of the Punjab;

First Judges of Small Cause Courts of Presidency towns;

Recorder of Rangūn;

Secretary to the Government of India in the Legislative Department.

Special Pensions are admissible as follows:—

- (a) After not less than six years and nine months' Active Service in one or other of the Offices specified in this Section,—an Invalid Pension of £300 a year.
- (b) After not less than eight years and eight months such service,—an Invalid Pension of £500 a year
- (c) After not less than eleven years and six months such service,—a Retiring Pension of £750 a year
  1. Active Service here includes, besides timespent on duty, whether in substantive or acting service, Privilege Leave, Subsidiary Leave, and periods of vacation during which the Officer is not on Furlough or Extraordinary Leave.
  2. Except as provided by this Section, these Officers come under the ordinary Rules.

## MUTINY PENSIONS.

165. The widow of an Uncovenanted Officer, who receives a pension on account of her husband having been killed in the Mutiny, retains half her pension on re-marriage. Her half pension is not increased on second widowhood.

168. A pension is payable in India monthly on the first day of the following month.

- (5) At the Home Treasury pensions are paid quarterly.

## PLACE OF PAYMENT.

172. A pension is payable as follows:—

I. If it is stated in Rupees—

- (a) At any Treasury of the Government of India in India; or,
- (b) If the Pensioner is resident elsewhere than in Asia, at his option at the Home Treasury of the Government of India, at the rate of exchange fixed yearly for the adjustment of financial transactions between the Imperial and Indian Governments.

The Rule for the payment at the Home Treasury of a pension at the rate of exchange fixed yearly for the adjustment of financial transactions between the Imperial and Indian Governments, applies to an Officer under covenant, who is entitled by his covenant to pension in accordance with the Rules applicable to Uncovenanted Officers; the covenanted rate of exchange for his pay and allowances does not, unless it is expressly so stated, apply to his pension.

174. Transfer of a Pension from the Home to an Indian Treasury is permitted whenever desired; but transfer of a Pension from an Indian to the Home Treasury is permitted only once.

### GENERAL RULES.

3. The Government of India reserves to itself the right of modifying the Rules in this Code as may from time to time seem to it expedient, and of interpreting these Rules in case of dispute. In all contracts for service in India to which the Secretary of State is a party, provision is made for the exercise by the Government of these rights.

4. Leave of Absence can never be claimed absolutely, as of right. Nothing in this Code must be understood to limit the free discretion of the Government to refuse or revoke Leave of Absence of any description, at any time, according to the exigencies of the Public Service.

1. If a Local Government, under this Section, refuse Furlough to a Member of the Bengal Covenanted Civil Service, it should report the refusal for the confirmation of the Government of India in the Home Department.

[*Note*.—The Local Government may refuse to grant the full amount of leave applied for in any case, and should by the exercise of this power so regulate the date of an officer's return from leave as to cause as little change as possible in administrative arrangements.]

5. (a) An Officer recalled to duty before the expiry of leave of any kind is entitled to take the balance of his leave, together with any leave of the same kind subsequently earned, as soon as he can be spared from duty.

[*Note*.—Time occupied in the voyage to India on recall from recognised leave out of India is not included in the balance of leave.]

(b) An Officer recalled to duty before the expiry of any recognised leave out of India is entitled to free passage to India and actual personal travelling expenses from the port of debarkation in India to the Station to which he is posted;

[*Note*.—During the voyages to and from India Leave Allowances only are granted.]

(c) An Officer recalled to duty before the expiry of leave in India, other than Privilege Leave, is treated as on duty from the date on which he starts for the Station to which he is ordered, and is entitled to his actual personal travelling expenses on his journey to the Station to which he is posted.

(d) An Officer recalled to duty from Privilege Leave is entitled to no concession except that mentioned in Clause (a).

6. If an Officer while absent on Leave during which the amount of his Leave Allowances depends upon the substantive or officiating rank or appointment which he

would hold if present on duty, obtains promotion, substantive or officiating, or an increase of Pay or Acting Allowance which involves no change in, or addition to, his duties or responsibilities, the promotion or increase has effect at once. Otherwise the promotion of an absent Officer has effect only from the date of his return to duty.

7. An Officer who is discharged from, or resigns, the Public Service, and is re-employed after an interval, cannot, without the sanction of the Government of India, count his service before discharge towards leave after re-employment.

*Exception*.—An Officer discharged from the Indian Navy on its abolition, and subsequently re-employed, may count his Naval Service towards leave after re-employment, notwithstanding the occurrence of a moderate interval between his discharge from the Indian Navy and his first re-employment. Any leave taken by such Officer while in the Indian Navy, will be treated, in calculating the leave due to him under this Rule, as if such leave had been taken under the Rules to which he became subject on re-employment.

8. Service as Private Secretary to the Governor-General or a Governor qualifies, provided that the Officer belongs to the Covenanted Civil Service or to the Staff Corps, or be onged (before his appointment as Private Secretary) to the Uncovenanted Service.

13. Subject to the Provisions of Section 55, if an Officer makes over charge of his Office before noon, his leave begins on and includes the day on which he makes over charge; otherwise, it begins on and includes the following day.

1. If the absence of the Officer does not involve the immediate deputation of any Officer from another Station, or any formal transfer of charge in the way of taking over money, or the like, then the Absentee may leave his Station at the close of the last day on which the Office is open for business before his leave begins. In such case the several transfers of charge dependent upon the departure of the Absentee shall take effect from the close of the last working day as aforesaid. But, subject to the provisions of Section 55, the leave of the Absentee and the re-arrangement of allowances, if any, depending upon his departure, shall begin from, and include, the first day thereafter on which the Office is open for business. The actual date of the Officer's departure from his Station must, however, always be reported.

## CHAPTER III.

### LIEUTENANT-GOVERNORS AND MEMBERS OF COUNCIL.

18. Leave on Medical Certificate for not more than six months may be granted to a Lieutenant-Governor. On resuming his duties after such Leave, a Lieutenant-Governor is entitled to half his salary for the period of his absence. If he is prevented from resuming his duties he is entitled to no Absentee Allowances. A Lieutenant-Governor is not entitled to any other Leave.

19. The leave admissible to an Ordinary Member of the Executive Council of the Governor-General, or of the Governor of Madras or Bombay, is regulated by Act of Parliament, Section 26 of 24 & 25 Vic., cap. 67, as follows:—

Section 26 of 24 & 25 Vic., cap. 67. It shall be lawful for the Governor-General in Council, or Governor in Council of either of the Presidencies, as the case may be, to grant to an Ordinary Member of Council, Leave of Absence, under Medical Certificate, for a period not exceeding six months, and such Member, during his absence, shall retain his Office, and shall, on his return and resumption of his duties, receive half his salary

for the period of such absence; but, if his absence shall exceed six months, his Office shall be vacated.

1. Subject to any special orders by the Government of India to the contrary.

Leave of absence granted to an ordinary Member of the Council of the Governor General (if taken out of India) commences on the day after such Member embarks at Bombay or Calcutta and ends the day before he disembarks at either of these ports: Provided always that such Member has not been relieved of the charge of his office until he embarks, and that he resumes charge immediately upon his disembarkation:

And the tenure by a Member of Council of his office begins when he takes his seat in Council under the usual salute, and the resignation of his office by a Member of Council whose successor has not entered upon his office, takes effect from the day following that of his embarkation at Bombay or Calcutta, or from the expiry of his five years' tenure of office, whichever date is earlier.

## CHAPTER IV.

## JUDGES OF HIGH COURTS AND CERTAIN LEGAL AND JUDICIAL OFFICERS.

*Regulations by the Secretary of State in Council of India under the provisions of 24 & 25 Victoria, Cap. 104, Section 6, respecting the furloughs \* \* \* of the Chief Justices and Puisne Judges of the High Courts of Judicature, for the Bengal Division of the Presidency of Fort William, Madras, Bombay and the North-Western Provinces; and Regulations by the Secretary of State in Council respecting the furloughs and leaves of absence of certain other Legal and Judicial Officers.*

## DEFINITIONS.

20. In the following Rules "Actual Service" includes—

- (1) Time spent on duty as a Judge or Officiating Judge of a High Court.
- (2) Privilege Leave of Absence.
- (3) Subsidiary Leave of Absence.
- (4) Duly authorised Vacations, provided that the Judge is not absent on Furlough or Extraordinary Leave.

"Native Judge" in the rules in this chapter means a Native of India (not being a Member of the Covenanted Civil Service appointed by the Secretary of State for India after competitive examination in England), who received his permanent appointment as Judge of a High Court after the 21st May, 1881.

"Extraordinary Leave" means any leave granted otherwise than under these Rules.

## FURLOUGH AND SUBSIDIARY LEAVE.

21. One year's Furlough shall be placed to the credit of each Judge, after the completion of every four years of Actual Service.

22. Except under Sections 25 and 26 no furlough shall be granted until at credit under Section 21.

Provided that any Judge who may have been already in the service of the Government at the time of taking office in the High Court, and who was, at that time, entitled under the Rules applicable to the branch of the Service to which he belonged, to Furlough, without Medical Certificate, may be granted Furlough for a term not exceeding that to which he was so entitled, upon the condition that such Furlough shall not be taken until the completion of two years' Actual Service in the High Court, and shall not exceed one year.

23. Except under Section 26, Furlough shall not be re-peated until after the completion of three years' Actual Service from the date of the last return from Furlough or Extraordinary Leave.

N.B. The words "Furlough," or "Extraordinary Leave," in the foregoing Section mean Furlough under these Rules, or Extraordinary Leave granted to any Officer since he has been a Chief Justice or Judge of a High Court.

24. The maximum term of Furlough to be taken at any one time shall be fifteen months.

25. Under Medical Certificate, Furlough may be granted before it is at credit under Section 21.

26. On Urgent Private Affairs, Furlough may be granted to a Judge other than a Native Judge, before it is at credit under Section 21, and although three years of Actual Service have not been completed since the last return from Furlough or Extraordinary Leave.

Provided that Furlough under this Section shall not exceed six months, and shall be granted only once during the whole period of a Judge's service in the High Court.

27. The aggregate amount of all Furlough which can be granted to a Judge, other than a Native Judge, during the whole period of his service in the High Court is two years and a half. Such aggregate amount in the case of a Native Judge is two years.

28. Furlough taken in India shall be reckoned from the date of the Judge's quitting his Office to the date of his return thereto. Furlough taken out of India shall be reckoned from the date of embarkation to the date of debarkation.

In the event of the Furlough being taken partly in India and partly out of India, the commencement and termination of the Furlough shall be respectively determined by the foregoing Rules, according as the Furlough begins or ends in or out of India.

29. For the interval elapsing between the date of quitting his Office and the commencement of Furlough out of India, and between the termination of Furlough out of India and resuming his Office, a Judge may be allowed Subsidiary Leave not ordinarily exceeding thirty days, which, in special cases, may be extended.

30. A Judge, other than a Native Judge, when on Furlough or Subsidiary Leave, shall receive allowances at the rate of Rs. 833-5-4 per mensem in the case of Leave taken in India, or £1,000 per annum in the case of Leave taken out of India.

31. A Native Judge, when on Furlough, either in or out of India, or on Subsidiary Leave, shall receive allowances at the rate of Rs. 700 a month.

32. Except under Medical Certificate, the number of Furloughs to be granted at any one time, and the grant of Furlough to individual Judges shall be subject to, and limited by, the exigencies of the Service, which exigencies shall be determined exclusively by the Authority granting the Furlough.

33. If, owing to the exigencies of the Service, it may be necessary to place any limit on the number of Judges who may be absent on Furlough at the same time, applications not supported by Medical Certificate will be granted in the following order:

The Judge to whose credit the greatest amount of Furlough remains under Section 21 shall have the preference.

If two or more Applicants are on an equality in this respect, the preference shall be given to the applicant whose actual service in a High Court is longest, reckoning, in the case of a Judge who has not taken Furlough or Extraordinary Leave, from the date of his commencement of service in the High Court, and, in the case of a Judge who has taken Furlough or Extraordinary Leave, from the date of his last return from such Furlough or Leave.

If two or more Applicants are equal in both respects, the preference shall be given to the senior in the Court.

## PRIVILEGE LEAVE.

34—(a). Subject to the exigencies of the Public Service, a Judge, who has completed eleven months' continuous duty including the Vacation, may take Privilege Leave for one month in each year; but, except as provided in Clause (b), his salary will cease during such Leave. A Judge may not take Privilege Leave in instalments, or more than a month at once; and, except as provided in Clause (c), Privilege Leave may not be combined with the Vacation.

(b) A Judge who is detained on duty as Vacation-Judge, may, during his next Privilege Leave, draw his salary for any period by which his vacation, consequently, falls short of one month.

(c) Once in three years, and not oftener, Privilege Leave, during which full salary is drawn under Clause (b), may be prefixed or affixed to the Vacation.

35. Section 34 does not apply to those Judges (23 in number) who were in office on the date of the publication of that Rule.

CHAPTER IV—continued.

36. Privilege Leave may be granted to any of the Officers referred to in Section 35, under the following Rules:—

- (1) Subject to the exigencies of the Public Service, Privilege Leave for one month may be granted to a Judge who has been on duty, without interruption, for eleven months, including the Vacation.
- (2) An additional month of Privilege Leave accrues to a Judge after each further period of eleven months' continuous duty including the Vacation.
- (3) Privilege Leave may not be taken in instalments; but any balance of Privilege Leave not taken when due may be added to the next Privilege Leave which accrues:

Provided that the whole Privilege Leave taken at one time shall not exceed three months, and that any accumulation of Privilege Leave beyond that period shall be forfeited.

- (4) Saving as provided in Rule (5), a Judge, when on Privilege Leave, shall receive half his salary
- (5) A Judge who discharges the duties of Vacation-Judge, during the whole or any part of a Vacation, shall be entitled, for each day of such duty, to draw his full salary for one day of any Privilege Leave which he may subsequently obtain.

GENERAL.

37. Furlough and Privilege Leave shall not be taken as such, in continuation of each other; but if a Judge absent on one of these classes of Leave be allowed to change it for another, the whole period of his absence shall be held to be under the class of Leave for which it was changed.

38. Applications for Leave shall in all cases be submitted in such manner as the Government may, from time to time, prescribe.

39. Leave Allowances shall be payable monthly if payment is taken in India, and quarterly if payment is taken in England.

40. No substantive appointment shall be vacated, merely by reason of Leave being granted under these Rules.

41. If a Judge shall overstay any Leave, he shall forfeit all salary during the time of his remaining so absent, and if he shall so continue absent for more than one week, his office shall be liable to become vacant. This Rule shall not operate to oblige any Judge taking leave, other than leave under Section 34, to return to duty on an authorised holiday, unless an Officer is officiating as Judge in consequence of his absence.

42. No Leave, except Privilege Leave and Leave Subsidiary to Furlough, shall count as service for pension.

43. If a Judge, who is a Covenanted Civil Servant or a Native Civil Servant, shall be permitted to resign his office and remain in the service, all Leave which he may have taken as a Judge of the High Court shall be reckoned as if it had been taken under the Rules for the Leave of Absence of Covenanted Civil Servants, or Native Civil Servants, as the case may be.

44. The foregoing Rules regarding Furlough and Leave of absence (Sections 20 to 43), are, with the modifications *A* and *B* below stated, applicable also to the following Officers, provided that they were before their appointment practising Barristers of England or Ireland, or practising Members of the Faculty of Advocates of the Court of Session of Scotland.

Judges of the Chief Court of the Punjab.

Recorders in Rangún.

First Judges of Small Cause Courts at Presidency Towns.

Secretary to the Government of India in the Legislative Department.

*Modifications indicated above.*

- (A) The Allowances of these Officers, while on Furlough or Subsidiary Leave, shall not exceed half their salaries, and shall be limited also to the rate prescribed in Section 30.
- (B) The Privilege Leave of the Secretary to the Government of India in the Legislative Department, the First Judge of the Small Cause Court at Calcutta, and of the Judges of the Chief Court of the Punjab shall be regulated by Sections 71 to 76.

## CHAPTER V.

COVENANTED CIVIL SERVANTS NOT BEING NATIVE CIVIL SERVANTS; MILITARY OFFICERS SUBJECT TO CIVIL RULES; AND UNCOVENANTED OFFICERS BELONGING TO ONE OF THE CLASSES ENUMERATED IN SCHEDULE A AND APPOINTED THERETO BY HER MAJESTY'S SECRETARY OF STATE, OR WITH HIS PARTICULAR SANCTION, OR WHOSE NAMES ARE ENTERED IN SCHEDULE B.

## GENERAL.

45. No Leave but Privilege Leave may be granted to a Covenanted Civil Servant who has completed thirty-five years' service, or to a Military Officer in Civil Employ, whether subject to Civil Rules or to Military Rules, who is more than fifty-five years old. Any Leave other than Privilege Leave granted to a Covenanted Civil Servant before such date ceases to have effect on such date, and any Leave other than Privilege Leave granted in the Civil Department to a Military Officer in Civil Employ before he is fifty-five years old ceases to have effect on his fifty-fifth birthday, on which date he reverts to Military Employ. The absentee allowances of a Military Officer in Civil Employ on Leave other than Privilege Leave become a Military Charge, and he becomes subject to Military Rules on his fifty-fifth birthday, whether his Leave was granted in the Military or the Civil Department.

[*Note*.—In applying this Section to Medical Officers of the Administrative Grades in the Service, namely, Surgeons-General, and Deputy Surgeons-General "sixty," or "sixtieth," as the case may be, should be substituted for the words "fifty-five" or "fifty-fifth" in the Section.]

46. An Uncovenanted Officer is eligible, after he attains the age of fifty-five years, for Privilege Leave, and also for any Special Leave (Sections 61 and 136) to which he may be otherwise entitled, and for no other kind of Leave. Any Leave, other than Privilege Leave or Special Leave, granted to an Uncovenanted Officer before the date on which he attains the age of fifty-five years, ceases to have effect on this date.

## FURLOUGH.

[*Note*.—The Local Government in the Civil Department may grant Furlough in *India* under Military Rules to a Military Officer subject to Military Rules who is entitled to Furlough under Chapter I. of the Rules published by G.O. in Military Department, No 171, dated 25th February, 1874. Such Furlough should be granted only upon a Certificate by the Government in the Military Department of the Presidency to which the Officer belongs, that he is entitled thereto; and a copy of the Order granting the Furlough should be sent to that Government.]

A Local Government may not, in the Civil Department, grant Furlough *out of India* under Military Rules to any Military Officer subject to Military Rules.]

47. The amount of Furlough admissible to a Covenanted Civil Servant, or a Military Officer subject to Civil Rules and the aggregate amount of Furlough and of Special Leave With Allowances, admissible to an Uncovenanted Officer, is limited to six years. All the Rules in this Code are subject to this limitation.

*Explanation*.—The following Leave under other Rules is counted as Furlough under this Section.

In the case of a Covenanted Civil Servant:—Furlough and Leave with Allowances on Medical Certificate under former Rules.

(1) Leave of the kind described in Definition "Active Service" (h), and Junior Furlough under the Rules in force before the 8th June, 1855, are not counted against an Officer under this Section.

[*Note*.—Junior Furlough was Medical Leave, involving loss of appointment taken before completion of three years' residence.]

In the case of a Military Officer subject to Civil Rules:—Furlough under Rules 1 and 6 of the Military Furlough and Leave Rules of 1875.

In the case of an Uncovenanted Officer:—Furlough and Leave With Allowances on Medical Certificate, and Leave on Private Affairs under former Rules, or under the Rules in Chapter X.

48. The amount of Furlough "earned" by an Officer is one-fourth of his Active Service.

1. Leave of the kind described in Definition "Active Service" (h) counts as Active Service under this Section.

*Proviso*.—(i) Provided that, in making this calculation for an Uncovenanted Officer, only half of the Active Service rendered by him in offices other than those included in Schedule A shall be taken into account.

1. The whole of the Active Service rendered by the Officer while officiating in any of the offices included in Schedule A is to be taken into account.

(ii) Provided also, that a Military Officer subject to Civil Rules may add to the furlough he may earn under Civil Rules, the proportion of furlough which, under Military Rules, would have become due to him for his service previous to the date from which he is entitled to count Active Service under the Rules in this Code.

49. The amount of Furlough "due" to an Officer is the amount which he has earned, diminished by—

In the case of a Covenanted Civil Servant:—

(1) The Furlough which he has enjoyed under these or any former Rules, except Junior Furlough under the Rules in force before the 8th June 1855;

(2) The excess over one year in the amount of Leave with Allowances, on Medical Certificate which he has enjoyed under former Rules.

In the case of a Military Officer subject to Civil Rules:—

(3) The Furlough which he has enjoyed under the Rules of this Code, or Rules 1 and 6 of the Military Furlough and Leave Rules of 1875.

In the case of an Uncovenanted Officer:—

(4) The Furlough, or special leave, with Allowances, which he has enjoyed under these or any other Rules;

(5) The Leave on Private Affairs or on Medical Certificate with Allowances, which he has enjoyed under the Rules formerly applicable to him.

*Proviso*.—Provided that if more than two years' Furlough be due to an Uncovenanted Officer when he first becomes subject to these Rules, the excess shall be cancelled.

50. To an Officer who has rendered three years' Continuous Service, Furlough for not more than two years may be granted, as follows:

On Medical Certificate,—unconditionally;

Without Medical Certificate,—subject to these provisos:—(1) That the Furlough be due to him; (2) that he have rendered eight years' Active Service; (3) that the whole number of Officers absent on Furlough and Special Leave do not exceed the limit (if any) appointed by the Government of India.

1. Except on Medical Certificate, or on very Urgent Private Affairs, Furlough or Special Leave may not be granted to any Covenanted Civil Servant or to any Military Officer subject to Civil Rules, or to any Uncovenanted Officer who is, if employed in Oudh, the Central Provinces, British Burma, Assam, Ajmer, Coorg, and Berar, a Member of the Commission, or who is, if employed elsewhere, the holder of an office corresponding to that of a Member of a Commission, if one-fifth of all the Officers of a Commission, or of

all Officers holding appointments similar to those of Members of a Commission, as the case may be, are already absent on Furlough or Special Leave.

51. Furlough granted under Section 50 may, on Medical Certificate, be extended to not more than three years.

52. To an Officer who has not rendered three years' Continuous Service, Furlough for not more than one year may be granted on Medical Certificate.

53. Furlough granted under Section 52 for less than one year may, on Medical Certificate, be extended to not more than one year.

54. (a). Subject to his good conduct and efficiency, an Officer on Ordinary Furlough, has a Lien on his substantive appointment, or on a substantive appointment of a like character and not less pay.

*Explanation.*—Ordinary Furlough includes—

(1) The first two years of each separate period of Furlough under Section 50, including any extension under Section 51;

1. Ordinary Furlough can, under no circumstances extend beyond two years at one time.

(2) So much of Furlough under Section 52, including any extension under Section 53, as may be due: Provided that the Officer has rendered six months' Continuous Active Service.

(b) On Other Furlough a Covenanted Civil Servant, or a Military Officer subject to Civil Rules, has no Lien; but an Uncovenanted Officer has a Lien.

(3) \*An Officer on Furlough has no claim to substantive promotion, but there is no objection to such promotion.

(b) An Officer cannot obtain Ordinary Furlough or retain allowances under Section 57, unless he has a substantive appointment. A Military Officer who has no substantive Civil appointment continues subject to Military Rules, and can only get Military Furlough Allowances.

55. (a) Saving as provided in Section 67, Furlough and Special Leave out of India begin on and include the day of the departure of the vessel in which the Officer sails, and end on and include the day before the arrival of the vessel in which the Officer returns.

*Definition.*—The day on which the vessel in which the officer sails quits her moorings or anchorage whether she leaves the limits of the port or not on that day is the day of the departure of the vessel. The day of arrival of the vessel in which the officer returns, is the day on which the vessel reaches her moorings or anchorage in port.

1. †An Officer may leave India, or return to India, by any port; but his Furlough or Special Leave begins on the vessel's departure from the port where he first meets it, and ends on the day before its arrival at the port where he last quits it.

*Example.*—The Furlough or Special Leave of an Officer sailing from Calcutta in a vessel which touches at Madras, begins on the departure of the vessel from Calcutta, and not from Madras.

2. ††An Officer serving in Persia or Arabia may leave the country in which he is serving, or return to it, by any port or frontier town except Aden. The date of his departure or return must be certified by the British Consul, or, if there be no British Consul, by the Officer himself.

4. †An Officer taking Furlough or Special Leave out of India must report his embarkation to the Local Government which granted his leave, and his arrival in England to the Secretary of State.

56. An Officer is not entitled, at the end of Furlough or Special Leave, or Subsidiary Leave affixed thereto, to resume, as a matter of course, without further orders, the particular appointment which he

vacated before his Furlough or Special Leave. He should report his return to duty in the manner prescribed in Section 165, Rule 6, and await orders.

57. An Officer on Ordinary Furlough is entitled, subject to the limitations prescribed in Sections 58 and 59, to a Leave Allowance equal to half his Average Salary.

58. The Maximum Leave Allowance of a Covenanted Civil Servant or a Military Officer subject to Civil Rules, on Ordinary Furlough is, if paid at the Home Treasury of the Government of India, £250 a quarter; if paid in India Rs. 833½ a month. The minimum is, if paid at the Home Treasury, £125 a quarter; or his last salary, whichever is less; if paid in India, Rs. 416½ a month, or his last salary, whichever is less.

59. The Maximum Leave Allowance of an Uncovenanted Officer on Ordinary Furlough is, if paid at the Home Treasury of the Government of India, £200 a quarter, or if paid in India, Rs. 666½ a month. There is no minimum.

1. An Officer on Furlough does not forfeit his past Leave Allowances by resigning the service without returning to India.

60. An Officer on Furlough other than Ordinary, is entitled, if a Covenanted Civil Servant, or a Military Officer subject to Civil Rules, to Subsistence Allowance; if an Uncovenanted Officer, to £120 a quarter paid at the Home Treasury, or Rs. 400 a month paid in India, or to one quarter of his Average Salary, whichever is less.

1. The following are the rates of monthly Subsistence Allowance for a Covenanted Civil Servant or a Military Officer subject to Civil Rules:—

|                                                                                         |         |
|-----------------------------------------------------------------------------------------|---------|
| To an Officer of not more than eight years' actual residence in India.                  | Rs. 250 |

| To an Officer of twelve or more years' actual residence in India                        | „ 400   |

*Note.*—The Monthly Subsistence Allowance of a Native Civil Servant when out of employ is as follows:—

|                                                                                           |         |
|-------------------------------------------------------------------------------------------|---------|
| To an Officer who has rendered not more than eight years' Active Service                  | Rs. 250 |
| To an Officer who has rendered more than eight but less than twelve years' Active Service | „ 320   |
| To an Officer who has rendered not less than twelve years' Active Service                 | „ 400   |

#### SPECIAL LEAVE.

61. Special Leave on Urgent Private Affairs may be granted at any time for not more than six months:

Provided that an Officer who has had Special Leave must render six years' active service before he can again have such Leave.

(1) The corresponding Leave under the Covenanted Civil Service Leave Rules in force before the 1st July 1868, is "Special Leave" within the meaning of this proviso.

(2) An Uncovenanted Officer is not debarred from obtaining Special Leave with allowances under this Chapter by reason of his having had Leave on Private Affairs under the Rules in Chapter X., which is Furlough in another form.

62. An Officer on Special Leave has a Lien on his Substantive appointment, or on a Substantive appointment of a like character and not less pay, as if he were on Ordinary Furlough.

63. For the first six months for which an Officer is on Special Leave, whether the six months be included in the same Leave or not, he is entitled to the Leave Allowance admissible under Sections 57, 58, and 59. Thereafter he is entitled to no Leave Allowance.

(1) The corresponding Leave under the Covenanted Civil Service Leave Rules in force before the 1st July, 1868, is "Special Leave" within the meaning of this Section.

\* Applies to all Officers.

† Applies to a Military Officer subject to Military Rules.

†† Applies to all Officers excepting Officers subject to Chapter X.

## SUBSIDIARY LEAVE.

64\*.—(a) Subsidiary Leave is the time allowed—

- (1) To an Officer leaving India, on retiring from the Service, or on Furlough or Special Leave, to break up his domestic establishment and travel to the port of embarkation, and
- (2) To an Officer returning to India from Furlough or Special Leave, to travel from the port of debarkation and re-organise his domestic establishment.

*Note.*—The use of the words, "port of embarkation" and "port of debarkation" limits the grant of Subsidiary Leave to an Officer leaving India by sea, that is, at an Indian sea-port. No Subsidiary Leave is admissible to an Officer who does not leave India by sea.

(b) The grant to an Officer leaving India—

- (1) Of permission to retire from the Service, or
- (2) Of Furlough or Special Leave out of India, carries with it the grant of Subsidiary Leave, including in Case (2), Subsidiary Leave on his return to duty.

65.\* The minimum Subsidiary Leave is ten days; otherwise Subsidiary Leave is calculated as Joining Time is calculated. (Section 160, Rule 2.)

*Note.*—All the provisos to Rule 2 under Section 160 apply equally in the case of Subsidiary Leave.

66.\* If an Officer eventually fails to obtain the medical certificate required by Section 79, Rule 11 or 14, he is entitled to Joining Time from the date on which the decision of the Medical Board or Officer is communicated to him to enable him to return to his appointment. During this Joining Time, his allowances are regulated as if he was on Subsidiary Leave.

67.\* An Officer may take Furlough or Special Leave, partly in, and partly out of, India. But Subsidiary Leave is not admissible unless the Furlough or Special Leave begins, or, as the case may be, ends, as Furlough or Special Leave out of India.

*Proviso.*—If an Officer going on Furlough or Special Leave out of India, is prevented by sickness or other urgent and adequate reason not within his own control, such, for example, as the postponement of the departure of the vessel in which his passage is engaged, from embarking within his Subsidiary Leave, the Local Government may order that his Furlough or Special Leave shall begin in India at the end of his Subsidiary Leave, without forfeiture of his Subsidiary Leave.

1. In the absence of such special order, if an Officer remains in India after the end of Subsidiary Leave, his Furlough or Special Leave dates from the beginning of his Subsidiary Leave.
2. †An Officer returning to India, without the permission of the authority which granted him Leave, more than fourteen days before the end of his Furlough or Special Leave, is not entitled to Subsidiary Leave, save under the special orders of the Local Government.

68. An Officer on Subsidiary Leave under Section 64 (a), (1), has, or has not, a lien on an appointment according as he has, or has not, such lien on the first day of the leave to which it is subsidiary.

*Note.*—A Military Officer subject to Military Rules does not lose his lien during Subsidiary Leave preparatory to Furlough.

69. An Officer on Subsidiary Leave under Section 64(a), (2), has, or has not, a lien on an appointment according as he has, or has not, such lien on the day last preceding the Subsidiary Leave.

70. An Officer on Subsidiary Leave is entitled to allowances as follows:—

- (a) If the leave be Subsidiary to Special Leave and the Officer have had leave subsidiary to a former Special Leave: no allowance.

\* Applies to a Military Officer subject to Military Rules.

† Applies to all Officers, including Military Officers, subject to Military Rules.

(1) The corresponding Leave under the Covenantant Civil Service Rules in force before the 1st July, 1864, is Special Leave within the meaning of this Clause.

(b) If the leave be subsidiary to Ordinary Furlough or Special Leave:—the allowance admissible under Section 57, but calculated, in the case of a Covenantant Civil Servant, or a Military Officer subject to Civil Rules, without the limitations of Maximum or Minimum prescribed by Section 58. The limitations prescribed by Section 59, apply to the allowances of an Uncovenantant Officer on Subsidiary Leave.

(c) If the Leave be Subsidiary to Furlough other than Ordinary, the allowance admissible under Section 60.

(d) If the Officer, under Section 165, have ceased to have a lien on a substantive appointment—as, for example, if a Covenantant Officer has been absent on Extraordinary Leave in extension of Furlough—in the case of a Covenantant Civil Servant, or a Military Officer subject to Civil Rules:—Subsistence Allowance; and, in the case of an Uncovenantant Officer:—no allowance.

(e) If the leave be preparatory to retirement, the allowances which would be admissible if the officer were proceeding on leave of such description as may be admissible to him. And if no leave is admissible, subsistence allowance only. (28. (Financial Department No. 2429, dated 25th July, 1884.—(19) No. 1346, dated 30th May, 1884.)

1. \*An Officer may draw allowances as if he were on Privilege Leave for any part of his Subsidiary Leave under Section 64 (a), (1), for which, if he were not retiring from the Service, or going on Furlough or Special Leave, Privilege Leave would be admissible to him. It is to be observed that an Officer who has no lien on an appointment cannot benefit by this Rule (see Rule 3 under Section 76).

## PRIVILEGE LEAVE.

[The Rules in this Chapter apply to Military Officers subject to Military Rules.]

71. The amount of Privilege Leave admissible at one time is limited to three calendar months.

72. The amount of Privilege Leave earned by an Officer is one-eleventh part of the time during which he has been on duty without interruption: Provided that no Privilege Leave can be earned by an Officer by duty done, while three months' such leave is due to him, and that, whenever duty is interrupted, all claim to Privilege Leave earned theretofore is forfeited. Absence on Privilege Leave, though not counting as duty, is not an interruption of duty within the meaning of this Section.

1. The calculation must be made as follows:—One calendar month for every eleven complete calendar months of duty, and one day for every eleven days of the balance.

4. "Examination Leave" may, if the Examination for which it is granted be successfully passed, or unless the Officer has already had twelve months' Examination Leave, count as duty qualifying for Privilege Leave. "Examination Leave" does not interrupt duty within the meaning of this Section, unless in the case of leave granted under Clauses (c) and (d) of Rule 1 in Section 77, the Officer fails to pass the Examination for which the Leave is granted.

73. The Privilege Leave due to an Officer is the Privilege Leave which he has earned, less the period during which he has been absent on Privilege Leave.

1. Privilege Leave is not admissible to—

- (a.) Officers serving in Departments in which regular vacations are allowed, during which the officers are permitted to be absent from duty (e.g., Uncovenantant

\* Applies to a Military Officer subject to Military Rules.

Judicial Officers, Educational Officers, Officers in a High Court).

- (b.) District and Sessions Judges who are permitted to avail themselves of the periodical court vacations.

But in case of urgent necessity, Privilege Leave may be granted to any such officer under the ordinary Rules, subject to the conditions (1) that the officer shall during his absence receive only half the salary and allowances ordinarily admissible during Privilege Leave, and (2) that the leave cannot in any case be combined with vacation.

2. Rule 1 does not apply to the case of an officer who is, by general or special orders issued by competent authority, prevented in any year from availing himself of the vacation or vacations by reason of his having to remain at his post on duty. In such a case Privilege Leave may be granted under the ordinary Rules; provided always that the leave shall not in any case be combined with vacation.

3. An officer who is, by general or special orders issued by competent authority, prevented from availing himself of a part only of a periodical vacation may, during Privilege Leave subsequently taken, draw his full salary for a period bearing the same proportion, if the vacation be annual, to a month, or if it be half-yearly, to half a month, as the time spent on duty during the vacation bears to the whole vacation.

*Note.*—This Rule operates only in the case of an Officer who is absent during vacation, when Privilege Leave earned under the operation of the Ordinary Rules is not due to him. In cases in which Privilege Leave under the Ordinary Rules is due, enjoyment of the vacation, or part thereof, not exceeding the amount of Privilege Leave due, shall be considered in reckoning the amount of Privilege Leave afterwards due.

74. To an Officer who has been on duty, without interruption, for eleven calendar months, and who has not, for six calendar months, been absent on Privilege Leave, the whole or any part of the Privilege Leave due to him may be granted.

1. An Officer applying for Privilege Leave must record a declaration that he has no intention of retiring or of taking Furlough, Special Leave, Subsidiary Leave, Leave on Private Affairs or Leave on Medical Certificate for three months after his return to duty. Though not absolutely debarred by this declaration from applying for permission to retire or to take such leave within the three months, he should, if he does so, explain his change of mind.

75. An Officer on Privilege Leave has a lien on his substantive appointment; he has also a lien on his officiating appointment, so long as it is not resumed by an Officer having a superior lien on it.

76. An Officer on Privilege Leave is entitled to a Leave Allowance equal to the salary which he would receive if he were on duty in the appointment on which he has a lien.

1. If Privilege Leave is granted to an Officer who holds an appointment sanctioned only for a limited time and for a special purpose, he is not entitled, during Privilege Leave, to any Special Allowance attached to the appointment.

2. An officer on Privilege Leave is entitled to a Leave Allowance equal to his salary, even though another Officer be appointed to act for him.

3. An officer who has no lien on an appointment is entitled, during privilege leave—

In the case of a Covenanted Civil Servant, or a Military Officer subject to Civil Rules—to Subsistence Allowance.

In the case of an Uncovenanted Officer to no allowance.

#### EXAMINATION LEAVE.

[The Rules in Section 77 do not apply to Officers employed in the Public Works Department, in the Survey Department under the Surveyor General of India, or in the Forest Department: the Rules in this Chapter apply to Military Officers subject to Military Rules, serving in any other Civil Department.]

77. The following Rules regulate the grant of Leave to enable Officers to appear at Examinations:—

- (1) (a) A Covenanted Civil Servant or a Military Officer subject to Civil Rules, who is a candidate for a reward, by the Higher Standard in Persian or Sanskrit, or by the High Proficiency Standard in the vernacular languages or Sanskrit, or the Burmese Language, or by the Degree of Honor Standard in the Vernacular languages or Sanskrit, is entitled to Joining Time to and from the place of examination, besides leave for the day or days of examination.

- (b) A candidate for a reward by the Higher Standard in Arabic, or for High Proficiency in Arabic or Persian, may be allowed leave for one month, and if he passes the examination, for two months.

- (c) The maximum Leave for two months authorised by Clause (b) may be prefixed to the examination if the candidate undertakes to spend it in study under professional tuition at a Presidency Town.

- (d) An Officer, who is a candidate for the Degree of Honor in Arabic or Persian, may be allowed, instead of the leave for two months provided in Clause (c), leave for three months to Persia for Persian; and to Arabia, Mesopotamia, Egypt or Syria, for Arabic.

- (2) An Officer on Leave under Rule 1 has a lien on his appointment, substantive or officiating, and is entitled to Leave Allowances, as if he were on Privilege Leave for an aggregate maximum period of twelve months.

- (3) An officer while absent from his Office or from his Station to attend an obligatory Departmental Examination, or (in the Punjab) an examination in Pushtu or Biluchli, is considered to be on duty.

- (4) Leave may not be given under Rule 3 to an Officer to prepare for examination, or for recreation after examination. A reasonable time, including the day or days of examination should be allowed for the journey to and from the place of examination, and nothing more.

- (5) Leave may not be granted under this Section to a Military Officer subject to Military Rules to enable him to pass an examination under the orders of the Government of India in the Military Department, No. 1009, dated 3rd December, 1866.

#### EXTENSION AND COMMUTATION OF LEAVE.

78. Except as provided in Section 61, no kind of Leave can be granted in continuation of any other kind; but any Leave granted under the Rules in this Code may be, retrospectively, changed for any other kind or period of Leave which might, at first, have been granted:

Provided that the grant, or extension of Furlough, under this Rule (otherwise than on Medical Certificate), is subject to *Proviso (3)* under Section 50.

- (1)\* An Officer absent on Furlough or Special Leave out of India, who wishes to have his Leave extended or commuted, must apply to the Secretary of State, and produce, with his application, evidence that the Local Government, or, if he is an Officer serving under the direct orders of the Government of India, that the Head of his Department had been referred to by him, and that the Local Government, or the Head of his Department, as the case may be, had no objection to the extension or commutation desired. This Rule will be strictly enforced, and Officers returning to India at times other than those fixed for them by their own Government or the Head of their Department, as the case may be, must understand that they are liable to be kept on subsistence allowance until a suitable vacancy occurs to which to post them. The Secretary of State, however, reserves to himself the power of granting extension or commutation

of leave to an Officer in any case in which it appears to him that sufficient ground has been shown for the application being made, without the previous approval of the Local Government, or the Head of the Department, as the case may be; but in the event of it being found necessary by the Secretary of State to communicate with the Government of India, or the Government of Madras or Bombay by telegraph in regard to any such application, the cost of the telegrams to and from India, will be charged to the applicant.

#### APPLICATIONS FOR LEAVE.

79. Every Application for Leave is to be submitted to the Local Government.

(1)\* When a Gazetted Officer applies for Leave, he should quote the Section or Rule of this Code under which he considers himself entitled to the leave.

(16) If the Officer is going on Leave out of India, he should take with him one copy of the Medical Report upon his case.

(17)\* A duplicate of the Medical Report upon the case of an Officer going to Europe on Medical Certificate should be forwarded through the Government under which the Officer is employed.

80. If under the operation of Proviso 3, Section 50, the applications for Furlough (including those under Section 78) cannot all be complied with, Furlough will be granted in the following order:—

*First.* To the Applicant to whom most Furlough is due:

*Secondly.* Of two or more Applicants to whom the same amount is due;—to him who has rendered longest Continuous Active Service:

*Thirdly.* Of two or more such Applicants who have rendered the same Continuous Active Service, — to the Senior.

## CHAPTER VI.

### NATIVE CIVIL SERVANTS.

81. During Leave on Medical Certificate in excess of 15 months at one time or of 30 months in all, and during Subsidiary Leave following such excess Leave, a Native Civil Servant is entitled to a quarter of his Average Salary. During any other Leave excepting Privilege Leave, Examination Leave or Extraordinary Leave, he is entitled to half his Average Salary:

Provided that his Leave Allowance shall not exceed his actual salary when he was last before on duty.

92. Leave on Medical Certificate may be granted for three years in all, but not for more than two years at one time.

83. A Native Civil Servant may take either Leave on Private Affairs or Furlough, as follows, but not both these kinds of Leave:—

a) Leave on Private Affairs may be taken, first, after not less than six years' service, and, thereafter, at intervals of not less than six years. The duration of Leave on Private Affairs must not exceed six months at one time.

Furlough, not exceeding two years in all, may be taken, first, after not less than ten years' service, and, thereafter, at intervals of not less than eight years. The duration of Furlough must not exceed one year at one time, unless it be taken, for the first time, after not less than eighteen years' service, when it may extend to two years.

84. Subsidiary Leave, Privilege Leave and Examination Leave may be granted to a Native Civil Servant under Sections 64–70, 71–76 and 77, respectively.

85. The Local Government may grant Extraordinary Leave without allowances at its discretion. Subject to the provisions of Section 88, there is no limit to the length or frequency of Leave under this Section; and it may be granted in continuation of any leave with allowances excepting Privilege Leave.

86. Leave taken by a Native Civil Servant before his appointment to an office in the Covenanted Civil Service, shall, for the purpose of calculating the Leave admissible to him under this Chapter, be treated as Leave taken under this Chapter.

87. Leave on Private Affairs or Furlough may not be granted in continuation of any Leave except Subsidiary Leave; but any Leave granted under these Rules may be retrospectively changed for any other kind or amount of Leave which might at first have been granted. If a Native Civil Servant absent on Privilege Leave, Leave on Private Affairs, or Furlough, takes extension of Leave on Medical Certificate, the whole of his absence must be treated as Leave on Medical Certificate.

1. Extraordinary Leave cannot be changed retrospectively into Leave on Medical Certificate; but Leave on Medical Certificate may be given in continuation of Extraordinary Leave.

88. A Native Civil Servant who has reached the age of fifty-five years, is not eligible for any Leave, excepting Privilege Leave. Leave, other than Privilege Leave, granted to a Native Civil Servant before his fifty-fifth birthday, cannot extend beyond that date.

89. If a Native Civil Servant is absent without leave, or remains absent after the end of Leave (excepting Privilege Leave, in which case a week's grace is allowed), he vacates his appointment; and, after five years' continuous absence from duty, whether with or without leave, a Native Civil Servant ceases to belong to the Public Service.

1. A Native Civil Servant who takes Leave other than Privilege Leave or Examination Leave, has no claim to return to the particular appointment from which he took Leave.

90. The procedure upon Application for Leave is that prescribed in Sections 79 and 80.

CHAPTER IX—continued.

(c) The Furlough of a Chaplain is strictly limited to a period of three years at one time, and cannot be extended even without Allowances. If he were not retiring from the Service or going on Furlough or on Special Leave, Privilege Leave would be admissible to him.

PRIVILEGE LEAVE.

122. Privilege Leave may be granted as follows:—

After five months' uninterrupted duty,—for not more than one month.

After ten months' uninterrupted duty,—for not more than two months.

After fifteen months' uninterrupted duty,—for not more than three months.

1. In applying for Privilege Leave a Chaplain must record a declaration that he has no intention of retiring or of taking Furlough, Special Leave, Subsidiary Leave or Leave on Medical Certificate for three months after his return to duty. Though not absolutely debarred by this declaration from applying to retire or to take such leave within three months, he should, if he does so, explain his change of mind.

2. A Chaplain may not take Privilege Leave in instalments.

[Except where they are explanatory of points in which the provisions of Chapter V differ from those in this Chapter the Rules in Chapter V which are not expressly restricted to Covenanted Civil Servants, Military Officers, or Uncovenanted Officers subject to the Rules in that Chapter, apply to Officers subject to the Rules in this Chapter.]

EXTENT OF APPLICATION.

126. The following Rules apply to Officers who have Substantive Appointments on permanent establishments under the Government, and who are not entitled to Leave under the Rules in Chapters III, IV, V, VI, VII, VIII and IX.

127. These Rules apply fully only to those whose pay is not less than Rs. 100. But Leave may be granted under them to an Officer, whether he be in Superior or Inferior Service, whose pay is less than Rs. 100, so far

as it can be done without imposing any cost upon the State. The Absentee Allowance of the substantive incumbent must not exceed what remains from the pay of the appointment after provision is made for the efficient discharge of his duties during his absence. No Leave in excess of the Leave admissible under these Rules may be granted to such an Officer, with allowances, or counting as service for pension.

LEAVE ON MEDICAL CERTIFICATE.

128. Leave on Medical Certificate may be granted

## CHAPTER X—continued.

for three years in all, but not for more than two years at one time; and no Officer can have Leave on Medical Certificate out of India more than twice.

129. An Officer on Leave under Section 128 is entitled to Half his Average Salary for the first fifteen months of each period of absence, but not for more than thirty months in all. For the rest of his leave under Section 129 he is entitled to a Quarter of his Average Salary.

## LEAVE ON PRIVATE AFFAIRS.

130. Leave on Private Affairs for six months may be granted to an Officer who has not had Furlough, after six years' service, and repeated after intervals of six years.

- (1) Leave on Private Affairs does not accumulate, and cannot be taken in instalments.
- (2) Leave on Medical Certificate counts as service for Leave on Private Affairs.

131. An Officer on Leave under Section 130 is entitled to Half his Average Salary.

- (1) An Officer does not forfeit the allowance to which he is entitled under this Section by resigning the Service at the end of the Leave.

## FURLOUGH.

132. Furlough may be granted as follows to an Officer who has not had Leave on Private Affairs:—

After ten years' service, one year or any less period, and thereafter at intervals of not less than eight years, one year or any less period.

Or,—after eighteen years' service, two years or any less period, and thereafter at intervals of not less than eight years, one year or any less period.

Provided that not more than two years in all may be granted.

- (1) Leave on Medical Certificate counts as service for Furlough.
- (2) Leave on Private Affairs under the Rules in force before the 8th June, 1863, does not prevent the grant of Furlough under this Section.

133. An Officer on Furlough is entitled to Half his Average Salary.

## LEAVE WITHOUT ALLOWANCES.

134. Extraordinary Leave Without Allowances may, in case of necessity, be granted for such time as may be necessary. Time spent on Leave under this Section does not count as service for other Leave. Subject to the provisions of Section 142, there is no limit to the length or frequency of Leave under this Section, and it may be granted in continuation of Leave on Medical Certificate and Leave on Private Affairs, or Furlough, but not in continuation of Privilege Leave.

## SUBSIDIARY LEAVE.

136. An Officer going on or returning from Leave out of India on Medical Certificate, Leave on Private Affairs, or Furlough, or going on or returning from Leave on Medical Certificate to a Sanatorium, is entitled to Subsidiary Leave under the Rules in Chapter V.

137. An Officer on Subsidiary Leave prefixed to other Leave is entitled to Half his Average Salary. An Officer on Subsidiary Leave following other Leave is entitled to Half his Average Salary, or one Quarter of his Average Salary, according to the rate of allowance to which he may be entitled at the end of the Leave to which it is subsidiary.

- (1) But see Section 70 (d) Rule 1.
- (2) Subsidiary Leave on half-pay for a period not exceeding fourteen days may be given to an Officer preparatory to his retirement from the

Service, provided that the grant causes no additional expense to the State.

## PRIVILEGE LEAVE.

138. Privilege Leave may be granted in accordance with the Rules in Sections 71–76; provided that no non-gazetted Officer whose salary is less than Rs. 200 a month can draw any allowances for time passed on Privilege Leave until he returns to duty.

## EXAMINATION LEAVE.

139. An Officer permitted to present himself at any examination which must be passed before a person is eligible for a higher subordinate appointment in any branch of the Unconvenanted Service, such as a Deputy-Magistracy, may, under the orders of the Local Government, be allowed Leave of Absence for the number of days which is actually necessary to enable him to attend at the Examination. During this Absence, which is expected to be short, no deduction will be made from the Officer's allowances, unless the Head of the Office finds such deduction necessary to enable him to make arrangements for carrying on the work. Such leave should not be allowed more than twice for each standard of examination.

140. The Master of a Government School in Bengal in receipt of a salary not exceeding Rs. 200 a month while absent from his Office with the object of studying to qualify himself as a Teacher of Surveying, is considered to be absent on duty or on special deputation, provided that such period of absence shall not exceed three months.

## GENERAL.

141. Leave on Private Affairs and Furlough cannot be taken in continuation of any Leave except Subsidiary Leave; but any Leave granted under these Rules may be retrospectively changed for any other kind or amount of Leave which might at first have been granted; and, if an Officer absent on Privilege Leave, or on Leave on Private Affairs, or on Furlough, take extension of Leave on Medical Certificate, the whole of the absence will be treated as Leave on Medical Certificate.

- (1) Extraordinary Leave without allowances cannot be converted retrospectively into Leave on Medical Certificate, but Leave on Medical Certificate may be given in continuation of Extraordinary Leave without allowances.

142. No Officer's appointment becomes vacant, simply by reason of his taking Leave under these Rules. But Absence without Leave, or after the end of Leave (excepting Privilege Leave, in which case a week's grace is allowed) involves loss of appointment; and after five years' continuous absence, whether with or without Leave, an Officer is considered to be out of Government employ.

- (2) An Officer who goes on Leave out of India has no claim to return to the particular local appointment from which he took Leave.

## APPLICATIONS FOR LEAVE.

143. (a) Leave may be granted to an Officer by the Authority whose duty it would be to fill up his appointment if vacant. The Local Government may empower Heads of Departments to grant Privilege Leave to Officers under their orders, who are appointed by Government; but if the Officer, to whom Leave is granted, be a Gazetted Officer, the grant of Leave must be reported to the Local Government.

\* See Rule 7 under Section 93, Civil Pension Code.

# CHAPTER XI.

145. Furlough may be taken to the extent of four years during the entire period of service in the following instalments, viz., after ten years' service two years, and after every subsequent eight years, one year on an allowance of half the average pay for the last three years. Provided that no Furlough can be granted to an Officer who has taken Leave on Medical Certificate until three years after his return from Leave on Medical Certificate.

If a portion of an instalment is taken, the remainder may be added to any later instalment: provided that not more than two years' Furlough may be taken at one time.

146. Leave on Medical Certificate may be taken to the extent of three years during the whole period of service, but not for more than two years at a time, and not more than twice out of India. Such Leave cannot be taken for more than one year except after three years' Continuous Service immediately preceding. Leave on Medical Certificate cannot be counted as service for Furlough, and no Leave on Medical Certificate can be taken while any Furlough is due. An Officer on Leave under this Section is entitled to half his average pay for the first fifteen months of each period of absence, but not for more than thirty months in all. For the rest of his Leave under this Section he is entitled to a quarter of his average pay. The minimum furlough allowance during Leave on Medical Certificate to the Officer to whom any allowance is due shall be:—

|                                                                    | Rs.          |

(b) For the first six months for which an Officer is on Special Leave, whether the six months be included in the same Leave or not, he is entitled to Leave Allowance of half his average pay for the last three years.

(c) Thereafter he is entitled to no Leave Allowance. 148. Subsidiary Leave on half average Pay, on the terms and conditions prescribed in Sections 64 and 65 of the Code, may be prefixed and affixed to Furlough, Leave on Medical Certificate, and Special Leave on Urgent Private Affairs, taken out of India.

149. Privilege Leave may be taken either—

(a) As provided for Officers in Sections 71—76; or

(b) For a period of two months in every twelve, on half pay (which cannot be accumulated) on a Medical Certificate showing that the applicant requires, through sickness, more leave than he could take under the ordinary Privilege Leave Rules in Sections 71—76. When such Leave is taken in extension of ordinary Privilege Leave, the period of ordinary Privilege Leave first taken under Clause (a) must be commuted to double the period on half pay under Clause (b). Leave taken under this Clause shall be reckoned as Active Service. Provided that if Leave taken under this Clause be extended under Medical Certificate, the whole of the Leave shall be treated as Leave on Medical Certificate under Section 146.

(c) The Leave authorised in Clause (b) may be taken in instalments; but a Pilot may not take Leave under Clause (a) for eleven months after his return to duty from his last Leave taken under Clause (b).

150. A Pilot is eligible after he attains the age of fifty-five years for Privilege Leave, and for any Special Leave on Urgent Private Affairs to which he may be otherwise entitled. No Leave other than Privilege Leave or Special Leave on Urgent Private Affairs, granted to a Pilot before his fifty-fifth birthday, has effect after that date.

151. Privilege Leave may be granted to the men employed in the Port Blair Police Force as under:—

Such Leave cannot be claimed as a right, and will only be granted when it can be given without inconvenience to the Public Service. During Privilege Leave full pay is admissible.

152. While sick in hospital at Port Blair or Nancowry allowances are granted as follows:—

|                     |                                                  |        |

153. Furlough and Sick Leave to India is granted to Inspectors and Sub-Inspectors under the Rules in Chapter X.

154. Furlough to unmarried men, or men whose families remain at their homes in India, may be

given in turn after five years' Continuous Service in the Settlement. Furlough may also be given, in special cases, at the discretion of the Superintendent, to married men having their families at the Settlement, after a continuous service of not less than five years.

155. Such Furlough carries with it half-pay, and may be for periods of from four to six months, according to the distance of the applicant's home from Calcutta.

156. Leave-men proceeding to India should be employed, ordinarily, on the voyage in guarding transferred convicts, and when not required for the purpose they may be granted deck passages at the expense of Government.

157. From the port of debarkation they will proceed to their homes at their own expense, and on the expiration of their Furlough they will report themselves to the Commissioner of Police, Calcutta, with a view to their employment as convict guards on the return voyage. If not required for this purpose, they may be granted a deck passage at the public expense.

158. The total number of men on Leave at one time from all causes other than Privilege Leave shall not exceed ten per cent. of the Force.

159. Absence without Leave is punishable by dismissal or forfeiture of pay.

## CHAPTER XIII.

## JOINING TIME.

160. **Joining Time** is the time allowed to an Officer to proceed from one Station to another when his appointment is changed, or when, being unemployed, he is appointed to any office. An Officer is held to be on duty during Joining Time, if he is entitled to allowances.

1.—Only one day is allowed for joining an appointment which does not, necessarily, involve a change of residence.

[*Note.*—See Proviso VI. to Rule 2.]

2.—Otherwise, Joining Time is calculated as follows, excluding Sundays not actually spent in travelling:—

Six days for preparation; and, in addition, thereto—  
for the portion of the journey which a day for the Officer travels, or might travel,—{ each  
by Railway ... .. 200 miles.  
by Ocean Steamer ... .. 150 "  
by River Steamer ... .. 80 "  
by Mail Cart or other public stage conveyance drawn by horses... .. 80 "  
in any other way ... .. 15 "

[*Note.*—An extra day is allowed for any fraction of distance over that prescribed. But see Rule 15 in the case of Ministerial Officers on salaries not exceeding Rs. 100 a month.]

**Provisos—**

i.—The maximum Joining Time is thirty days: the following provisos are all subject to this maximum.

[*Note.*—If the Local Government is satisfied that an Officer has, through no fault of his own, been unable to avail himself of the usual mode of travelling, it may extend even the maximum Joining Time of thirty days. But in that case it should report its proceedings to the Government of India in the Finance Department, with a full statement of the circumstances of the case.]

ii.—When part of the journey is by steamer, the days intervening between the Officer being set free from his office, or if he has no office, receiving his orders, and the departure of the steamer, or his start duly regulated to catch the steamer, shall be added to the time calculated under this Rule.

iii.—By whatever route the Officer travels, his Joining Time shall, unless the Local Government specially permit otherwise, be calculated by the route which travellers habitually use.

[*Note.*—But see Rule 15 for Ministerial Officers on salaries not exceeding Rs. 100 a month.]

iv.—If the Officer satisfies his new Departmental Superior that, notwithstanding due diligence on his part, the journey has occupied altogether more time than is allowed by the Rules, the time actually occupied may be allowed.

v.—On being satisfied that the Rules have, in any particular case, operated hardly, as for example if an Officer has, through no default on his part, missed a steamer, or fallen sick on the journey, the Local Government may, for reasons stated,

allow concessions in excess of what is admissible by the Rules on such conditions as to allowances or otherwise as it may think fit. Such concessions must not be made as a mere indulgence or otherwise than because the Rules do not appear to provide reasonably and equitably for the case.

vi.—The Local Government may, for reasons stated, extend the Joining Time admissible by Rule if it considers such extension necessary for the public convenience, or for the saving of public expense, as, for example, to prevent unnecessary and merely formal transfers.

[*Note.*—This Proviso applies also to Rule 1.]

vii.—The Accountant General shall bring to the notice of the Local Government any concession made under Proviso iv. which seems to him improper or unreasonable, and shall move the Local Government to report to the Government of India any concession made under Proviso v., or extension made under Proviso vi., which appears to him contrary to the spirit of those Provisos. The Local Government may not, in either case, finally overrule the Accountant General without a reference to the Governor General in Council.

[*Note.*—Upon the application of the Local Government, the Government of India will sanction any necessary relaxation or modification of these Rules in exceptional localities, where their general application would operate harshly.]

3. The Joining Time of an Officer whose appointment is changed while he is in transit from one appointment to another, begins on the day following that on which he receives his orders.

10. Except in the case mentioned in Rule 12, an Officer draws during joining time the pay or salary which he drew in his old appointment or that which he draws in the new, whichever is less; provided that an officer transferred from one officiating appointment to another shall not draw any acting allowance during joining time if he had not a superior lien on either of the officiating appointments to that of the officer relieved by or relieving him.

12. An Uncovenanted Officer, who has no substantive appointment is not entitled to any allowance during Joining Time; but if such an Officer, officiating in an office, is transferred to another office under the same Local Government, the Local Government may allow him to draw, during his transit, the allowance to which he would be entitled under Rule 10.

14. An Officer who does not join his new appointment within his Joining Time, is entitled to no allowances after the end of his Joining Time, and, after a week, ceases to have a lien on any appointment. But if the Local Government considers that his default was due to circumstances beyond his control, it may exempt him from the loss of his appointment. The expression "Allowances" in this Rule does not include travelling allowance.

15. A Ministerial Officer, whose salary does not exceed Rs. 100 a month, should not ordinarily be required to travel by mail cart or other public stage conveyance drawn by horses.

## CHAPTER XIV.

## PAYMENT OF LEAVE ALLOWANCES.

161. (a) Leave Allowances are payable in India after the end of each Calendar month; but an Officer on Furlough or Special Leave out of India may, at his option, take payment

- |                                                                   |                                                  |
|-------------------------------------------------------------------|--------------------------------------------------|
| (1) If he proceeds to Europe                                      | At the Home Treasury of the Government of India. |
| (2) If he proceeds to any Colony named in the list in Schedule C. | In such Colony.                                  |

1. Privilege leave allowances are not payable out of India; but in case an Officer leaving India should afterwards want his leave to be commuted, he should take with him a certificate as follows.—

**PRIVILEGE LEAVE CERTIFICATE.**

(Name of, and designation of officer held by, the Officer.

- 1 Government under which employed.
- 2 Date of beginning of Leave.
- 3 Date on which Leave will end.

CHAPTER XIV.—*continued.*

- 4 Whether Furlough or Special Leave is admissible on Privilege Leave being commuted, and if so, to what extent and on what terms.

(*Note.*—If Furlough or Special Leave is granted, the Leave Allowances admissible will not be paid out of India until the Officer produces a last Pay Certificate.)

(Place)

(Signature)

(Date)

Accountant General.

*N.B.*—Privilege Leave Allowances are not payable out of India.

2. An officer proceeding on Furlough or Special Leave out of India cannot draw his Leave Allowances at the Home or any Colonial Treasury unless he is provided with a Last-pay Certificate.

(b) If payment be taken at the Home Treasury it is made quarterly, and rupees are converted into sterling at the rate of exchange fixed, for the time being, for the adjustment of financial transactions between the Imperial and the Indian Treasuries. Unless otherwise arranged, this rate of exchange is also applied in the payment of leave allowances in a Colony. If any payments are made at a different rate, or, otherwise, erroneously, they should be adjusted in subsequent payments.

*Exception.* The Absentee Allowance of a Military Officer on Furlough out of India and drawn in England, who elected the Military Furlough Rules of 1868 before the 1st July, 1871, is paid at the rate of two shillings the Government rupee.

1. Payment is made from the Home Treasury as follows:—

On fixed Quarter-Days (namely, March 25th, June 24th, September 29th, and December 24th), a form is supplied on application to the India Office, containing—

- (1) A life-certificate to be filled up in the manner directed on its face.
- (2) A Cheque for the amount due (which is specified) for the Officer to fill up, and which may be cashed through any Banker.

2. If in any covenant or contract, dated before the 23rd day of November, 1871, with any Officer for service in India, it is provided that, in payments to be made under, or in pursuance of the contract, a pound sterling shall be considered an equivalent or equal to, and calculated after the rate of, ten rupees, any leave allowance which the Officer is, under his covenant or contract, entitled to receive in England, shall be converted into sterling at that rate. But if, in such contract, no provision is made for the payment of any allowances during leave, the aforesaid rate of exchange will not apply to any leave allowances.

3. If an Officer receives an advance of pay in England to enable him to return to duty in India, the advance will be recovered at the rate or rates of exchange fixed for the adjustment of financial transactions between the Imperial and Indian Governments for the year in which the advance was made. This Rule will also apply when an advance is made in England to a person appointed there, proceeding to India to join his appointment.

CHAPTER XV.

LAST PAY CERTIFICATE AND WARRANT.

[*Note.*—This Chapter does not apply to Officers employed in the Public Works Department.]

162. No Officer (unless he has been newly appointed to the Service of Government) can begin to draw any pay or allowances at any treasury in India, or at the Home Treasury of the Government of India, without

producing a Last-pay Certificate from the treasury where his pay or allowances were last disbursed, or from the Accountant General within whose jurisdiction this treasury is.

CHAPTER XVI.

RETURN TO DUTY.

[This Chapter does not apply to Military Officers subject to Military Rules, except in respect to Leave of Absence granted in the Civil Department.]

165. An Officer who remains absent after the end of his Leave is entitled to no allowance for the period of such absence, and ceases to have a lien on any appointment,

If his Leave was Furlough,—immediately; and  
If it was Special or Privilege Leave,—after a week.

1. An Officer on Furlough or Special Leave in Europe may not return to India without obtaining the permission of the Secretary of State. He must apply for this permission at least three months before the end of his Leave. An Officer whose furlough was granted or has been extended on medical certificate is required to produce a certificate of fitness before he can be permitted to return to duty. Ordinarily, he must obtain this certificate from the Medical Board of the India Office, but, in special cases, particularly if the officer be re-lying at a distance of more than sixty miles from London, the Secretary of State will, at his discretion, accept a certificate from two medical practitioners in lieu thereof.

2. If a Local Government considers it inexpedient that an Officer should return from Furlough or Special Leave in Europe to duty in India, it should furnish a complete statement of the circumstances to the Secretary of State in the case of the Government of Madras or Bombay, direct, or otherwise, through the Government of India, if possible, when the Furlough or Special Leave is granted, but, in any case, in time to enable the Secretary of State to take any measures that may seem to him necessary before the Officer would, in ordinary course, be permitted to return to duty. The report to the Secretary of State should reach the India Office, at latest, three months before the end of the Officer's Leave.

3. An Officer may not, without the permission of the Authority which granted him leave, return to duty more than fourteen days before the end of Furlough or Special Leave.

[*Note.*—This Rule applies to a Military Officer subject to Military Rules; but, he must obtain permission to return to duty from the Local Government.]

## INDIAN STAFF CORPS.

## VICTORIA R.

WHEREAS it is expedient to provide a body of Officers for Our Service in India, by whom various offices and appointments hitherto held by Officers borne on the strength of the several Corps or Regiments of Our Forces in India shall in future be held; and whereas Our Secretary of State for India in Council has resolved to charge upon the Revenues of India the sum necessary to provide the pay, half-pay, and pensions of such body of Officers on the scale hereinafter contained, Our will and pleasure is that a Corps be formed in each of the Presidencies of Our Indian Dominions, to be denominated the Bengal, Madras, and Bombay Staff Corps respectively, to consist of such Officers as may be required for such employment, and are selected for such purpose by Our Governments in India, with the approbation of Our Secretary of State for India in Council.

\* It is also Our will and pleasure that all Officers now holding, or who immediately before the commencement of their present unexpired Furukh may have held such appointments, and in future Officers belonging to any of Our land Forces serving in India, under the rank of Regimental Field Officer, who shall have served three years with a Regiment, of which two shall have been in India,\* shall be eligible to enter such Staff Corps; but such Officers will not be permanently transferred to the Staff Corps unless fully qualified, and until they shall have passed such periods of probation as may be determined on for the branch of the Indian Service for which they may be selected. Officers will receive Commissions in the Staff Corps on their names being submitted to us by Our Secretary of State for India.

4. Officers in the Staff Corps will be eligible for Brevet rank in common with the rest of the Army.

5. Officers of the Staff Corps holding Military appointments will take Military Command according to their Army rank, but Officers whilst holding only Civil appointments will not be entitled to assume such Command.

(The examination in medicine and surgery will be in part practical, and will include operations on the dead body, the application of surgical apparatus, and the examination of medical and surgical patients at the bedside.)

7. The eligibility of each candidate for the Indian Medical Service will be determined by the result of the examinations in these subjects only.

**Voluntary Examination.**

8. Candidates, who desire it, will be examined in French, German, and Hindustani, Comparative Anatomy, Zoology, Natural Philosophy, Physical Geography, and Botany with special reference to *Materia Medica*.

9. The number of marks gained in these subjects will be added to the total number of marks obtained in the obligatory part of the examination by candidates who shall have been found qualified for admission, and whose position on the list of successful competitors will thus be improved in proportion to their knowledge of modern languages and natural sciences.

10. The maximum number of marks allotted to the voluntary subjects will be as follows:—

|                                                   | Marks. |
|---------------------------------------------------|--------|
| French, German, and Hindustani (150 each) .. .. . | 450    |
| Natural Science .. .. .                           | 300    |

**Text Books.**

11. The subjects for this part of the examination will be taken from the following books:—

"Animal Kingdom," by W. S. Dallas, F.L.S.  
 "Outlines of the Structure and Functions of the Animal Kingdom," by Rymer Jones; or  
 "Cours Élémentaire d'Histoire Naturelle," par Milne Edwards  
 Lindley's "School Botany," Lindley's "Medical and Economic Botany," Hensley's "Elementary Course of Botany,"  
 "Elements of Natural Philosophy," by Golding Bird and C. Brooks, "Physical Geography," by Mrs. Somerville.

12. The Examiners in London will prepare a list in order of merit, with the marks affixed in the different subjects, to be transmitted to the Director-General and communicated to the Professors of the Army Medical School. If any Candidate is found to be deficient in any particular subject, this shall be stated, in order that he may receive special instruction on the point at Netley.

**Course at Netley.**

13. After passing the preliminary examination, candidates will be required to attend one entire course of practical instruction at the Army Medical School, before being admitted to examination for a commission, on—

- (1) Hygiene.
- (2) Clinical and Military Medicine.
- (3) Clinical and Military Surgery.
- (4) Pathology of Diseases and Injuries incident to Military Service.

These courses are to be of not less than four months' duration; but candidates who have already gone through a course at Netley as candidates for the Army or Navy Medical Service may, if thought desirable, be exempted from attending the school a second time.

**Pay while at Netley.**

14. During the period of his residence at the Army Medical School, each candidate will receive an allowance of 8s per diem, with quarters, or when quarters are not provided, with the usual lodging and fuel and light allowances of subalterns, to cover all costs of maintenance; and he will be required to provide himself with uniform (viz., the regulation undress uniform of a Surgeon of the British service, but without the sword).

**Uniform while at Netley**

15. All candidates will be required to conform to such rules of discipline as the Senate may, from time to time, enact.

**Examination at Netley.**

16. At the conclusion of the course, candidates will be required to pass an examination on the subjects taught in the school. The examination will be conducted by the professors of the school.

The Director-General, or any medical officer deputed by him, may be present and take part in the examination. If the candidate gives satisfactory evidence of being qualified for the practical duties of an Army Medical Officer, he will be eligible for a commission as Surgeon.

**Position on List of Surgeons, how determined.**

17. The position of the candidates on the list of Surgeons will be determined by the combined results of the preliminary and of the final examinations, and, so far as the requirements of the service will permit, they will have the choice of Presidency in India, according to their position in that list.

India Office, December, 1881.

All Surgeons who shall neglect or refuse to proceed to India under the orders of the Secretary of State for India within two months from the date of leaving Netley, will be considered as having forfeited their appointment, unless special circumstances shall justify a departure from this regulation.

PAY PREVIOUS TO EMBARKATION

4. The rate of pay drawn by Surgeons from the date of passing the final examination at the Army Medical School until arrival in India will be 100 a day. (For rates subsequent to their landing in India, see paras. 14, 15, and 16.)

5. Surgeon, as Captain according to the date of his Commission.

8. All promotion from the rank of Surgeon-Major to that of Brigade Surgeon, from the rank of Brigade Surgeon to that of Deputy Surgeon-General, and from the rank of Deputy Surgeon-General to that of Surgeon-General, is given by selection for ability and merit.

9. On appointment as Honorary Physician or Honorary Surgeon to Her Majesty an Officer below the rank of Deputy Surgeon-General shall be promoted to that rank.

16. The salaries of the principal administrative and military appointments are fixed at the following consolidated sums:—

17. The salaries of other medical appointments in the Civil and Military Departments are consolidated, and vary from Rs. 1,800 to Rs. 400 per mensem.

18. Qualified officers of the Medical Service are also eligible for appointments in the Assay Department. The salaries of these appointments are from Rs. 600 to Rs. 2,250 per mensem.

19. Medical Officers are required to perform two years' regimental duty in India before they can be considered eligible for civil employment.

20. No Medical Officer, however employed, can receive any staff allowance in addition to the pay laid down in para. 14 unless he has passed the examination in Hindustani known as the "Lower standard." The passing of this examination does not of itself bring any increase of pay to an Officer, unless appointed to a substantive or officiating charge; but failure to pass disqualifies an Officer, even when holding such substantive or officiating charge, from receiving any portion of the staff allowances of the appointment.

21. Surgeons-General and Deputy Surgeons-General on vacating office at the expiration of the five years' tour of duty, will be permitted to draw in India respectively an unemployed salary of Rs. 1,200 per mensem in the former, and Rs. 900 in the latter case, for a period of six months from the date of their vacating office, after which they will be placed while unemployed on the following scale of pay:—

24. Upon certificate of a Medical Board, an Officer not entitled to furlough, if he has served not less than two years in India, may receive it for any period not exceeding two years.

25. Officers of the Administrative Grades are entitled during their tenure of appointment to six months leave of absence on sick certificate or four months leave on private affairs.

#### RETIRING PENSIONS AND HALF-PAY.

28. Officers of the Indian Medical Service will be allowed to retire on the following scale of pension, on completion of the required periods of service:—

|                  | After 20 years' service for pension ... | ... | ... | ... | ... | £   |
|------------------|-----------------------------------------|-----|-----|-----|-----|-----|

| " 17 " " " " ... | ...                                     | ... | ... | ... | ... | 212 |

29. Time of service for pension will reckon from date of arrival in India, and will include furlough taken under the rules referred to in para. 22. The period of residence at the Army Medical School will also reckon as service for the above pension, except in the cases of Officers who have gone through the course at Netley as candidates for the British Army or Navy Medical Service.

30. A Surgeon-General, after five years' active employment in India in that grade, will be entitled to retire upon a pension of £250 per annum, in addition to that which he may be entitled under the above scale.

31. A Deputy Surgeon-General will, after five years' active employment in India in that grade, be entitled to retire upon a pension of £250 per annum, in addition to the pension to which he may be entitled under the above scale.

32. In each of the above cases stated in paras. 30 and 31, six months' absence on medical certificate will be allowed to count towards actual service in those grades.

33. A Surgeon-General or Deputy Surgeon-General who has completed his term of service and has reverted to British pay, may reside in Europe, at the same time qualifying for higher pension.

34. With a view to maintain the efficiency of the service, all Medical Officers of the rank of Brigade Surgeon and Surgeon-Major shall be placed on the Retired List when they shall have attained the age of fifty-five years, and all Surgeons-General and Deputy Surgeons-General when they shall have attained the age of sixty years. In any special case, where it would appear to be for the good of the service that the Officer should continue in employment, he may be so continued, subject in each case to the sanction of the Secretary of State for India in Council.

35. A Medical Officer, retiring after a service of twenty years and upwards, may, if recommended for the same by the Government of his Presidency, receive a step of honorary rank, but without any consequent increase of pay.

36. Medical Officers not entitled to pension, but who, at the expiration of two years' leave of absence on medical certificate, are unfit to return to duty, will be placed on temporary or permanent half-pay, after examination by the Medical Board at the India Office. The half-pay granted in such a case will be the British rate of half-pay of the relative rank held by the Officer.

| Rank.                                     | Relative Rank.        | Rates of Half-pay. |            |     |          |

Officers cannot retire in India on half-pay (No. 54, 28th February 1865).

37. The period passed on half-pay will in no case be reckoned as service in calculating claims for promotion or to pension on retirement.

Note referred to on previous page: Substantive and Officiating Charges:—

Medical charges are of two kinds—substantive and officiating. The first is held by an Officer as his fixed and permanent appointment. For this he is entitled to the monthly consolidated pay laid down in the above scale (para. 16), subject to the condition specified in para. 20.

An officiating charge is held by an Officer who is acting temporarily in an appointment during the absence of the Officer whose substantive charge it is. The Officer thus officiating receives not the consolidated pay of the appointment laid down in the scale (para. 16), but the ordinary Indian pay and allowances (para. 14) of his own grade, plus half the staff allowance of the appointment in which he is officiating.

An Officer's staff allowance is the difference between his ordinary Indian pay and allowances (para. 14) and "consolidated pay" (para. 16) as given in the scales. The staff pay of an appointment is the difference between the ordinary Indian pay and allowances and the consolidated pay of the permanent incumbent. It has been ruled, however, that the extra allowance for an officiating charge shall never be less than Rs. 100 per mensem.

Example 1. A Surgeon of less than 5 years' service officiates for one in charge of a regiment of the same period of service. He receives Rs. 286. 10 + Rs. 100 = Rs. 386. 10.

Example 2. A Surgeon of less than 5 years' service, officiating for a Surgeon of 6 years' service in charge of a regiment, receives Rs. 286. 10 +  $\frac{Rs. 600 - Rs. 392. 5. 2}{2}$  = Rs. 390. 7. 8.

# MILITARY FURLOUGH REGULATIONS.

## WOUND PENSIONS.

58. Medical Officers are entitled to the same allowances granted to Her Majesty's Indian Military Forces on account of wounds and injuries received in action as combatant Officers having the same relative rank.

59. The claims to pension of widows and families of Medical Officers shall be treated under the provisions of such Royal Warrant regulating the grant of pensions to the widows and families of British Officers as may be in force at the time being. (The Royal Warrant of 18. April 1884, is the one now in force.)

## MILITARY FURLOUGH REGULATIONS OF 1796.

Officers (of whatever rank) must be ten years in India before they can be entitled (except in cases of certified sickness, and as hereafter specified) to their pension to be absent on furlough, and the same rule is applicable to assistant surgeons and veterinary surgeons. The furlough to be granted by the commander-in-chief at each presidency, with the approbation of the respective governments.

Officers who have not served ten years in India, but whose presence in England is required by urgent private affairs, may be allowed a furlough for one year without pay.

Officers coming to England on furlough are required immediately to report their arrival by letter, with their address, forwarding at the same time the certificates they received in India.

The period of furlough is three years, reckoning from its date to the day of the return of the officer to his presidency.

Officers are required to join the establishment to which they belong at the expiration of the three years' furlough, unless they shall have obtained an extension of leave, six months before the expiration of that period. No furlough will be extended, except in cases of sickness, certified in the manner hereafter mentioned; or in cases in which it shall be proved that a further residence in Europe is indispensably necessary.

All officers finding it necessary to solicit a further leave of absence on account of sickness, must, if resident in London or its vicinity, appear before the Medical Board appointed for that purpose, who will report their opinion on the state of such officer's health. And if resident in the country in any part of the United Kingdom, they must transmit with their letter of application for such leave, a certificate according to the following form, signed by at least two gentlemen, eminent in the medical profession, viz. :—

*I hereby certify, that I have carefully examined (state the nature of the case, as well as the name of the party), and I declare, upon my honour, that, according to the best of my judgment and belief, \_\_\_\_\_ is at present unfit for military duty, and that it is absolutely necessary, for the recovery of his health, that he should remain at least \_\_\_\_\_ longer in this country.*

Also, previously to such extension of furlough being granted, such further proof shall be adduced by personal examination or by such other evidence as shall be deemed satisfactory.

Officers abroad in any part of Europe, applying to remain a further time from their duty on account of sickness, are to furnish a certificate of two eminent physicians, in the above form, with the attestation of a magistrate, that the persons who signed the certificate are physicians.

Officers having obtained an extension of furlough to a given period, must at its expiration apply for permission either to return to their duty or to reside a further time in England.

In every case in which an officer has had his furlough extended beyond the prescribed period on the ground of his health not being sufficiently restored, and shall apply for permission to return to his duty, he shall produce a certificate from the examining physician that his health is completely re-established, and that there is every probability of his being able to perform the active duties of his profession in India.

No officer who has failed to obtain an extension of furlough will be considered eligible to return to the service after five years' absence, under the Act of 33 Geo. III. cap. 52, sec. 70.

Every officer upon leaving India will receive a printed copy of the General Order in this subject, published agreeably to the instruction of the Secretary of State for India in Council, and the plea of ignorance of the regulations will not be admitted as any justification of the breach of them; officers, therefore, who shall come home on furlough, and who shall not in due time apply, so as to effect their return to the Presidency to which they belong within the period of three years from the commencement of their furlough, will subject themselves to the loss of the service, unless they shall be permitted to remain a further time in Europe.

No officer on furlough can receive pay for more than two years and a half from the period of his quitting India until he returns, excepting colonels of regiments and general officers; the latter are then allowed to draw the pay of their brevet rank beyond the above period.

## MILITARY FURLOUGH REGULATIONS OF 1854.

With the view of adapting the regulations to the present increased facilities of communication, and to correct, as far as possible, any tendency in them to deter officers from resorting to the places which may be most conducive to the restoration of their health, when a change of climate is required for that purpose, the following rules are established, and are to have effect from the 1st February, 1854:—

1. All regimental officers in the service on the 1st February, 1854, who prefer retaining what may be considered the advantages of the old regulations, may do so, provided they signify their wish to that effect when they next apply for furlough or leave of absence, without any limitation whether such leave be in India or elsewhere; and officers who once make their election

will not be entitled to any other choice, but will be afterwards subject to the new or old regulations, according to their decisions.

2. Staff officers, as such, have not the above option allowed them, but they may retain the advantages of the old regulations by giving up their appointments, which, in such cases, will be considered vacated from the date of embarkation.

3. To those officers who adopt them, the new regulations will apply retrospectively in respect of furlough and leave of absence beyond sea, and in computing their time of service for retirement, so that their furloughs or leaves of absence, whether under the old or the new rules, and whether on private affairs or sick certificate, within or beyond India, will count for ser-

vice to the authorized extent only, in computing the time for retirement on full pay.

4. Officers who have availed themselves of the option of the old rules are allowed to reconsider the question under the modifications now sanctioned.

5. Officers who have not taken leave subsequent to the publication of the new rules on the 1st February, 1854, and who, consequently, may not have been called upon to declare whether they would abide by the old or the new regulations, will, on retirement from the service, be entitled to take full advantage of the privileges given by the new regulations.

#### FURLOUGHS ON PRIVATE AFFAIRS.

6. Every officer will be allowed a furlough to Europe, or elsewhere beyond sea, for a period of two years at the expiration of ten years' service, and for a second period of two years after twenty years' service in India.

7. The second furlough of two years will only be granted after ten years' service in India, from the date of the return to duty after the first furlough of two years. These furloughs are not to be cumulative, under any circumstances, but are limited to two years. Officers who have taken leave of absence on sick certificate to Europe, or elsewhere beyond sea, will be ineligible to a furlough on private affairs until they have served six years from their last return to duty. This rule does not apply to short leaves to sea.

Officers who take their first furlough after twenty years' service in India, may take their second furlough after an additional service of five years from the date of their first return to duty. (G.O. 16 June, 1856.)

8. All grants of furlough on private affairs are subject to the exigencies of the public service, and to the regulations framed for and preservation of the efficiency of each regiment by limiting the number of absences.

9. Officers holding staff or other detached appointments, may be allowed furlough for a period of six months without losing their appointments; but, during that period, they will not be entitled to any portion of their staff salary, which will be drawn in full by the officers officiating for them.

Absence for six months under this rule does not preclude an officer from taking his furlough to Europe after ten years' service. (G.O. 16 June, 1856.)

10. All officers, whether staff or regimental, while on furlough on private affairs, will be entitled to "Furlough Pay" only.

#### LEAVE OF ABSENCE ON SICK CERTIFICATE.

11. Leave of absence on sick certificate will be granted for a term not exceeding eighteen months, whether it be to any place in Europe, or elsewhere out of India.

12. Extensions of such leave may be granted, as at present, on production of medical certificates, for further periods not exceeding eighteen months in the whole.

13. An officer holding a staff or other detached appointment, will be allowed to be absent on sick certificate in England, or elsewhere beyond sea, for a period of twenty months, without losing his appointment; and, during the first six months only of such absence, he will be entitled to draw half the staff salary of his appointment, the officer officiating for him drawing the remaining half salary during the first six months, and the whole salary during the remainder of the time.

14. An officer's claim to half staff salary for six months, as sanctioned in the preceding rule, will not be affected by his subsequently retiring from the service in Europe or elsewhere.

15. No portion of command allowance, medical staff salary, or other similar allowance, which under the old rules was inadmissible to officers absent from their corps or stations, at the Cape or elsewhere, will be allowed to absent officers under these regulations.

16. All officers, whether staff or regimental, while on leave of absence on sick certificate, will be entitled for a period of six months to the same rate of Indian pay and allowances as was allowed under the old regulations to officers proceeding to the Cape on medical certificate, and for the remaining period of their leave they will receive furlough pay only.

17. If the leave on sick certificate be extended, furlough pay will be continued; but under no circumstances for a longer period than three years altogether, from the commencement of the absence.

#### STAFF OFFICERS.

18. The term, "staff officers," applies to all officers holding staff or detached appointments, military (general or regimental), political, or civil; also to general officers commanding divisions, members of the Medical Board, superintending surgeons, and others who, under the old rules, were entitled to draw half staff allowance when absent at the Cape.

19. Staff officers absent on leave beyond the periods stated in Rules 9 and 13 respectively, cannot retain their appointments and allowances except on special grounds to be sanctioned by the Government of the presidency. Any such special grant of leave is to be reported at once, with the reasons for it, and to be subject to approbation.

20. The privilege of retaining staff appointments during leave of absence on sick certificate, or on furlough on private affairs will not be available a second time, if the fresh leave is on sick certificate, until an officer has been three years, or, if on private affairs, until he has been six years in the discharge of the duties of his appointment, from the date of last return to it.

21. This rule, however, does not apply to leaves of absence, whether on sick certificate or on private affairs in India, or for brief periods to Ceylon, the Mauritius, or other places out of India.

22. Officers commanding troops of Horse Artillery and Light Field Batteries, and officers generally in employment, will be allowed leave out of India under the same rules with respect to allowance and tenure of command or office, as regulated the grant of leave to the Cape to such officers under the old regulations, except as to the duration of those advantages, the time for their continuance being subject to the provisions of the new regulations.

#### DATE OF FURLOUGH AND ADVANCES OF PAY.

23. The period of furlough on private affairs, or leave of absence on sick certificate, is to be calculated from the date of the departure from India of the ship in which the officer proceeds.

24. Advances of pay and allowances, staff and regimental, to officers proceeding on leave of absence on sick certificate, who may be entitled to them, will be made in India for three months from date of embarkation. Payments in continuation will be made in England at the rates of exchange fixed annually for repayment of advances made on account of Her Majesty's Government. Furlough pay will continue to be issued in advance for six months when required by officers obtaining furlough on private affairs.

25. The existing regulations regarding passage-money to officers are not affected by these rules.

26. The certificates issued to officers who are granted furloughs on private affairs, or leave of absence on sick certificate, are to specify the time each officer has been absent on leave within Indian limits, as well as the time of his previous absence in Europe; but will not include the periods allowed for proceeding to the presidency or port of embarkation, and to enable officers to rejoin their regiments or stations after their return to India, nor the leave of one month's absence in six months, as authorized by the regulations. The last pay certificate of all officers proceeding to England on sick certificate is to specify the rate of regimental pay and allowances and staff salary to which they would have been entitled under the old regulations if proceeding to sea on medical certificate. This information is necessary in order that no difficulty may arise in the Pay Department of the India Office in adjusting the several payments which may be due.

#### OFFICERS OF H.M.'S SERVICE.

27. Officers of Her Majesty's service in India, whether employed regimentally or in staff or detached situations, are entitled to the advantages above laid down in respect to allowances and tenure of office when on furlough or leave of absence.

28. In the case of officers of Her Majesty's service on furlough or sick certificate, in England or elsewhere, who may retire or exchange into regiments not on the Indian establishment, the grant to these officers of Indian allowances will cease from the date of their retirement or exchange, if it take place before the expiration of six months from the date of quitting India.

## PERIODS OF ABSENCE ALLOWED TO BE COUNTED AS SERVICE FOR RETIRING PENSIONS.

29. In order that all officers quitting India on furlough or sick certificate may be placed on an exact equality as regards loss of time, the period allowed by regulation for proceeding to the presidency, or to the nearest port of embarkation, as well as the time to enable officers to rejoin their corps or station after their return to India, will be considered as time counting for service for the retiring pension.

30. No furlough or leave of absence, as announced in General Orders, exceeding two years in twenty years' aggregate service, three years in twenty-five years' service, and four years in thirty years' service, shall be allowed to count as service for the retiring pension; and no difference will be made in this respect between leave of absence taken in Europe or elsewhere, in or out of India, or whether the leave be on sick certificate or on private affairs.

31. In the term "Leave of Absence as announced in General Orders," is to be included all leave of absence, except the period allowed in Rule 29, and the ordinary indulgence of one month's leave in six months, as authorized by the existing regulations, and which are, in all cases, whether of regimental or staff officers, to be allowed to count as service for the pension. All leave to a greater extent, granted by political and other authorities, which may not hitherto have been published in General Orders, must be so announced hereafter.

32. Officers to be entitled to retire on the full pay of their regimental rank (under the regulations of 1796), must have served twenty-two years in India, out of which leaves of absence for two years in the aggregate, and not more, will be allowed to count as service for the retiring pension.

33. Officers to be entitled to retire on the full pay of captains and majors (under the regulations of 1835-37) must have served twenty and twenty-four years respectively; out of which time leaves of absence for two years in the aggregate, and not more will be allowed to count as service.

34. Officers to be entitled to retire as lieutenant-colonels must have served twenty-eight years; out of

which leaves of absence for three years in the aggregate, and not more, will be allowed to count as service.

35. Officers to be entitled to retire as colonels must have served thirty-two years; out of which leaves of absence for four years in the aggregate, and not more, will be allowed to count as service.

36. The scale for medical officers and veterinary surgeons of privileged furlough and leave of absence as surgeons for the retiring pension, will be as follows\* :—

### Years. Months.

| Years. | Months. | in 17 & under 20 years' service |
|--------|---------|---------------------------------|
| 1      | 8       | in 20 " 25 "                    |
| 2      | 0       | in 25 " 30 "                    |
| 3      | 0       | in 30 " 35 "                    |
| 4      | 0       | in 35 " 38 "                    |
| 5      | 0       | in 38 years' service.           |

37. It is to be distinctly understood, that under no circumstances whatever will an officer be permitted to retire on full pay until he has completed the full time of service above specified, whether he be in England at the close of his service or elsewhere.

38. The privileged time of absence may, with the permission of the local government, be taken at any time, subject to these regulations. If, therefore, at the end of twenty years' service, of which eighteen had been passed on actual duty in India, an officer should be on furlough or sick certificate in Europe or elsewhere, he will be entitled to retire on the full pay of a captain without returning to India, and so in the other terms of service for the higher pensions. In like manner, a medical officer on furlough or sick certificate, in Europe or elsewhere, at the end of seventeen years' service, fifteen years and four months of which have been passed on actual duty in India, will be entitled to retire on the lowest rate pension, without returning to India, and so in the other terms of service for the higher pension.

39. These rules do not in any way affect the existing regulations regarding the grant of leave in India, or for short periods to sea, whether on private affairs or on sick certificate, except as to the periods of such absence being taken into calculation in the time allowed to count as service for retirement on full pay.

## INDIAN MILITARY FURLOUGH RULES OF 1868.

(WITH SUBSEQUENT ALTERATIONS).

GENERAL ORDER BY THE GOVERNMENT OF INDIA, DATED 25th FEBRUARY, 1874, No. 171. The rules previously in force will be designated, as heretofore, the Furlough Rules of 1796 and 1854. The following G. O.'s are cancelled prospectively from the 1st January 1875 :—

- G. G. O. No. 630 of 1863 (1st clause).
- G. G. O. No. 627 of 1870.
- G. G. O. No. 613 of 1871.

2. These rules are applicable to all officers who, on the 1st July, 1868, belonged to the several Indian Staff Corps, or to the Indian Army, and who have elected, or may elect, to adopt them; officers of the British Army who entered the Staff Corps after that date are of course subject to them.

(2) In regard to the periods of leave of absence during which appointments may be held, and in regard to the increased allowances they are also applicable to officers of the Royal Artillery and Royal Engineers, late of the Indian Army, holding permanent staff appointments not of a regimental nature, and to such officers of the Engineers of the Imperial Establishment as may be permanently employed on the staff in India.

(3) But should an officer of the British Service, holding such permanent staff appointment, be allowed to proceed on leave under circumstances which, by these rules, would involve loss of appointment, he cannot take leave on the Invalid or Invalid Pension Establishment, even if previous under them, but simply as a British Officer holding no appointment.

3. These rules are not applicable to officers on the Invalid or Invalid Pension Establishment, even if previous to their transfer they should have elected them, being intended solely for officers on the effective list.

Do not apply to Invalid Officers.

They are not applicable to Regimental

Nor to Regimental Officers of the British Service, even though formerly of Indian Army.

NOTE (1).—British Medical Staff Officers holding administrative appointments in India tenable for 5 years, who are compelled by ill health to return to England, will be allowed by the Government of India in the Military Department to proceed there to appear before a Medical Board, and if reported unfit for further service in India, will be removed from the Indian Establishment; if otherwise, they may be allowed by the Secretary of State for India 6 months' leave on medical certificate on their Indian allowances and half staff.

Such Officers are also eligible for 4 months' leave on private affairs without pay, but only one grant of leave will be allowed out of India during their tenure of office.

\* For the periods allowed under Pension Regulations of 1881 see page lxxii.

e 2

**NOTE (2).—**All British officers holding Staff appointments in India, except the command of Divisions and Brigades, will be allowed, during their five years' tenure of office, only one grant of leave out of India either on medical certificate for six months with absence allowances regulated under the furlough rules of 1868, or on private affairs for four months, with British pay, from Indian revenues. Any leave obtained in excess of either of these periods will involve loss of appointment.

**5. They are applicable to Officers of the Royal Engineers on the Imperial Establishment, who are employed in the Public Works Department, or who are receiving a staff salary as on the fixed establishment of the Sappers and Miners; these will count service towards furlough from the date of their arrival in India.**

(2.) These officers, therefore, and other Royal Engineer Officers of the Imperial list on permanent staff employ under the Government, will be entitled to a furlough of two years after eight years' service in India, or at the expiration of one year from the date of their return (for a second tour of service in India) on the completion of the prescribed home service after the first period of seven years' service in India.

(3.) Such Officers will be allowed an advance of passage money, or free passage in a troop-ship if proceeding in the troping season; the advance to be refunded on receipt of the balance of furlough pay. The English rate of pay of their rank only will be passed to them during their leave; but at its conclusion, on their presenting an order for them to return to India, the difference between that rate and furlough pay, less the passage money they have received, will be paid to them in England conditionally on its refund, if the order to return to India is not carried out.

(4.) Those Royal Engineer Officers who arrived in India before the 1st July, 1872, are, however, not subject to the provisions of the preceding clause as long as they do not exchange Indian for home service, but draw furlough pay during furlough, as others.

**NOTE.—**Royal Engineers of the Imperial List may receive their pay while on furlough, either under the regulations in force before February, 1873, or under the terms of General Order No. 123 of 1873, that is to say, an officer of Engineers of the Imperial List may, at his option, on taking furlough to England, either receive furlough pay on the understanding that, should he not return to India, he will have to refund the difference between it and English pay, less the regulated amount of passage money, or a free passage and English pay only during the period of his furlough, the difference between English pay and furlough pay, less the cost of his passage, being issued to him upon his return to duty in India.

2.—The officer's choice should be made at the time of applying for furlough, and should be noted on his last pay certificate.

(5.) An officer of the British Service, holding permanent staff employ under the Government, who may proceed on furlough under circumstances which involve the forfeiture of his appointment, must obtain the furlough as a British regimental officer, and it will reckon as a portion of the aggregate eight years of furlough on pay to which an officer is restricted during his service by Rule XVI. But, on again becoming permanently employed, he resumes the right of obtaining furlough under these rules.

**6. Officers of British Regiments who may join the Staff Corps can count as service towards furlough all their military service in India, provided that half of it (in no case less than four years) shall have been passed in the Staff Corps. But any leave to England they may have taken during service so counted will be reckoned as furlough already taken. Officers of the Indian Armies are exempted from the above proviso.**

British Service who formerly belonged to the

*Previous service of Officers of the British Service who join Staff Corps, how reckoned towards furlough.*

**7. These rules apply also to all Warrant Officers holding Veteran or Honorary Commissions, who may elect them: the period of service qualifying for furlough being calculated from the date of the attainment of a Commission. They will receive during furlough half their total receipts, calculated as laid down in Rule V., but without any reference to a minimum or maximum rate. Warrant Officers not holding Commissions can obtain furlough under these rules only on medical certificate.**

*Warrant Officers without Commissions can take furlough on medical certificate only, under these rules.*

(2.) Such furlough may be for two years with retention of appointment and half of the aggregate allowances; but any extension of such leave (which will not be granted for more than one year in excess of the two years) or any leave taken within less than three years from the date of last return to duty, will be on "English furlough pay." [See Note (1) to para. 9.]

**8. Every Warrant Officer who attained warrant rank before the 19th February, 1869, and who has not made his election, will be required, on the first occasion of his applying for leave out of India, to state whether he desires to take the leave under these rules, or under those previously in force applicable to Warrant Officers, viz., G. G. O. Nos. 518 and 531 of 1854, G. G. O. No. 1539 of 1857, and subsequent orders. That election**

*Warrant Officers who were so before 19th February, 1869, to elect on first applying for leave.*

will be considered final.

(2.) Those who became Warrant Officers after 19th February, 1869, are subject to these rules, and cannot elect any of the previous rules.

(3.) Leave on medical certificate on Indian pay and allowances to places eastward of the Cape, as allowed to Commissioned Officers under the Furlough Rules of 1796, is not in any case admissible to a Warrant Officer.

(4.) These Rules respecting Warrant Officers apply to Honorary Assistant Surgeons and Warrant Officers in the Medical Department.

**9. The term "Furlough Pay" having now a changed and twofold signification, in all future orders and references "Furlough Pay" will be understood as the half Indian salary within the prescribed limits specified in paragraph V. of these rules, converted at the rate of exchange fixed by the Secretary of State for the official year, whilst "English Furlough Pay" will represent the rates heretofore allowed to the several grades as English pay under the rules of 1796 and 1854.**

*Meaning of "Furlough Pay" and "English Furlough Pay."*

**NOTE (1).—**Where in these Rules English furlough pay is mentioned as that to which an officer is to be restricted the rates laid down in paragraph 11 of G. G. O. No. 69, dated 22nd January, 1868, and (for Medical Warrant Officers) paragraph 22 of G. G. O. No. 550 of 1868, are to be understood as intended in the cases of Warrant Officers.

**NOTE (2).—**Officers who elected these rules prior to 1st July 1871, or before G. G. O. No. 558 of 1871 reached their stations, will receive furlough pay at the exchange of 2s. the rupee.

## RULES.

I.—The distinction with respect to allowances which has been hitherto drawn between furlough on private affairs and sick leave, is abolished, both kinds of leave being included under the general term *furlough*, provision, however, being made for the obtaining of furlough under medical certificate, without all the restrictions applicable to furlough when taken without medical certificate.

II.—Leave taken under the rules now prescribed will not involve forfeiture of appointment, except in the cases herein specially provided for.

2. Officers of the Staff Corps and Local Indian Service, and Officers on the General List, can retain their appointments during *all* leave of absence granted by competent authority. But their pay during such absence will be the same as they would obtain under these rules had this exemption from forfeiture of appointment not been granted.

**NOTE.**—The above Rule is applicable to all Military and Medical Officers taking furlough or leave under these Regulations.

III.—The Rules now prescribed do not affect the provisions of Act XXXIII. of George III., Chapter 52, Section 70\*; but an absentee cannot retain his appointment and draw absentee allowances, except under the rules now prescribed.

*Absence from India for more than 5 years bars return to duty as formerly.* Nor do they affect the regulations by which General Officers Commanding Divisions and Brigades can only obtain limited periods of leave without forfeiting their Commands.

IV.—Leave of absence will in future be of three kinds, viz.:—

I.—Furlough in or out of India.

II.—General leave on private affairs or sick certificate in India or short leave to sea.

III.—Privilege leave.

## CHAPTER I.

*Furlough.*

V.—An officer drawing staff pay in addition to pay of rank, proceeding on furlough, will be allowed pay at *Furlough pay, how reckoned.* the rate of 50 per cent. of the salary of his substantive office.

2. But an officer in civil employ and drawing consolidated salary, will be allowed 50 per cent. of the average salary drawn by him during the three years prior to his proceeding on furlough, or during his actual service in India should that be less than three years; and the time spent and the allowances drawn during any leave other than "privilege leave," will be omitted in the calculation of average salary.

3. No absentee shall in either case draw more than £1,000, or less than £250 per annum.

4. The term "salary" will signify the total amount drawn by an officer, whether as consolidated pay, or staff allowances in addition to pay, but will not include any extra or special allowances. But in the case of a military officer in civil employ, his acting allowances shall be taken into account as a part

*Meaning of term "Salary."*

of his salary in calculating his furlough pay.

5. An officer absent on furlough, who may be transferred to another office during his absence, shall be entitled, for the entire period of his furlough, to furlough pay at the rate sanctioned to him when leaving India, whatever the salary of the office to which he may be transferred may be.

*Pay of Officers transferred to other appointments during furlough.*

after his return to India and until he joins his appointment, provided it is not less than the military pay, or pay and allowances, of his rank.

6. But an officer whose term of office shall lapse, who shall vacate his appointment, or whose appointment shall be abolished during his furlough, will revert at once to the furlough pay which he would draw in virtue of his rank, as laid down below, in Section 8. Any case of sudden abolition of appointment may, however, be specially considered in the department of the Government under which the officer may have been employed. An officer will also be entitled to the benefit of his promotion to a

*Pay of officers promoted during furlough.*

higher Staff Corps or regimental rank, whilst on furlough, subject to the maximum limit.

7. Officers holding regimental medical charges will be allowed to retain such charges during the authorized periods of furlough, as if they were medical staff appointments. And the difference between the unemployed grade pay of the officer holding the substantive charge and the consolidated salary of the charge will be considered the staff salary divisible between the absentee and the officer officiating for him.

† G. G. O. No. 1060 of 23rd Dec. 1864, para.

29. G. G. O. No. 370 of 4th April, 1867, para. 9.

\* The section referred to is quoted below:—

Section 70.—"And be it further enacted that no person who shall have held any civil or military station whatever in India, in the service of the said United Company, being under the rank or degree of a Member of Council or Commander-in-Chief of the Forces, and who, having departed from India by leave of the Governor-General in Council, shall not return to India within the space of five years next after such departure shall be entitled to any rank or restoration of office, or be capable of again serving in India, either in the European or Native Corps of Troops or in the civil line of the Company's Service, unless in the case of any Civil Servant of the Company, it shall be proved to the satisfaction of the Court of Directors that such absence was occasioned by sickness or infirmity, or, unless such person be permitted to return with his rank to India, by a vote or resolution passed by way of ballot by three parts in four of the proprietors assembled in General Court, specially convened for that purpose, whereof eight days' previous notice of the time and purpose of such meeting shall be given in *The London Gazette*, or unless, in the case of any Military Officer, it shall be proved to the satisfaction of the said Court of Directors and the Board of Commissioners for the affairs of India that such absence was occasioned by sickness or infirmity, or some inevitable accident."

8. Officers not in staff employ will receive half the Indian pay of their rank, provided that an officer entitled to furlough shall in no case receive less than the above minimum of £250 per annum.

*Minimum furlough pay.*

NOTE.—Officers who may be entitled to income allowance from the Military Fund during absence in Europe will draw their half salary or minimum absence allowance under the foregoing clause, subject to a deduction equivalent to the amount of such income allowance.

VI.—All grants of furlough on private affairs are subject to the exigencies of the public service,—of which exigency the Government is to be exclusively the judge,—and to any regulations that may be found necessary for limiting the number of absentees.

NOTE.—It is therefore within the competency of local Governments and of the Commander-in-Chief to decline to forward the application of any officer whose absence would, in their opinion, be detrimental to the interests of the public service, until such time as arrangements can be made for removing the difficulty; and it is the duty of the head of every department to decline to forward any application for furlough, whenever the services of the officer cannot be spared without risking the efficiency of the department, any doubtful case being referred for the orders of Government.

*Applications of officers who cannot be spared need not be forwarded.*

decline to forward any application for furlough, whenever the services of the officer cannot be spared without risking the efficiency of the department, any doubtful case being referred for the orders of Government.

VII.—The maximum amount of furlough

though without pay, except upon satisfactory evidence of very urgent necessity.

VIII.—A period of at least three years' service after return from last furlough, except furlough for a period not exceeding six months under Rule XI. (and excepting also, in the case of an officer in civil employ, ordinary furlough not exceeding three months) must be completed before furlough can again be taken, unless obtained under medical certificate (see Rules XIII. and XIV. and Note 3 of Rule IX.).

*Three years' service to intervene between two furloughs.*

NOTE (1).—An officer in civil employ cannot reckon in this interval of three years any period of absence from actual duty, excepting those spent on privilege leave.

NOTE (2).—Although furlough not exceeding 3 months taken by officers in civil employ is not considered as furlough requiring an interval of 3 years' duty, such furlough will be excluded from the period of 3 years' service required between two furloughs.

2. But an officer who may be ordered to return to duty before the completion of his furlough for the purpose of proceeding on field service may be allowed to take the balance of such furlough at any time.

IX.—An officer will be eligible for two years' furlough on the completion of eight years' actual service in India (see para. 6 of this order); for a third year after a further period of six years' actual service, and for a fourth and fifth year after similar intervals of six years, and so on, up to the

*Period of service qualifying for furlough.*

maximum prescribed in Rule XVI. The grant of furlough to an officer eligible for it will be subject only to the conditions specified in Rules VI. and VII. But see notes to this Rule.

1.\* Leave granted under these Rules, without furlough pay, will not reckon as furlough already taken in calculating the balance at an officer's credit, or as part of the total of eight years allowed as shown in Rule XVI, but all furlough with furlough pay, whether on private affairs or on medical certificate, taken under these Rules, will so reckon.

*Furlough without "furlough pay" not reckoned as "furlough taken."*

2.\* Furlough and leave previously taken under the Rules of 1796 or 1854, will count, as respects officers who have elected these Rules, as follows:—

*How far previous furlough bars furlough on private affairs.*

Furlough on private affairs, with pay, taken under the Rules of 1796 or 1854, counts in all respects as furlough.

Leave on sick certificate, under the Rules of 1796, does not count in any respect as furlough.

Leave on sick certificate, with pay, under the Rules of 1854, counts as part of the maximum of eight years allowed under these Rules, but until the maximum thus made up is reached, this leave will not count as furlough already taken in determining the amount of furlough to which an officer is entitled.

Leave without pay under the Rules either of 1796 or 1854 does not count in any respects as furlough.

N.B.—Furlough on medical certificate with "Furlough pay" obtained by officers, under Rule IX. Note (1) of these Regulations, between the publication of G. G. Orders No. 171 of the 25th February, 1854, and No. 197 of the 1st March, 1877, will not be reckoned as "Furlough already taken" in computing the amount of furlough at the credit of such officers; but it will form part of the aggregate of eight years allowed to officers.

NOTE (1).—An officer of less than eight years' service in India may obtain furlough not exceeding two years, on medical certificate, with furlough pay and retention of appointment, provided he has been three years in the Staff Corps, or—in the case of a Royal Engineer officer holding a permanent staff appointment, or an officer not in the Staff Corps—has served for three years in India.

*Furlough on medical certificate when on furlough pay.*

NOTE (2).—If the officer has not been three years in the Staff Corps or served three years in India, as the case may be, he will receive "English furlough pay" only, and must vacate his appointment, unless entitled to retain it under Rule II.

*Furlough on medical certificate when on English furlough pay.*

NOTE (3).—This rule (in Note 2) and the proviso in Note (1), however, are not applicable to officers of the Indian Army who entered the new Line Regiments, or Royal Artillery, and subsequently the Staff Corps.

NOTE (4).—Unemployed General Officers of the Staff Corps or local service can be granted furlough without serving the intervals of three and six years, respectively, prescribed in Rules VIII. and IX., and they can remain in Europe after they have exhausted the full period of furlough allowed during an officer's service by Rule XVI. (eight years on the whole) on the English furlough pay of their rank.

*General Officers exempted from certain rules.*

**NOTE (5)**—And a Major-General of the Staff Corps—if he has so much furlough at his credit, and proceeds to England within a year of his being promoted to that rank, or of his ceasing to be employed—can continue, after the expiration of the two years' furlough to receive half his Indian pay until he completes the period of three years during which he would be entitled to draw his Staff Corps pay if he were in India.

3. If an officer appointed to any duty in England draws his Indian allowances, with or without any portion of his staff salary, he can count the period of such employment

*Service on duty in England, how reckoned.* as service towards furlough; but if he is appointed to an office in England to which a fixed consolidated salary is attached, he cannot reckon the time of such employment as service towards furlough.

X.—An officer eligible for furlough need not take the whole amount to which his service entitles him, but may apply for any portion thereof as an instalment; and in that case the balance will remain at his credit in any future computation of the amount of furlough for which he may be eligible.

#### Illustrations.

*Furlough at credit, how determined.*

1. An officer who has served nine years in India is entitled to two years' furlough: he takes only one year, and after his return remains in India for five years.

|                                                          |           |
|----------------------------------------------------------|-----------|
| He is then eligible for two years' furlough as follows:— |           |
| Total service in India.....                              | 14 years. |
| Furlough due on that service .....                       | 3 "       |
| Furlough already taken.....                              | 1 year.   |
| Balance for which he is eligible .....                   | 2 years.  |

2. An officer who has served 20 years in India without taking furlough is entitled to four years' furlough. He can only take, however, two years at one time carrying pay, the balance remaining at his credit in any future computation of furlough to which he may be entitled. He can take that balance after completing three years' service from the date of his return from the first instalment.

**NOTE**—An officer is said to have furlough at his credit,—even though he may not be able to obtain it owing to the number of absences, or other causes,—when the calculation of his service, as in illustration 1 above, shows a "balance for which he is eligible."

\* XI.—Furlough on urgent private affairs for six months on pay equivalent to the British regimental pay of his rank, may be granted when the officer has less than six months' furlough at his credit, or when from other causes, e.g. the number of absences, or his not having served three years since his last return to duty, he is not able to take it. The said period may form part of the periods of either eight or six years referred to in Rule IX., and also—except in the case of an officer in civil employ, see Rule VIII. (Note 1)—of the three years which are required to intervene between two periods of furlough by Rule VIII.

*Furlough on urgent private affairs when granted.*

2. This leave cannot be given in extension of any furlough, neither can it be extended beyond the six months unless on medical certificate; in which case the whole of the leave will be considered as if taken under Rule XIV., clause 1.

**NOTE**—Ill-health is not considered as warranting furlough under this rule to any officer who under the provisions of these rules can obtain furlough on medical certificate without forfeiting his appointment.

XII.—Subject to State considerations, there will be no restriction as to the places to which an officer may resort during furlough. But, if he desires to spend in England the rest of a "furlough in India," or *vice versa*, he must obtain permission to do so from the Government of his Presidency, or from the Secretary of State for India, as the case may be; and on landing in either country, he must report his arrival accordingly to the Military Department of his own Presidency, or to the India Office, forwarding a copy of the permission granted him to change his destination. He must also communicate his address. An officer who, on his return to India, reports his debarkation, without forwarding at once a copy of the permission granted him to change his destination, or submitting an application for such permission, will be considered to have returned to his duty.

*Special permission needed for change of residence from England to India and vice versa during furlough.*

*Reports, &c., required.*

XIII.—Furlough on medical certificate is obtainable as indicated in Notes (1) and (2) of Rule IX. and in Rule XIV. Absence on such furlough for a longer period than two years at one time will involve forfeiture of appointment. [But see exceptions in Rule II.] Furlough may, however, be extended on medical certificate up to a third year on "English furlough pay;" and an officer on furlough on private affairs, who may be obliged to obtain an extension on medical certificate, will be thenceforward entitled to the same advantages, and subjected to the same disadvantages as to retention of appointment, pay, &c., as if he had originally obtained furlough on medical certificate.

*Consequence of extension of furlough on medical certificate over two years.*

If he exceeds three years' absence on medical certificate, the officer may have to retire or go on half-pay.

*Extension on medical certificate over three years to be without pay.*

*Officers on medical certificate must be pronounced fit for duty before returning to India.*

XIV.—An officer whose health may necessitate his taking furlough within three years from the date of last return from any furlough except that taken for a period not exceeding six months under Rule XI. (and excepting also, in the case of an officer in civil employ, *ordinary furlough not exceeding three months*), may obtain under the usual medical certificate, such amount as may be duly certified to be necessary for the restoration of his health; but he will receive

only "English furlough pay," and must vacate any appointment he may be holding, unless entitled to retain it under Rule II.

2. If, however, he shall have served three years since the date of his last return to duty, although there may be no balance of furlough at his credit, he will be entitled, on obtaining furlough on medical certificate, to retain his appointment and to receive "furlough pay," as laid down in Rule V, for the entire period not exceeding two years. Should the latter period be exceeded, he will come under the provisions of Rule XIII.

XV.—An officer entitled to furlough, or having a balance of furlough at his credit, whose health may necessitate his absence from India, must take the leave as furlough under Rule IX., but without forfeiting any passage-money to which he may be entitled under Military Fund Rules,—or, if a Subaltern, by Regulation, when proceeding on medical certificate.

*"Furlough at credit" bars furlough on medical certificate.*

2. Should the officer be declared fit for duty before the expiration of two years, he may be granted extension on private affairs up to that limit, provided that he has so much at his credit, and that if he remains he will not be in excess of the established proportion of absentees. Any extension on private affairs of such furlough beyond the said period of two years, must be without pay.

*Furlough at credit must be exhausted before furlough on medical certificate can be given.*

*Total furlough with pay, &c., in an officer's service limited to eight years.*

*Furlough not reckoned in this period.*

NOTE 2.—Furlough allowed by proper authority to reckon as service for pension under the provisions of G. G. O.'s No. 1113 of 1857, and 95 of 1866, or in consequence of an officer's employment on any duty during his furlough, will not reckon as part of the aggregate period of eight years.

XVII.—If taken in India, furlough is reckoned from the date of the absentee's quitting his station to that of his return thereto. If taken out of India, furlough commences from the date on which the vessel on which the officer embarks quits her moorings or anchorage, whether she leaves the limits of the port or not, and terminates on the day immediately preceding that on which the vessel on which he returns to India drops her anchor or is moored at any Indian port. An officer's furlough begins on the vessel's departure from any Indian port at which he first joins her, and ends on the day before her arrival at the port where he last quits her.

NOTE 1.—Furlough out of India taken before the 17th November, 1883, reckoned from the date of the sailing of the vessel on which any officer embarked, or (if from Calcutta) the date on which she left the Sandheads to the date of disembarkation, the latter being considered as a day of duty. (But see exception in Note 2.)

NOTE 2.—From the 4th April, 1870, to the 14th September, 1874, inclusive, the date of disembarkation was reckoned as a day of furlough and not of duty.

NOTE 3.—The furlough of an officer ordered to India before its expiration for special duty or on account of the exigencies of the service terminates on the day previous to that of his embarkation for India from any port in England or the Continent of Europe. When the officer avails himself of the balance of his furlough, it commences on the day of his first landing either in England or on the Continent of Europe.

XVIII.—Subsidiary leave to embark for Europe or elsewhere on furlough will be granted for any period deemed necessary, not ordinarily exceeding 30 days. Leave up to the same limit, to enable him to rejoin on his return from furlough, will be granted from the date of his disembarkation in India. This applies equally to furloughs taken under Rule XI. The authority which has power to grant subsidiary leave can, on the cause being shown, grant any necessary extension of it, but this

*Subsidiary leave.*

*Limited ordinarily to 30 days.*

can be done only on very sufficient reasons.

NOTE (1)—The words "with the necessary subsidiary leave" will be added to the G. G. O. granting an officer furlough, and will be understood to mean both the leave granted before embarkation for Europe, and on return.

NOTE (2).—An officer obtaining a furlough on private affairs or medical certificate must embark within three months of the date of the General Order which notifies it, or take up the first portion of his furlough in India until he embarks; if not, the General Order will cease to have effect. The only exception to this rule that can be allowed is when the officer is prevented from embarking within the three months owing to his detention in India by proper authority on *bona fide* public grounds. If, however, the officer does not, within a reasonable time, avail himself of the furlough given him, his subsequently being placed on duty rendering his detention necessary will not exempt him from the rule; and in every case of such detention the officer must at once report it, and he is not to until he has applied for and obtained from the Government of his

embark after the expiration of three months Presidency an extension of the period.

NOTE (3).—Officers who may be serving in other Presidencies than their own, if they desire to embark *bona fide* for Europe from the latter, may obtain subsidiary leave accordingly, and their furlough will reckon from the date of their embarkation at their own Presidencies.

*An officer serving out of his Presidency may embark from it.*

*Application for furlough, how submitted.*

N.B.—For full information as to the submission of applications for furlough, see Bengal Army Regulations, Sect. 13.

**NOTE (4).—**The allowances of Military officers in civil employ during subsidiary leave, and after return to India until they rejoin their appointments, will be adjusted according to Civil Rules.

*Leave preparatory to retirement.*

**NOTE (5).—**Leave preparatory to retirement from the service does not reckon as service towards pension.

**NOTE (6).—**An officer unavoidably detained at the Presidency for passage in a troopship, beyond the usual subsidiary leave, shall count the period of such detention as subsidiary leave.

*Pay issued monthly in India, quarterly in England.*

**XIX.**—Furlough allowances are payable monthly if payment is taken in India, and quarterly if payment is taken in England.

**XX.**—Advances of furlough pay will continue to be made in India to those officers who desire it for three months from date of embarkation. Payments in continuation will be made in England on the expiration of six months from that date.

**XXI.**—The last pay certificate issued to each officer who may be granted furlough, whether on private affairs or on medical certificate, will specify the rate of the pay and staff salary of his last substantive appointment, and the rate to which he will be entitled in Europe in virtue of Rule V.

**XXII.**—An Officer acting in India for an absentee on furlough will be restricted, for the entire period that he may so act, to the half staff salary of the appointment in which he may be acting, in addition to the full pay of his rank, and the half staff salary of his own appointment, if he possess one. The aggregate staff salary granted to an acting officer in such cases will not be less than Rs. 100 per mensem, unless the full staff salary of the post in which he is officiating is less than that sum.

*Pay of officers acting for those on furlough.*

**2.** A Warrant Officer acting for one of a higher grade on furlough receives half of the aggregate allowances of the absentee, added to half of the aggregate of his own allowances.

*Pay of Warrant Officers acting for others on furlough.*

**† NOTE.**—The Indulgence granted by the above rule is only\* allowed to one directly officiating in the place of the officer absent on furlough, not to one acting in the room of an officer who is himself acting for an absentee on furlough.

*Periods of furlough, &c., counting as service towards pension.††*

**XXIII.**—The privilege heretofore granted to Military and Medical Officers who had elected the Rules of 1854, of counting certain periods of leave as service for pension, is retained, and is applicable to those who elect these rules subject (in the case of officers under the Rules of 1796) to the condition laid down in § 4 of Rule XXXIV.

*Periods of furlough reckoned by Warrant Officers towards pension.*

**2.** Warrant Officers obtaining that rank after the 24th August 1872, can only reckon as service towards pension the following periods of leave whether taken in or out of India:—

|                                              |   |
|----------------------------------------------|---|
| 15 months in 12 years' Departmental Service. |   |

| 24 " " 16 " "                                | " |

3. Those who were promoted to warrant rank before that date are allowed to continue, if they prefer it, on the old rule, and reckon all leave in India as service, all out of India being deducted from their service, for pension.

*Illustration of the mode of computing service for pension in any case.*

|                                                       |                    |

**XXIV.**—On computing the furlough on private affairs to which an officer who has already enjoyed some portion of such furlough will be entitled, under these rules, it will be necessary to deduct the total amount of the furlough on private affairs of which he may have availed himself during his service

from the total periods to which under Rule IX, he can lay claim. The balance within the limit of eight years total furlough on private affairs and medical certificate laid down in Rule XVI, will represent the leave to which he will be entitled on the expiration of not less than three years from his last return to duty. (See Sections 1 and 2 of Rule IX).

He must serve four years before he can take an additional year's furlough thus—

## CHAPTER II.

*General Leave on Private Affairs and Sick Certificate India.*

**XXV.**—An officer will be eligible, as at present, to take leave on private affairs or sick certificate anywhere in India for any period not exceeding six months, at the discretion of His Excellency the Commander-in-Chief or of the Government under which he may be serving. During the entire period of his absence on this account the officer will be entitled, as at present, to his full pay and a moiety of his staff salary. Leave taken under this rule will form no part of the eight years' aggregate furlough. If this indulgence should be taken advantage of for a third year consecutively the officer will lose his staff appointment unless entitled to retain it under Rule II.

*Leave on private affairs or medical certificate limited to six months.*

*Pay as heretofore.*

*If taken for a third year consecutively, staff appointment forfeited.*

**XXVI.**—Leave on sick certificate for a period exceeding six months, capable of extension, under renewed medical certificate, to a limit of one year, may be granted to any officer who, in the opinion of a Medical Board, may require it. Leave of this nature, taken after the promulgation of these rules, will be held to constitute a part of the maximum period of eight years' leave of absence to which an officer is entitled in his entire period of service, but will not be regarded as furlough, nor will it affect the intervals entitling to furlough laid down in Rule IX. During this leave the absentee will draw a moiety of his staff salary in addition to the pay of his rank. But if the 12 months be exceeded, the whole leave must be reckoned as furlough, and allowances be adjusted accordingly.

*If extended to one year on medical certificate reckons in the eight years of Rule XVI.*

*If extended over one year, reckons as furlough.*

**XXVII.**—Short leave, not exceeding three months, on private affairs or sick certificate, may also be taken to sea, on the above condition, but absence from India for any longer period will be treated as furlough.

*Short leave (not exceeding three months) allowed heretofore.*

**XXVIII.**—All general leave taken in India counts as part of the leave reckoning against service for pension.

## CHAPTER III.

*Privilege Leave.*

**XXIX.**—Privilege leave may be granted, as at present, for sixty days in each year to all officers in military employ, without deduction from the salaries and emoluments drawn by them. General leave, in extension of privilege leave, can only be granted on the ground of sickness, or some other serious emergency which could not have been foreseen when the officer proceeded on privilege leave. Privilege leave may, however, be converted into general leave with the sanction of the Commander-in-Chief or the Government.

*Limited to 60 days in each year.*

*When extended.*

**NOTE (1).**—Privilege leave for ninety days, after thirty-three months' duty, which may be spent anywhere, in or out of India, is admissible to commissioned and Warrant Officers under these Rules; but to claim the privilege, it shall be necessary for an officer to show that he has had no privilege leave for thirty-three months previous to the date of his application, and that he has made satisfactory arrangements for the performance of his duties during his absence at no additional cost to the State. If leave for a shorter period than 90 days is taken, the balance is forfeited.

**NOTE (2).**—Officers are not required to report themselves to the India Office should they go to England, but it will be incumbent on them to keep their departmental superiors in India acquainted with their address.

**XXX.**—In the case of the stations noted in the margin, privilege leave may, as at present, be granted for ninety days to officers of local Corps, or of Corps which are usually employed in one or other of the districts named.

*Khotla.*

*Deolce.*

*Dera Ismael Khan.*

**NOTE.**—The above rule is not applicable to officers of regiments moved in course of relief to any of the stations, or who are only temporarily employed there.

*No restriction as to place.*

**XXXI.**—An officer is at liberty to proceed wherever he may desire on privilege leave, provided he can ensure his return before the expiration of his leave.

**XXXII.**—Privilege leave cannot be taken in continuation of furlough, nor can furlough be obtained in continuation of privilege leave. If furlough be obtained by an officer while absent on privilege leave, the privilege leave will be converted into general leave, the officer for that period sacrificing a moiety of his staff salary.

*Must be apart from furlough or other leave.*

*Military Officers in Civil Employ.*

**XXXIII.**—Those Military Officers (including Warrant Officers who hold Honorary, Veteran, or Unattached Commissions) in Civil or Political employ who may elect these rules when they take leave in India, come, as respects periods of leave obtainable and amount of pay to be granted, under the Civil Leave Rules. When they take leave out of India, they come under the Military Leave Rules.

**NOTE.**—Furlough in India is allowed under Chapter I of these rules to a Military Officer in civil employ, under the same chapter, by the Government to which he is subordinate; as also subsidiary, privilege, and examination leave under the rules in the Civil Leave Code; but under no circumstances will he be allowed any leave *out of India* under the Civil Leave Code, but under Military rules and by the Military Department.

When furlough in India is required by a Military Officer in civil employ, he must obtain from the Military Department, and submit to the Accountant General a "Furlough certificate;" and when furlough is granted by the Government to which the officer is subordinate, a copy of the order granting the furlough should be sent to the Military Department.

(2.) For subsidiary leave, see Note (5) of Rule XVIII.

## Subsidiary Rule.

**XXXIV.**—Officers of the Indian Military and Medical services will be required generally to notify their intention to accept these rules or to adhere to those now existing, on the first occasion of their taking furlough or general leave after the publication of this order. Such election must be considered final, and under no plea whatever will an officer be subsequently relieved from the choice thus made.

*Election of these rules to be final.*  
*Fund subscription during furlough.*  
2. Officers going home under these Rules will pay English rates of subscription only to the Military Fund.

3. Officers who may determine to abide by existing Rules will be allowed to proceed on furlough on the conditions laid down in Rules VII., VIII., and XIII. to the extent to which they may be entitled under the Furlough Regulations of 1854 or of 1796, whichever of the two they may have elected, and on the rates of pay contemplated in those Regulations, but retaining their appointments. The principle laid down in Rule XV. must, however, be applied in those cases.

4. If an officer under the Furlough Rules of 1796 elects the present Rules, his service for pension will be reckoned under the former Rules up to 1st July, 1868, and thence forward under the Rules of 1868; and the fact of the officer having been on furlough on 1st July, 1868, and not then having elected the Rules of 1868, will not affect the case. All periods of leave out of Indian limits taken previous to 1st July, 1868, will be wholly excluded from his service for pension; but he may reckon towards pension periods of leave taken subsequent to that date, according to the length of his service counting for pension, as shown in Rule XXIII.

*Previous service of officers under 1796 Rules how reckoned.*  
*Retirement under 1796 Rules not affected.*  
5. His election of these Furlough Rules in no way affects his right to retire under the Pension Rules of 1796.

## FURLOUGH AND LEAVE RULES OF 1875.

(WITH SUBSEQUENT ALTERATIONS.)

G.G.O. No. 1,316, dated 30th December, 1875.

I. Officers included in Schedule A may receive, after five years' service in India or under the Government of India, one year's furlough, and an additional year for each subsequent five years' service. Furlough not taken at the time it becomes due is not lost, and can, subject to these rules, be taken later.

**NOTE.**—Service for furlough under these rules, in the case of an officer electing them, is reckoned from the date of his election. (See also Notes 2 and 3 to Schedule A.)

II. An Officer may receive at any time any portion of the furlough to which he is entitled; but, except under Rule 3, he may not be absent from duty on any ground for more than three years consecutively; nor, on return from furlough, may he receive, except under Rule 6, any further portion of the furlough to which he is entitled until after the interval of two years.

III. It must be distinctly understood that furlough is subject to the exigencies of the public service. Officers commanding regiments, and Heads of Departments, will forward no application for furlough unless able to satisfy the superior authorities that the Officer's services can be spared without any inconvenience to the public service.

IV. Furlough does not involve forfeiture of appointment, may be spent anywhere, and counts as service for pension. (See Rule VIII.)

V. A commissioned Officer on furlough receives (up to, but not beyond, the sum of £1,000 a year) half the emoluments of his office, computed according to a rate of exchange to be fixed in each year by the Secretary of State; but in any case he does not receive less than £250 a year. The emoluments of his office include all pay, staff corps pay, staff salary, and Indian allowances he would receive in respect to it if he were on duty, and for the purpose of each payment his

office is the office he fills on the day when that payment becomes due.

2. A Warrant Officer receives half the emoluments of his office, calculated in the same manner as those of Commissioned Officers, no Warrant Officer, however, receiving as furlough pay less than the English furlough pay of his rank.

VI. Upon certificate of a Medical Board, an Officer not entitled to furlough, if he has served not less than two years in India, may receive it for any period not exceeding two years; but such furlough will be deducted from his next accruing furlough until it is paid off. An Officer will not be allowed to anticipate furlough under this rule to an aggregate amount of more than two years.

**NOTE 1.**—An Officer of less than two years' service from date of coming under the new rules, falling sick, will be sent to England on medical certificate, on English furlough pay, without the period of his furlough being fixed, subject to the decision of Her Majesty's Government as to his ultimate disposal; a special report on each case being submitted to Her Majesty's Government by the Government of India, or in the case of Officers of the Madras or Bombay army by the Government of those Presidencies. (See notes 2 and 3 to Schedule A.)

1. Furlough on medical certificate under this rule (except in the case of Officers invalided home for sickness due to wounds, or other cause, solely attributable to active service in the field) does not count as service for pension until it has been paid off as provided for in the rule; when due solely to active service in the field it is allowed to reckon as service for pension without being paid off as provided for under ordinary circumstances in the rule; but it does not count as service for furlough; i. e., an officer obtaining it shall still be required to put in the full Indian service quali-

fying for furlough under the Rules of 1875, with the condition also that he shall complete two years' further service in India before availing himself of it.

†† An officer serving under the Regulations of 1875, who has been allowed to count as service for pension any furlough taken under Rule VI., due to active service in the field, under the provisions of Indian Army Circulars, Clause 170 of 1881, and Clause 41 of 1882, may, should the circumstances of the case warrant the indulgence, be again permitted to anticipate furlough to an amount of not more than two years in all, under Rule VI. In all cases of the grant of furlough under the foregoing ruling a special report is to be made to the Secretary of State.

VII. An Officer who has exhausted the furlough obtainable under these rules, and who may be certified by a Medical Board to be still unfit for duty, will be placed temporarily or permanently on half-pay, according to the circumstances of the case.

VIII. Under very urgent circumstances, special furlough may be granted for private affairs, which need not be paid back; but it will be in all cases without any kind of pay, and will not count for pension.

NOTE.—The amount of leave which may be granted under this rule will be restricted to such period as the Government granting it is satisfied is actually necessary with reference to the urgency of the case.

IX.—Officers and Warrant Officers proceeding on furlough to Europe may, if they desire it, receive an advance equivalent to three months' furlough pay.†

X. Leave may be granted for any period not exceeding six months at a time, and may not, except for very urgent reasons, to be specially reported to the Government of India, be renewed till after six months have elapsed from its expiration. It must be spent at some place east of the 40th degree of east longitude. Subject to these conditions, it may be granted or refused entirely at the discretion of the local authorities, who in granting it shall fix its duration, and may fix the limits within which it shall be spent, and whether during its continuance half-pay and allowances are to be deducted for the payment of a substitute; and they

may grant it as preparatory to furlough, or for the purpose of a medical examination. Leave counts as service for pension and furlough. The local authorities shall be defined for the purpose of this rule by the Government of India.

XI. Leave and furlough are reckoned from and to the close of the days named in the order granting them.

NOTE.—From and after the 17th November, 1883, the day on which the vessel on which an officer proceeds on furlough quits her moorings or anchorage, whether she leaves the limits of the port or not on that day, will be reckoned as the date of the commencement of his furlough, and as a day of the furlough; and the date, on which the vessel on which he returns to India drops her anchor or is moored at any Indian port, will be reckoned as a day of duty. An officer's furlough begins on the vessel's departure from any Indian port at which he first joins her, and ends on the day before her arrival at the port at which he last quits her.

XII. The position of Officers not included in Schedule A will be unchanged as respects leave or furlough.

XIII. Officers now in the service placing themselves, from a given date, under these rules, shall count service for pension up to that date under the rules to which they were then subject.

NOTE.—An officer takes with him so much service for pension as he had become entitled to under former rules.

When, however, officers joining the Staff Corps have joined with less than 20 years' service under the rules of 1844 or 1868, before coming under these rules, they shall, after completing 20 years' service in all, be permitted to count as service for pension a proportion of any furlough or leave they may have taken under earlier rules, at the rate of two years' leave for 20 years' service, or one-tenth. Thus, an officer who, before coming under the rules of 1875, had a service of 14 years and 99 days, of which 2 years 142 days was on leave under the rules of 1868, would count one year and 156 days' leave, and would have 16 years 113 days' total service for pension.

#### SCHEDULE A.

Officers entering the Staff Corps or Indian Medical Service, and Warrant Officers attaining that rank, after the 31st December, 1875; and

Any other officers, Commissioned or Warrant, belonging to the Indian Army or Medical Service or Officers of the Staff Corps, who, after the 31st of December, 1875, shall, before asking for leave or furlough, apply in writing to their Local Governments to be placed definitively upon this Schedule; but their service for furlough under Rule I shall commence from the date of such entry or such application respectively.

NOTE 1.—The date of entry into the Staff Corps is that of entry for choice of furlough rules, viz., the date on which the Officer was originally appointed on probation. An Officer, therefore, whose date of admission to the Staff Corps is not after the 31st December, 1875, will have the choice of rules, but an Officer whose date of admission is after that date will have no option.

NOTE 2.—Officers compulsorily placed under these regulations on entering the Staff Corps, will be allowed to count their previous military service in India towards furlough, provided they shall have served five years in India, of which not less than half shall have been in the Staff Corps; but any leave out of India on private affairs taken by them during service so counted will be reckoned as furlough taken under Rule I, and any leave taken on medical certificate will be reckoned as taken under Rule VI.

Should, therefore, an officer, who took sick leave out of India whilst in the British service, again require leave on a medical certificate on his admission to the Staff Corps, and proceed under Rule VI, he will be granted, in the first instance, only so much furlough

as will complete the period admissible under that rule. This furlough may be extended to two years on "English furlough pay," but it will rest with Her Majesty's Government to determine whether any, and if so, what, extension shall be granted.

NOTE 3.—Warrant Officers promoted to that grade after the 31st December, 1875, and thus compulsorily brought under these rules, will be allowed to count their previous service for furlough under Rule VI; but furlough is not to be granted under this rule until a Warrant Officer has completed two years' service since his last return to duty from furlough as a Non-Commissioned Officer, otherwise he can only be granted leave under the note to Rule VI.

NOTE 4.—An Officer electing these regulations, and having furlough to his credit under previous rules, forfeits such furlough absolutely, he being required to serve five years from date of such election to entitle him to one year's furlough, unless he be sick furlough. An Officer similarly circumstanced, but having furlough to his debit, is equally with the others entitled to take one year's furlough five years after electing the new rules.

Any Officers in civil employment declared by the Government of India to be under civil leave rules shall not be under these rules.

\*. The last pay certificate issued to an Officer to whom furlough or leave has been granted shall state the pay to which, under Rule V, he is at that date entitled in respect to the office he is holding, noticing the date, if any fixed, at which he will vacate it.

## SUBSIDIARY RULES.

With advertence to the foregoing rules, the Right Honorable the Governor-General in Council is pleased to notify—

I. That no "extra or special allowances" drawn by an officer, which are now excluded from the account in calculating furlough pay under the Rules of 1868, can be reckoned in calculating furlough pay under these Rules (Rule V.).

II. That the Governments of the three Presidencies, or their Excellencies the Commanders-in-Chief, in regard to Officers serving directly under them, shall be held to be the "local authorities" named in Rule X.

III. That, pending further orders, a Staff Officer granted leave under Rule X. shall receive, as heretofore, the pay or staff corps pay of his rank, and half the staff salary of his appointment during such leave; but full staff salary may be allowed him for the first two months (as now during privilege leave) when he makes approved arrangements for the performance of his duties during that period. In such cases the G. O. granting the leave must state that the first two months are to be on full staff pay.

\* (2) The leave up to sixty days in each year on full Staff pay under the foregoing rule may be taken either for the full time or by instalments, in the same way as privilege leave under other furlough rules is taken, the condition that six months must elapse between the return of an officer to duty and the grant of a fresh period of leave not being enforced in respect of such leave of absence.

NOTE 1.—Privilege leave for 90 days, after 33 months' duty, which may be spent anywhere in or out of India, is admissible to Commissioned and Warrant Officers under these rules; but to claim the privilege it shall be necessary for an officer to show that he has had no

leave on full Indian pay and allowances for 33 months previous to the date of his application, and that he has made satisfactory arrangements for the performance of his duties during his absence, at no additional cost to the State. If leave for a shorter period than 90 days is taken, the balance is forfeited.

NOTE 2.—Officers are not required to report themselves to the India Office should they go to England; but it will be incumbent on them to keep their departmental superiors in India acquainted with their address.

NOTE 3.—No furlough or leave out of India, if exceeding six months, can be counted as part of the required 33 months' duty; but an officer who may have 33 months' service at credit before proceeding on such furlough or leave (in excess of six months) may be allowed to take accumulated privilege leave on his return, if he can be spared.

NOTE 4.—Warrant Officers proceeding out of India on privilege leave under Note 1 must deposit the amount of their return passage money, or give security for the payment of the same.

NOTE 5.—General Officers Commanding Divisions, Districts and Brigades are not eligible for the 90 days' privilege leave referred to in the above Note 1.

NOTE 6.—The "Staff Officers" referred to in the above Rule III. apply to regimental as well as Departmental Staff.

N.B.—It is distinctly to be understood that the rule regarding the pay to be drawn on leave under Rule X. is liable to be modified at any time in any way that the Government of India may deem expedient.

IV. Pending further orders these rules are not applicable to any Officer in civil employ.

No. 1,102 of 1877.—His Excellency the Governor General in Council is pleased to notify the following supplementary regulations, which have received the approval of the Right Honourable the Secretary of State for India, providing for the case of Military Officers in Civil employ, referred to in paragraph IV. of the subsidiary rules appended to G. O. No. 1,316 of the 30th December, 1875:—

I. Any Officer now in Civil employ, who is subject to the Military Furlough Regulations of 1864 or 1868, shall remain so subject.

II. Any Military Officer who may hereafter enter Civil employ, who is not already subject to the Military Furlough and Leave Rules of 1875, shall remain subject to the rules applicable to him when he enters Civil employ.

NOTE.—An Officer referred to in Rules I. and II. cannot elect the Military Furlough and Leave Rules of 1875, so long as he continues in Civil employ.

III. Any Officer who may enter Civil employ, who is already subject to the Military Furlough and Leave Rules of 1875, shall be subject to the rules in the Civil Leave Code applicable to covenantal civil servants, both as regards furlough and leave taken out of India and in India.

7th December, 1877.

IV. If any Officer, who is employed in the civil administration, has taken furlough in the Military Department under the said rules of 1875, this furlough shall be treated, in calculating the furlough or special leave admissible to him under the preceding rule, as if it had been furlough taken under the Civil Leave Code. Leave so taken under the 10th Military Rule shall be treated as if it had been privilege leave taken under the Civil Leave Code, and the claims of the Officer under the Civil Leave Code adjusted accordingly.

V. If an Officer, who has been subject to the rules in the Civil Leave Code under the third of these rules, is again employed in the Military Department, and so again becomes subject to the Military Furlough and Leave Rules of 1875, any furlough or special leave taken by him under the Civil Leave Code will be treated in calculating the furlough admissible to him under the said military rules as if it had been furlough taken under the said military rules. Privilege leave taken under the Civil Leave Code Rules will be treated as if it had been leave taken under the 10th Military Rule. Subsidiary or examination leave taken under the Civil Leave Code will not affect the claims of such an Officer under the Military Furlough and Leave Rules.

## ADVANCES OF PAY.

*Rules regarding advances of pay to Officers under the Furlough Rules of 1868 and 1875:—*

Officers proceeding on furlough to Europe may, if they desire it, receive an advance equivalent to three months' furlough pay.

Officers returning from furlough or from temporary half pay will similarly be granted advances of pay at the following rates, on obtaining permission to return:—

|                     |        |      |
|---------------------|--------|------|
| For a Subaltern     | ... .. | £65  |
| For a Captain       | ... .. | £100 |
| For a Field Officer | ... .. | £150 |

No advance, however, will be issued to an officer who obtains from the Fund to which he is a subscriber a loan equal to or greater than the advance authorized for his rank; and an officer who obtains from his Fund a loan less in amount than such advance will be granted only the difference between the two.

Recovery of the advances made in England to be effected in India by five equal monthly instalments at the rate of exchange fixed for the year in which the advance was made.

The following advances on return to duty will be issued to Warrant Officers, on the same conditions:—

|                                                     |        |       |
|-----------------------------------------------------|--------|-------|
| To First Class Combatant Warrant Officers           | ... .. | > £50 |
| To Senior Apothecaries                              | ... .. |       |
| To other Warrant Officers with honorary commissions | ... .. | > £25 |
| To Second Class Combatant Warrant Officers          | ... .. |       |
| To Apothecaries                                     | ... .. | > £15 |
| To Assistant Apothecaries                           | ... .. |       |

8. The commutation having been sanctioned, the applicant will be informed, and will have the option of withdrawing his application within 30 days after receiving that notice.

9. If the applicant shall not withdraw his application within that period, the decision will be considered final, and the commutation of pension will take place absolutely.

11. In the case of an officer in Europe, the capitalized sum will be payable at the expiration of two months, and in the case of an officer in India, at the

12. In any case in which a pensioner shall accept public employment, involving the withholding of pension, a deduction will be made from the salary payable to him equal to the amount which would have been abated from the pension if it had not been commuted, and in the event of his becoming entitled to a pension in respect of such employment, the amount of such pension granted to him shall not exceed the amount which he might have received had his pension not been so commuted.

## CONDITIONS OF TRANSFER TO TEMPORARY HALF-PAY.

### COMMISSIONED OFFICERS.

(Sanctioned by Despatch to Government of India, No. 432, dated 22nd December 1881.)

Officers placed on temporary half-pay, at the recommendation of the Medical Board of the India Office, shall be examined by the same Board as to their fitness to return to duty every two years, and if still reported unfit at the third examination, that is, after being six years on the temporary half-pay list, they shall be transferred to the retired list on permanent half-pay. An Officer reported to be unfit at the commencement of the second period, i.e., after two years on half-pay, may, however, be permitted voluntarily to retire on permanent half-pay.

Officers unable to appear before the Medical Board at the stated times will be required to furnish a certificate, signed by two medical men, as to their inability. An Officer who is continuously unable to appear will be retired permanently after six years without further report.

Officers who in view to being restored to the active list, may wish to appear before the Board at other times than those specified, may be permitted to do so. Officers ordered periodically to appear before the Board will receive their travelling expenses and lodging allowance on the Home scale, but those appearing at other times, at their own wish, must do so at their own expense.

### WARRANT OFFICERS.

(Sanctioned by Despatch to Government of India, No. 25, dated 24th January 1884.)

A Warrant Officer transferred to temporary half-pay may be permitted to remain on half-pay till his total continuous absence from duty, on furlough and half-pay together, amounts to four years. If then still unfit to return to duty, he must be pensioned on the rate of pension for which he had qualified at the time of being placed on half-pay.

No period spent on half-pay will count as service for Indian pension, nor will a Warrant Officer be eligible for promotion while he is on half-pay. A Warrant Officer replaced on the effective list, on return to duty from half-pay, will be re-employed at once, being borne as a supernumary in his grade until absorbed by the next vacancy.

Warrant Officers will be required to appear before a Medical Board at the expiration of one year on half-pay, and again, if retained on the half-pay list, at the end of the second year; and those who, in view to being restored to the effective list, may wish to appear before the Board at other times than those specified, may be permitted to do so. Warrant Officers ordered periodically to appear before the Board will be allowed, in this country, their *bond fide* travelling expenses, and lodging allowance at the rates stated below, but those appearing at other times, and at their own wish, must do so at their own expense.

# FURLOUGH AND LEAVE RULES FOR HER MAJESTY'S INDIAN MARINE SERVICE.

MARINE CIRCULAR OF THE GOVERNMENT OF INDIA, NO. 16, DATED SIMLA, THE  
1ST NOVEMBER, 1884.

## Furlough.

- I.—Officers after five years' service in India or under the Government of India may receive one year's furlough, and an additional year for each subsequent five years' service. Furlough not taken at the time it becomes due is not lost, and can, subject to these regulations, be taken later.
- II.—An officer may not be absent from duty on any grounds for more than three years consecutively, nor on return from furlough may he receive, except under Rule VII., any further furlough until after an interval of three years.
- III.—Furlough does not involve forfeiture of appointment, may be spent anywhere, and, when it has been earned by length of service, counts as service for pension. Furlough taken before it is earned by length of service reckons against service for pension till paid off.
- IV.—An officer on furlough receives half the pay of his rank, or, if holding a shore appointment, half the pay of his appointment excluding command, charge, acting, personal, or house allowance, computed according to a rate of exchange to be fixed in each year by the Secretary of State. An officer promoted while on furlough will be entitled to a moiety of the increased pay due to that promotion.
- V.—Officers proceeding on furlough may receive an advance equivalent to three months' furlough pay; the same advance may also be granted on return from furlough. Recovery of the advances made in England will be effected in India by six equal monthly instalments.
- VI.—Furlough pay may not be drawn for more than two years consecutively.
- VII.—Upon certificate of a medical board, an officer not entitled to furlough, who has served not less than one year in India, may be granted furlough. Such furlough will not count as service for pension until it has been paid off by subsequent service under the terms of Rule I. Furlough cannot be anticipated beyond two years in the aggregate nor for a second term, unless that previously anticipated has been subsequently paid off under the terms of Rule I.
- VIII.—An officer who has exhausted the furlough obtainable under these rules, and who may be certified by a medical board to be still unfit for duty, will be retired on the pension or gratuity to which he may be entitled; if not entitled to either pension or gratuity, his case will be specially considered.
- IX.—Advances of passage money, not exceeding £50, will be granted to officers proceeding on or returning from furlough, at the discretion of the Director of the Indian Marine or the Secretary of State. Marine officers not holding shore appointments of Rs. 1,000 per mensem will be eligible for the grant of non-regulation passages in troopships when such passages are available.
- X.—Furlough, whether on private affairs or on medical certificate, is restricted to a maximum period of one year in the first instance, and to subsequent extensions not exceeding six months at a time.

## General Leave.

- XI.—General leave may be granted for any period not exceeding six months at a time, but cannot be renewed, except for very urgent reasons, till after two years have elapsed from its expiration. It may be spent anywhere, does not involve forfeiture of appointment and counts as service for pension. It will be granted or refused entirely at the discretion of the Director of the Indian Marine. It may be granted up to a maximum limit of 30 days as subsidiary to furlough, whether on proceeding on furlough or on return from furlough. Leave granted as subsidiary to furlough can only be spent in India.
- XII.—During general leave an officer will be restricted to the pay of his grade,\* and will forfeit all allowances, which will be paid to his *locum tenens*. If an officer exceeds the six months' leave admissible at one time under this rule, the entire period will be converted into furlough, and his allowances adjusted accordingly.

## Privilege Leave.

- XIII.—Subject to the exigencies of the service, Marine officers may be allowed 60 days' privilege leave during each year, and such leave may be taken in instalments.
- XIV.—An officer who has privilege leave to his credit when proceeding on leave or furlough does not forfeit it, but privilege leave cannot be taken in continuation of furlough, nor can furlough be obtained in continuation of privilege leave. Privilege leave may, however, be converted into general leave with the sanction of the Director of the Indian Marine, or into furlough with the sanction of the Government of India.
- XV.—Privilege leave will be granted by the Director of the Indian Marine, but it will be granted only on the understanding that no additional expense is thereby caused to the State either directly or indirectly, that the applicant's services can be spared, and that satisfactory arrangements for the performance of his duties during his absence can be made.
- XVI.—Officers are at liberty to proceed wherever they may desire when on privilege leave, provided they can ensure their return before the expiration of the leave. If an officer exceeds his privilege leave, the whole period of his absence will be converted into general leave or furlough, and his allowances and statement of service for furlough adjusted accordingly.

\* This rule will also hold good in the case of an officer holding a shore appointment, in which case the balance will be considered a staff allowance payable to the *locum tenens*, provided the latter does not thereby draw more than the pay of the appointment.

# RULES FOR HER MAJESTY'S INDIAN MARINE SERVICE. lxxvii

## *Temporary Leave.*

**XVII.**—Temporary leave not exceeding 10 days, and not in anticipation or in extension of any other kind of leave or furlough, may be granted by the Director and Deputy Director of the Indian Marine.

**XVIII.**—Temporary leave not exceeding 72 hours may be granted by commanders of vessels and heads of departments to officers under their command.

## *General Regulations.*

**XIX.**—It must be distinctly understood that furlough or leave cannot be claimed as a right. Both are subject to the exigencies of the public service, and will be granted only when an officer's services can be spared. Commanders of vessels and heads of departments will not forward an application for furlough or leave unless they are able to satisfy the Director of the Indian Marine that the officer's services can be spared without any inconvenience to the public service.

**XX.**—No grant of leave given under the conditions of these rules will count against an officer's service for pension, and leave may be spent anywhere, i.e., within possible limits of return before it expires.

**XXI.**—Leave is reckoned from the day on which an officer avails himself of it, and it expires on the day he rejoins.

Furlough reckons from date of leaving India or from date of leaving his ship if at an outstation, unless specially stated by authority to commence on an earlier date; and in the event of an officer returning to India before the expiration of his furlough, it ceases on the date of his return.

The day of return, whether from leave or from furlough, is a day of duty.

**XXII.**—Officers on furlough will draw their pay from the India Office, but officers on general or privilege leave must arrange to draw their pay in India.

**XXIII.**—As a rule, leave will be granted only during the period of the south-west monsoon.

**XXIV.**—Officers proceeding on furlough will report their departure personally at the office of the Director or Deputy Director of the Indian Marine, except when they avail themselves of it at an outstation. An officer returning from furlough or leave will rejoin the ship to which he belongs; but if this is impracticable, and he has not received instructions (which he should apply for beforehand), he will rejoin at Bombay or Calcutta, reporting himself in person to the Director or Deputy Director. On the departure of an officer on furlough or leave, or on the return of an officer therefrom, the commander of the vessel will cause an entry to be made of the date in the ship's log book, and will forward an extract thereof by the next post to the Director.

**XXV.**—Officers arriving in Europe on furlough must report their arrival in writing to the Military Secretary at the India Office, and state their address; and for extension of furlough or for permission to return to duty, they must also apply to the Military Secretary.

Officers proceeding to the Colonies on furlough should apply to India for extensions of furlough and for permission to return to duty.

**XXVI.**—During the absence of an officer on leave or furlough, he must keep the Director of the Indian Marine acquainted with his actual address, and be prepared to return immediately to India, should his services be required. When on leave, such recall order will be issued by the Director; when on furlough in Europe, by the Secretary of State. Officers spending their furlough in Europe must keep the Secretary of State informed of their address.

**XXVII.**—Applications for leave or furlough must be made on the authorized form, which is obtainable from the Director or Deputy Director of the Indian Marine.

8. The pension of a minor orphan will be paid to his or her mother, or other duly appointed or recognized guardian.

NOTE.—Annuitants in India must draw their pensions in Indian currency.

*Contributions.*

9. The contributions for pensions under these regulations, and the pensions of widows, will be regulated by the class of the contributing officer. An officer cannot secure a higher pension for his widow by contributing as if he belonged to a higher class.

\* As an exception to this rule, an officer who has completed five years' service as a substantive Lieutenant-Colonel has the option of subscribing in Class I. (A. C. 34, of Jan. 1881.)

10. Contributions will be deducted by paymasters or other disbursing officers from the pay abstracts of officers contributing.

10a. The circumstance that an Officer is not in receipt of pay does not relieve him from the necessity of paying his contributions.

11. *Donations* may be paid in one sum, or in 12 equal monthly instalments. If a donation be paid in instalments, interest on the unpaid portion will be levied at the rate of  $\frac{1}{2}$  per cent. per annum. The balance of any contribution due at an officer's death will be recovered rateably, without interest, from the pensions of his widow and orphans, in 12 monthly instalments in India, or four quarterly instalments in England.

11a. Contributions which become due from subscribers when in Europe must be paid in England in sterling. If a subscriber, previous to quitting India, has commenced the payment of any donation by instalments, he may either complete the payment of the donation in India before leaving, or pay the remaining instalments in England at English rates; but an Officer on half-pay who continues to subscribe at Indian rates has the option of paying in India.

12. The following are the rates of donations and monthly contributions prescribed for the present:—

TABLE III.—*Donations.*

NOTE.—The amounts in the above Table have been increased 8 per cent. from 1st October, 1881.

\* The fine is less in this case, and in some other cases when the disparity of age is greater, owing to the increased probability of the second marriage of the wife.

Example.—A Captain, aged 37, marries a lady aged 22: the difference of age is 15, and the marriage donation is Rs. 746.

A Colonel, aged 54, marries a lady aged 29: the difference of age is 25, and the marriage donation is Rs. 5976.

TABLE V.—*Donation, payable by all Classes alike, on the Birth of a Child and, on entering the Service of the Government of India, for each Child then living.*

18. An officer may at any time commute his future payments into a single payment, the amount of such payment being regulated by the same tables.

## *Retired Officers.*

28. Married officers who retire from the service on a pension may continue to subscribe at the Europe rate of subscription, or they may withdraw, receiving back such portion of their contributions as is in excess of the risk borne during the term of their membership; but the usual subscription will be deducted from the pension of all such officers until they shall have intimated in writing their intention of withdrawing. Unmarried officers may continue their subscription on the same terms as married officers, but will not be entitled on retirement to any refund in the event of their withdrawal.

## *Dismissed Officers.*

29. An officer who is dismissed the service by sentence of a court martial, or by other competent authority, will cease, *ipso facto*, to be a contributor under these regulations, and will have no claim to any refund. His family will not be entitled to any pensions under these regulations.
